Subject: Human services; substance use disorder; treatment barriers

Statement of purpose of bill as introduced: This bill proposes to: (1) eliminate prior authorization for medication-assisted treatment covered by Medicaid; (2) eliminate prior authorization and length of stay limitations on residential treatment at a participating substance use disorder treatment program covered by private insurers and Medicaid; and (3) make eligibility of any State funding, including Medicaid reimbursements, to approved substance use disorder treatment programs providing residential treatment contingent on a program allowing patient screening, intake, and admission through the Department of Health’s Helplink Program.

An act relating to addressing barriers to substance use disorder treatment
It is hereby enacted by the General Assembly of the State of Vermont:

Sec. 1. 18 V.S.A. § 4750 is amended to read:

§ 4750. DEFINITIONS

As used in this chapter:

(1) “Health insurance plan” has the same meaning as in 8 V.S.A. § 4089b, means any health insurance policy or health benefit plan offered by a health insurer, as defined in section 9402 of this title, as well as Medicaid and any other public health care assistance program offered or administered by the State or by any subdivision or instrumentality of the State. The term does not include policies or plans providing coverage for a specified disease or other limited benefit coverage.

(3) “Approved substance abuse treatment program” means a treatment program which is approved by the Secretary as qualified to provide treatment for a substance abuse disorder.
§ 4812. LIMITATION ON PRIOR AUTHORIZATION AND LENGTH OF STAY REQUIREMENTS FOR RESIDENTIAL TREATMENT

(a) A health insurance plan shall not require prior authorization, nor impose limitations on the length of stay, for a patient who is receiving residential treatment at a participating substance use disorder treatment program if the treatment and length of stay are deemed necessary by the patient and the patient’s treatment team.

(b) As used in this section, “health insurance plan” means any health insurance policy or health benefit plan offered by a health insurer, as defined in section 9402 of this title, as well as Medicaid and any other public health care assistance program offered or administered by the State or by any subdivision or instrumentality of the State. The term does not include policies or plans providing coverage for a specified disease or other limited benefit coverage.

Sec. 3. 18 V.S.A. § 4813 is added to read:

§ 4813. RESTRICTIONS ON STATE FUNDING FOR RESIDENTIAL PROGRAMS

An approved substance use disorder treatment program that provides residential treatment shall allow patient screening, intake, and admission through the Department of Health’s Helplink Program in order to be eligible for grants from the State of Vermont or reimbursements for the treatment of
patients receiving Medicaid and any other public health care assistance

program offered or administered by the State or by any subdivision or

instrumentality of the State.

Sec. 4. CONFORMING REVISIONS

When preparing the Vermont Statutes Annotated for publication in 2021, the Office of Legislative Counsel shall replace the phrase “approved substance abuse treatment program” with the phrase “approved substance use disorder treatment program” throughout Title 18.

Sec. 5. EFFECTIVE DATE

This act shall take effect on July 1, 2021.
