

## House Proposal of Amendment to Senate Proposal of Amendment

### H. 426

An act relating to addressing the needs and conditions of public school facilities in the State

The House concurs in the Senate proposal of amendment with further amendment thereto as follows:

First: In Sec. 3, school facilities inventory and conditions assessment; Agency of Education; Department of Buildings and General Services; report, in subsection (a), by striking out “coordination” and inserting in lieu thereof “consultation”

Second: In Sec. 10, State Energy Management Program; financing for schools, by striking out “coordination” and inserting in lieu thereof “consultation”

Third: In Sec. 12, radon testing; school facilities; Department of Health, in the title, by striking out “; Department of Health”; by striking out subsection (a) in its entirety and inserting in lieu thereof the following:

(a) On or before June 30, 2023, each public school and approved independent school, as defined in 16 V.S.A. § 11, shall perform a radon measurement in accordance with the ANSI/AARST protocol for conducting Radon and Radon Decay Products in Schools and Large Buildings (MALB-2014) on any facility that has not had a test completed in five or more years; provided, however, that any public school or approved independent school that is engaged in implementing an indoor air quality improvement project prior to June 30, 2023 shall perform a radon measurement on or before June 30, 2024.

and in subsection (b), by inserting “and approved independent school” after “public school”
