

H.589

An act relating to reapportioning the initial districts of the House of Representatives

It is hereby enacted by the General Assembly of the State of Vermont:

Sec. 1. LEGISLATIVE FINDINGS; INTENT

(a) Legislative Findings. The General Assembly finds that:

(1) Pursuant to 17 V.S.A. § 1903, the State uses the U.S. decennial census data to reapportion the House of Representatives and the Senate.

(2) The U.S. Census Bureau delayed its release of the Vermont redistricting dataset of the 2020 United States decennial census by approximately five months in 2021, which resulted in significant delays in the start of the State's reapportionment process.

(3) In recognition of the Legislative Apportionment Board's inability to meet the August 15, 2021 reapportionment submission deadline imposed pursuant to 17 V.S.A. §§ 1905, 1906, and 1907 because of the delayed dataset release, in 2021 Acts and Resolves No. 11 the General Assembly authorized the Legislative Apportionment Board to submit its final proposals for the reapportionment of the House and the Senate not later than 90 days from the date of the U.S. Census Bureau released the Vermont redistricting dataset of the 2020 United States decennial census.

(4) The Legislative Apportionment Board submitted its final House proposal to the Clerk of the House on November 30, 2021, significantly later than the customary submission date of August 15 in prior reapportionment cycles. The Chair of the Legislative Apportionment Board presented to the House Committee on Government Operations on December 8, 2021, regarding the Board's work on the adopted House proposal and the alternate House proposal. The Legislative Apportionment Board did not finalize and approve its written report to the General Assembly regarding its adopted House proposal and alternate House proposal until January 5, 2022.

(5) In recent reapportionment cycles, the House committee of jurisdiction has held hearings throughout the State during the fall, after the submission of the Legislative Apportionment Board's final House proposal, to hear from cities and towns on both the Board's House proposal and on any other redistricting matters.

(6) Due to the U.S. Census Bureau's delayed release of the 2020 redistricting dataset, and the resulting delay for the Legislative Apportionment Board's work, the House Committee on Government Operations has not been able to complete its customary reapportionment work prior to the beginning of the legislative session.

(b) Intent. It is the intent of the General Assembly to propose the initial district plan described in this act to cities, towns, and boards of civil authority

as a starting point to receive testimony and feedback on the reapportionment of the House of Representatives. The initial district plan described in this act is not intended to describe any final district lines for the 2022 reapportionment of the House of Representatives. It is the intent of the General Assembly that the House Committee on Government Operations conduct public hearings, take testimony from boards of civil authority, and request feedback on district lines from cities and towns prior to the General Assembly's enactment of final district lines.

Sec. 2. REAPPORTIONMENT; INITIAL HOUSE DISTRICTS PLAN

(a) Notwithstanding any provision of law to the contrary, the House Committee on Government Operations shall send the multi-member districts reapportionment proposal submitted by the Legislative Apportionment Board to the Clerk of the House on January 6, 2022, and the all single-member districts reapportionment proposal submitted by the Legislative Apportionment Board to the Clerk of the House on November 30, 2021, to cities, towns, and boards of civil authority for purposes of taking testimony and requesting feedback on the reapportionment of the House of Representatives prior to the enactment of final districts.

(b) Notwithstanding 17 V.S.A. § 1893 or any other provision of law to the contrary, the following shall be the initial district reapportionment plan
