| 13 | § 3619. TIME-SHARE PROJECTS  |
| 14 | (a) As used in this section, a time-share project means a project involving      |
| 15 | real property containing time-share estates. A "time-share estate" is a right to |
| 16 | occupy a unit or any of several units in a time-share project during separated   |
| 17 | time periods coupled with a freehold estate or an estate for years in a time-    |
| 18 | share property or a specified portion thereof.                                   |
| 19 | (b) With respect to property taxes, both real and personal, on time-share        |
| 20 | projects, each property owner of a time-share estate shall be liable for the     |

| payment thereof to the town. However, the owners' association, corporation,        |
|--|
| or whatever entity is authorized by the project instruments to manage the          |
| common property, shall be the agent of the time-share estate owners for the        |
| payment of property taxes from the individual owners to the town. The town         |
| shall set in the grand list as real estate the units and common property of the    |
| project of which the time-share estates are a part and shall list the entire       |
| property to the association, corporation, or whatever entity is authorized by the  |
| project instruments to manage the common property, which entity assumes the        |
| rights and liabilities of any owner of property in the grand list. However, with   |
| respect to each other, each owner of a time-share estate shall be responsible      |
| only for a fraction of such assessments, property taxes, both real and personal,   |
| and charges proportionate to the magnitude of his or her the owners' undivided     |
| interest in the fee to the whole estate of which he or she the owner is a part, as |
| covered in the association's, corporation's, or entity's bylaws or other project   |
| instruments.   |
