The House proposes to the Senate to amend the bill by striking all after the enacting clause and inserting in lieu thereof the following:

Sec. 1. SHORT TITLE

This act may be cited as the “Universal School Meals Act.”

* * * Findings * * *

Sec. 2. FINDINGS

The General Assembly finds that:

(1) According to the Vermont Agency of Education, an average of 38 percent of students across all supervisory unions during the 2019–2020 school year qualified for free or reduced-price lunch. The General Assembly recognizes that students need fresh and nutritional foods to enable them to focus on their education and that many students come to school hungry. Providing universal school meals offered at no cost to students or their families creates a necessary foundation for learning readiness during the school day.

(2) A 2021 study by the National Food Access and COVID Research Team found that in the first year of the pandemic, nearly one-third of people in Vermont faced hunger, and families with children were five times more likely

to face hunger. Food insecurity rates remained above pre-pandemic levels a year after the start of the pandemic.

(3) In a 2019 research report, the Urban Institute found that up to 42 percent of children living in food-insecure homes may not be eligible for free or reduced-price school meals.

(4) In 2016, the Center for Rural Studies at the University of Vermont partnered with the Vermont Farm to School Network to measure the economic contribution and impacts of Farm to School in Vermont. The final report found that school meal programs support a vibrant agricultural economy with every \$1.00 spent on local food in schools contributing \$1.60 to the Vermont economy.

(5) A study conducted by researchers at the University of Vermont and Hunger Free Vermont, and published in the Journal of Hunger and Environmental Nutrition, found that universal school meals programs in Vermont were associated with, among other benefits, improved overall school climate as a result of financial differences being less visible and improved readiness to learn among students overall.

Sec. 3. UNIVERSAL MEALS

(a) Notwithstanding provision. The provisions of this section shall apply notwithstanding any provision of law to the contrary.

(b) Definition. As used in this section, “approved independent school” means an approved independent school physically located in Vermont.

(c) Universal food program.

(1) In addition to the requirements of 16 V.S.A. § 1264(a)(1) (food program), each school board operating a public school shall cause to operate within each school in the school district the same school breakfast and school lunch program made available to students who qualify for those meals under the National Child Nutrition Act and the National School Lunch Act, as amended, for each attending student every school day at no charge. An approved independent school located in Vermont may operate the same school lunch and the same school breakfast program made available to students who qualify for those meals under the National Child Nutrition Act and the National School Lunch Act, each as amended, to each student attending on public tuition every school day at no charge.

(2) In operating its school breakfast and lunch program, a school district and an approved independent school shall seek to achieve the highest level of student participation, which may include any or all of the following:

(A) providing breakfast meals that can be picked up by students;

(B) making breakfast available to students in classrooms after the start of the school day; and

(C) for school districts, collaborating with the school's wellness community advisory council, as established under subsection 136(e) of this title, in planning school meals.

(3) A school district and an approved independent school shall count time spent by students consuming school meals during class as instructional time.

(d) Award of Grants.

(1) Public schools. From State funds appropriated to the Agency for this subsection, the Agency shall reimburse each school district that made available both school breakfast and lunch to students at no charge under subsection (c) of this section for the cost of each meal actually provided in the district during the previous quarter that qualifies as a paid breakfast or paid lunch under the federal school breakfast and federal school lunch programs. Reimbursement from State funds shall be available only to districts that maximize access to federal funds for the cost of the school breakfast and lunch program by participating in the Community Eligibility Provision or Provision 2 of these programs, or any other federal provision that in the opinion of the Agency draws down the most possible federal funding for meals served in that program.

(2) Approved independent schools.

(A) Subject to subdivision (B) of this subsection (2), from State funds appropriated to the Agency for this subsection (d), the Agency shall reimburse each approved independent school that made available both school breakfast and lunch to students attending on public tuition at no charge under subsection (c) of this section for the cost of each meal actually provided by the approved independent school to those students during the previous quarter that qualifies as a paid breakfast or paid lunch under the federal school breakfast and federal school lunch programs.

(B) An approved independent school is eligible for reimbursement under this subsection (d) only if it operates a food program that makes available a school lunch, as provided in the National School Lunch Act as amended, and a school breakfast, as provided in the National Child Nutrition Act as amended, to each attending student who qualifies for those meals under these Acts every school day.

(C) Reimbursement from State funds shall be available only to approved independent schools that maximize access to federal funds for the cost of the school breakfast and lunch program by participating in the Community Eligibility Provision or Provision 2 of these programs, or any other federal provision that in the opinion of the Agency draws down the most possible federal funding for meals served in that program.

(3) Reimbursement amounts for public schools and approved independent schools. The reimbursement amount for breakfast shall be a sum equal to the federal reimbursement rate for a free school breakfast less the federal reimbursement rate for a paid school breakfast, using rates identified annually by the Agency of Education from payment levels established annually by the U.S. Department of Agriculture. The reimbursement amount for lunch shall be a sum equal to the federal reimbursement rate for a free school lunch less the federal reimbursement rate for a paid school lunch, using rates identified annually by the Agency of Education from payment levels established annually by the U.S. Department of Agriculture.

(e) Notwithstanding any provision of law to the contrary, 16 V.S.A. § 1265 shall not apply to school year 2022–2023.

(f) The Agency of Education may use the universal income declaration form to collect the household income information necessary for the implementation of a universal meals program.

Sec. 4. REPEAL

Sec. 3 of this act is repealed on July 1, 2023.

Sec. 5. APPROPRIATION; UNIVERSAL MEALS

Notwithstanding 16 V.S.A. § 4025(d) and any other provision of law to the contrary, the sum of \$29,000,000.00 is appropriated from the Education Fund

to the Agency of Education for fiscal year 2023 to provide reimbursement for school meals under Sec. 3 this act.
