REVIEW

Notwithstanding 1 V.S.A. § 317(e), the Public Records Act exemption amended in Sec. 1 of this act shall continue in effect and shall not be reviewed for repeal.

Sec. 3. 33 V.S.A. § 5117 is amended to read:

§ 5117. RECORDS OF JUVENILE JUDICIAL PROCEEDINGS

Unless a charge of delinquency is transferred for criminal prosecution under chapter 52 of this title or the court otherwise orders in the interests of the child, such records and files shall not be open to public inspection nor their contents disclosed to the public by any person. However, upon a finding that a child is a delinquent child by reason of commission of a delinquent act that would have been a felony if committed by an adult, the court, upon request of the victim, shall make the child's name available to the victim of the delinquent act. If the victim is incompetent or deceased, the child's name shall be released, upon request, to the victim's guardian or next of kin.
