2 Introduced by Committee on Finance

3 Date: March 15, 2022

4 Subject: Education; student equity; pupil weighting

5 Statement of purpose of bill as introduced: This bill proposes to: (1) improve
6 student equity by adjusting and adding pupil weights beginning in fiscal year
7 2024 with a five-year transition period; (2) create the Education Fund
8 Advisory Committee to monitor Vermont's education financing system,
9 conduct analyses, recalculate and recalibrate the pupil weights and categorical
10 aid amounts as necessary, and make annual recommendations reporting its
11 findings to the General Assembly; (3) add six Agency of Education staff
12 positions to support school districts in the provision of English Language
13 Learner services, to support school food programs and the development of the
14 universal income declaration form, and to provide financial and data support to
15 the Agency and the Education Fund Advisory Committee; and (4) require that
16 the State Auditor conduct a performance audit, conducted under Generally
17 Accepted Government Auditing Standards, that identifies the successes and
18 failures of the implementation of this act.

1 An act relating to improving student equity by adjusting the school funding
2 formula and providing education quality and funding oversight

3 It is hereby enacted by the General Assembly of the State of Vermont:

4 ~~*** Findings and Goals ***~~

5 Sec. 1. FINDINGS

6 (a) The Vermont Supreme Court, in *Brigham v. State*, 166 Vt. 246 (1997),
7 held that education in Vermont is “a constitutionally mandated right” and that
8 to “keep a democracy competitive and thriving, students must be afforded
9 equal access to all that our educational system has to offer.” Therefore, the
10 Court held that in order to “fulfill its constitutional obligation the [S]tate must
11 ensure substantial equality of educational opportunity throughout Vermont.”

12 (b) The General Assembly reflected this holding in statute, 16 V.S.A. § 1,
13 stating that “the right to education is fundamental for the success of Vermont’s
14 children in a rapidly changing society and global marketplace as well as for the
15 State’s own economic and social prosperity. To keep Vermont’s democracy
16 competitive and thriving, Vermont students must be afforded substantially
17 equal access to a quality basic education...it is the policy of the State that all
18 Vermont children will be afforded educational opportunities that are
19 substantially equal although educational programs may vary from district to
20 district.”

21 (c) Students come to school with dissimilar learning needs and
22 socioeconomic backgrounds that may require different types and levels of

1 ~~educational support for them to achieve common standards or outcomes.~~

2 Similarly, schools in different contexts may also require different levels of
3 resources due to their scale of operations or the price they must pay for key
4 resources. Therefore, school districts with similar education property tax rates
5 may achieve significantly different student outcomes.

6 (d) 2018 Acts and Resolves No. 173, Sec. 11 directed the Agency of
7 Education to study the efficacy of the current pupil weighting factors, which
8 are used in Vermont's school funding formula to provide equitable tax capacity
9 to local school districts for spending on various student needs, and to consider
10 whether increased or additional weighting factors should be included in the
11 equalized pupil count.

12 (e) On December 24, 2019, the Agency issued its Pupil Weighting Factors
13 Report, which was produced by a University of Vermont-Rutgers University
14 team of researchers. The Report found that neither the cost factors
15 incorporated in the weighing formula nor the values of the current weights
16 reflect contemporary educational circumstances and costs and that stakeholders
17 viewed the existing approach as "outdated." The Report found that values for
18 the existing weights have weak ties, if any, with evidence describing
19 differences in the costs for educating students with disparate needs or
20 operating schools in different contexts and recommended that the General

1 ~~Assembly increase certain existing weights and add certain new weighting~~
2 ~~factors.~~

3 ~~(f) 2021 Acts and Resolves No. 59 created the Task Force on the~~
4 ~~Implementation of the Pupil Weighting Factors Report composed of eight~~
5 ~~members of the General Assembly, four Senators and four Representatives, to~~
6 ~~recommend to the General Assembly an action plan and proposed legislation~~
7 ~~to ensure that all public school students have equitable access to educational~~
8 ~~opportunities, taking into account the Weighting Report. The Task Force~~
9 ~~unanimously recommended two systemic change options and a series of~~
10 ~~related provisions for either updating the weights or adopting a cost equity~~
11 ~~payment approach to providing direct aid to school districts as set out in its~~
12 ~~“Report Prepared in Accordance with Act No. 59 of the 2021 Legislative~~
13 ~~Session” dated December 17, 2021.~~

14 Sec. 2. GOALS

15 ~~By enacting this legislation, the General Assembly intends to fulfill~~
16 ~~Vermont’s constitutional mandate to ensure that all students receive substantial~~
17 ~~equality of educational opportunity throughout the State. The legislation is~~
18 ~~designed to:~~

19 ~~(1) increase educational equity by ensuring that the financial resources~~
20 ~~available to local school districts for educating students living in poverty,~~
21 ~~students with English language learning needs, students in small rural schools,~~

1 ~~students in sparsely populated school districts, and students in middle and high~~
2 ~~schools are sufficient to meet the cost of educating these students;~~

3 ~~(2) improve educational outcomes of students in the circumstances and~~
4 ~~categories identified under subdivision (1) of this subsection by ensuring that~~
5 ~~financial resources tied to the cost of educating these students are available to~~
6 ~~local school districts.~~

7 ~~(3) improve transparency in the distribution of financial resources to~~
8 ~~school districts by simplifying the school funding formula and better tying~~
9 ~~educational expenditures to student needs;~~

10 ~~(4) enhance educational and financial accountability by ensuring that~~
11 ~~equitable resources are budgeted and expended for the education of students in~~
12 ~~these circumstances or categories and that regular evaluation mechanisms are~~
13 ~~utilized to assess educational equity and outcomes, and~~

14 ~~(5) improve oversight of Vermont's kindergarten-grade 12 public~~
15 ~~education funding system by creating a new advisory body with expertise to~~
16 ~~monitor and recommend improvements to the system.~~

17 * * * Determination of Weighted Membership * * *

18 Sec. 3. 16 V.S.A. § 4001(7) is amended to read:

19 (7) "Long-term membership" of a school district in any school year
20 means the

1 ~~(A) mean average of the district's average daily membership,~~
2 excluding full-time equivalent enrollment of State-placed students, over two
3 school years, the latter of which is the current school year; provided that
4 students enrolled in a small school shall be counted using the average two-year
5 enrollment calculation under subdivision 4010(a)(5)(B) of this title; plus

6 (B) full-time equivalent enrollment of State-placed students for the
7 most recent of the two years.

8 Sec. 4. 16 V.S.A. § 4001(8) is amended to read:

9 (8) "Poverty ratio" means the number of persons in the school
10 district who are aged six through 17 years of age and who are from
11 economically deprived backgrounds, divided by the long-term membership of
12 the school district. A "person from an economically deprived economically
13 deprived background" means a person who resides with a family unit receiving
14 nutrition benefits is eligible for free or reduced-price lunch under the National
15 School Lunch Act, 42 U.S.C. § 1751 et seq., and in the Child Nutrition Act, 42
16 U.S.C. § 1771 et seq., each as amended. A person who ~~does not reside with a~~
17 ~~family unit receiving nutrition benefits is not eligible for free or reduced-price~~
18 ~~lunch~~ but for whom English is not the primary language shall also be counted
19 in the numerator of the ratio. ~~The Secretary shall use a method of measuring~~
20 ~~the nutrition benefits population that produces data reasonably representative~~

1 ~~of long-term trends. Persons for whom English is not the primary language~~
2 shall be identified pursuant to subsection 4010(e) of this title.

3 Sec. 4a. 16 V.S.A. § 4001(8) is amended to read:

4 (8) ~~“Poverty ratio” means the number of persons in the school district~~
5 ~~who are six through 17 years of age and who are from economically deprived~~
6 ~~backgrounds, divided by the long-term membership of the school district. A~~
7 ~~“person from an economically deprived background” means a person who is~~
8 ~~eligible for free or reduced-price lunch under the National School Lunch Act,~~
9 ~~42 U.S.C. § 1751 et seq., and in the Child Nutrition Act, 42 U.S.C. § 1771 et~~
10 ~~seq., each as amended. A person who is not eligible for free or reduced-price~~
11 ~~lunch but for whom English is not the primary language shall also be counted~~
12 ~~in the numerator of the ratio. Persons for whom English is not the primary~~
13 ~~language shall be identified pursuant to subsection 4010(e) of this title. “Pupil~~
14 ~~from an economically deprived background” means a pupil whose family~~
15 ~~income, as determined under the universal income declaration form developed~~
16 ~~and maintained by the Agency of Education, is 185 percent or less of the~~
17 ~~current year Federal Poverty Level.~~

18 Sec. 5. UNIVERSAL INCOME DECLARATION FORM

19 ~~(a) It is the intention of the General Assembly that, beginning with the~~
20 ~~2023–24 school year and thereafter, the determination of whether a pupil is~~
21 ~~from an economically deprived background be changed from eligibility for~~

1 ~~free or reduced-price school meals to eligibility based upon family income of~~
2 185 percent or less of the current year Federal Poverty Level, with data
3 collected from a universal income declaration form.

4 (b) A universal income declaration form is used by some other states and
5 school districts in Vermont with universal school meals programs to collect
6 household size and income information that was previously collected using the
7 Free and Reduced-Price Meal Application. A universal income declaration
8 form is used to collect income bracket information from all families, reducing
9 stigma and resulting in the collection of more accurate pupil eligibility counts
10 throughout a school district.

11 (c) On or before October 1, 2022, the Agency of Education shall convene a
12 working group that includes school staff and hunger and nutrition experts to
13 develop the universal income declaration form that shall be fully accessible to
14 all Vermont families. The new form shall be implemented statewide for the
15 2023–24 school year. Until that form is implemented, school districts shall
16 continue to determine whether a pupil is from an economically deprived
17 background using eligibility for free or reduced-price school meals.

18 Sec. 6. 16 V.S.A. § 4010 is amended to read:

19 § 4010. DETERMINATION OF WEIGHTED MEMBERSHIP

20 ~~(a) Determination of average daily membership and subgroup lists.~~

1 ~~(1) On or before the first day of December during each school year, the~~
2 Secretary shall determine the average daily membership, as defined in
3 subdivision 4001(1) of this title, of each school district for the current school
4 year. The determination shall list separately:

5 ~~(1)(A) resident prekindergarten children pupils in prekindergarten;~~

6 ~~(2)(B) resident students being provided elementary or kindergarten~~
7 education pupils in kindergarten through grade five; and

8 ~~(3)(C) resident students being provided secondary education pupils in~~
9 grades six through eight; and

10 (D) resident pupils in grades nine through 12.

11 ~~(2) On or before the first day of December during each school year, the~~
12 Secretary shall identify resident pupils from economically deprived
13 backgrounds, as defined in subdivision 4001(8) of this title, in each school
14 district for the current school year.

15 ~~(3) On or before the first day of December during each school year, the~~
16 Secretary shall identify resident pupils who are English Language learners, as
17 defined in section 4013 of this title, in each school district for the current
18 school year.

19 ~~(4)(A) On or before the first day of December during each school year,~~
20 the Secretary shall list all school districts that have a population density,

1 ~~measured by the number of persons per square mile residing within the~~
2 ~~geographic boundaries of the district as of July 1 of that year, equaling:~~

3 ~~(i) fewer than 36 persons per square mile;~~

4 ~~(ii) 36 to 54 persons per square mile; or~~

5 ~~(iii) 55 to 100 persons per square mile.~~

6 ~~(B) Population density data shall be based on the most recent U.S.~~
7 ~~Census data as provided to the Agency of Education by the Vermont Center for~~
8 ~~Geographic Information.~~

9 ~~(C) Using enrollment data determined as of October 1 of that year,~~
10 ~~list for each school district that has low population density the number of~~
11 ~~pupils in each of subdivisions (A)(i)–(iii) of this subdivision (4).~~

12 ~~(5)(A) On or before the first day of December during each school year,~~
13 ~~the Secretary shall list all school districts that have one or more schools that~~
14 ~~have an average two-year enrollment of:~~

15 ~~(i) fewer than 100 enrolled pupils; or~~

16 ~~(ii) 100 to 250 enrolled pupils.~~

17 ~~(B) As used in this subdivision (5) and in subdivision (c)(5) of this~~
18 ~~section, “average two-year enrollment” means the average enrollment of the~~
19 ~~two most recently completed school years, and “enrollment” means the~~
20 ~~number of pupils who are enrolled in a school operated by the district on~~

1 ~~October 1. A pupil shall be counted as one whether the pupil is enrolled as a~~
2 ~~full-time or part-time student.~~

3 ~~(C) Using average two-year enrollment, list for each school district~~
4 ~~that has a small school the number of pupils in each of subdivisions (A)(i)–(ii)~~
5 ~~of this subdivision (5).~~

6 ~~(b) Determination of long-term membership. The Secretary shall~~
7 ~~determine the long-term membership, as defined in subdivision 4001(7) of this~~
8 ~~title, for each school district for each student pupil group described in~~
9 ~~subsection (a) of this section. The Secretary shall use the actual average daily~~
10 ~~membership over two consecutive years, the latter of which is the current~~
11 ~~school year.~~

12 ~~(c) Determination of weighted long-term membership. The Secretary shall~~
13 ~~determine the weighted long-term membership, as defined in subdivision~~
14 ~~4001(12) of this title, for each school district using the long-term membership~~
15 ~~from subsection (b) of this section and the following weights for each class:~~

16 ~~Prekindergarten 0.46~~

17 ~~Elementary or kindergarten 1.0~~

18 ~~Secondary 1.13.~~

19 ~~(1) The Secretary shall first apply grade level weights. Each pupil~~
20 ~~included in long-term membership from subsection (b) of this section shall~~
21 ~~count as one, multiplied by the following amounts.~~

1 (A) prekindergarten—negative 0.54;

2 (B) grades six through eight—0.36; and

3 (C) grades nine through 12—0.39.

4 (2) The Secretary shall next apply a weight for pupils from
5 economically deprived backgrounds. Each pupil included in long-term
6 membership from subsection (b) of this section shall receive an additional
7 weighting amount of 1.03.

8 (3) The Secretary shall next apply a weight for ELL pupils. Each ELL
9 pupil included in long-term membership from subsection (b) of this section
10 shall receive an additional weighting amount of 2.49.

11 (4) The Secretary shall then apply a weight for pupils living in low
12 population density school districts. Each pupil included in long-term
13 membership from subsection (b) of this section residing in a low population
14 density school district shall receive an additional weighting amount of:

15 (A) 0.15, where the number of persons per square mile in the school
16 district is 35 or fewer;

17 (B) 0.12, where the number of persons per square mile in the school
18 district is 36 or more but fewer than 56; or

19 (C) 0.07, where the number of persons per square mile in the school
20 district is 56 or more but fewer than 101.

1 ~~(5) The Secretary shall lastly apply a weight for pupils who attend a~~
2 small school. If the number of persons per square mile in a school district is
3 55 or fewer and the school district has a school with an average two-year
4 enrollment of:

5 (A) fewer than 100 pupils, then the school district shall receive an
6 additional weighting amount of 0.21 for each pupil included in the small
7 school's average two-year enrollment; or

8 (B) 100 or more but fewer than 251 pupils, then the school district
9 shall receive an additional weighting amount of 0.07 for each pupil included in
10 the small school's average two-year enrollment.

11 (6) A school district's weighted long-term membership shall equal long-
12 term membership as determined under subsection (b) of this section plus the
13 cumulation of the weights assigned by the Secretary under this subsection.

14 ~~(d) The weighted long-term membership calculated under subsection (c) of~~
15 ~~this section shall be increased for each school district to compensate for~~
16 ~~additional costs imposed by students from economically deprived~~
17 ~~backgrounds. The adjustment shall be equal to the total from subsection (c) of~~
18 ~~this section, multiplied by 25 percent, and further multiplied by the poverty~~
19 ~~ratio of the district. [Repealed.]~~

1 ~~(e) The weighted long term membership calculated under subsection (c) of~~
2 ~~this section shall be further increased by 0.2 for each student in average daily~~
3 ~~membership for whom English is not the primary language. [Repealed.]~~

4 (f) Hold harmless. For purposes of determining weighted membership
5 under this section, a district's equalized pupils shall in no case be less than
6 96 and one-half percent of the actual number of equalized pupils in the district
7 in the previous year, prior to making any adjustment under this section.

8 (g) Guidelines. The Secretary shall develop guidelines to enable clear and
9 consistent identification of ~~students~~ pupils to be counted under this section.

10 (h) Determination of equalized pupils. On December 1 each year, the
11 Secretary shall determine the equalized pupil count for the next fiscal year for
12 district review. The Secretary shall make any necessary corrections on or
13 before December 15, on which date the count shall become final for that year.

14 (i) ~~The Secretary shall evaluate the accuracy of the weights established in~~
15 ~~subsection (c) of this section and, at the beginning of each biennium, shall~~
16 ~~propose to the House and Senate Committees on Education whether the~~
17 ~~weights should stay the same or be adjusted. The provisions of 2 V.S.A.~~
18 ~~§ 20(d) (expiration of required reports) shall not apply to the report to be made~~
19 ~~under this subsection. Updates to the weighting factors. It is the intention of~~
20 ~~the General Assembly to consider whether and how to update the weighting~~
21 ~~factors under subsection (c) of this section not less than every five years and, if~~

1 ~~they are updated, the implementation date for the updated weights be delayed~~
2 by a year in order to provide school districts with time to prepare their
3 budgets. Updates to the weighting factors may include recalibration,
4 recalculation, adding or eliminating weights, or any combination of these
5 actions.

6 Sec. 6a. 16 V.S.A. § 4010 is amended to read:

7 § 4010. DETERMINATION OF WEIGHTED MEMBERSHIP

8 * * *

9 (h) Determination of equalized pupils. On December 1 each year, the
10 Secretary shall determine the equalized pupil count for the next fiscal year for
11 district review. This equalized pupil count shall equal the average of the
12 equalized pupil count for the year of calculation with the equalized pupil
13 counts for the preceding two fiscal years. The Secretary shall make any
14 necessary corrections on or before December 15, on which date the count shall
15 become final for that year.

17 Sec. 6b. PROSPECTIVE AND CONDITIONAL REPEALS

18 If, on or before July 1, 2027, the General Assembly has not revised the
19 weighting factors under 16 V.S.A. § 4010 to reflect changes in cost factors
20 from which the weights are derived after receiving a recommendation of the

1 ~~Education Fund Advisory Committee created under Sec. 15 of this act to do~~

2 so, then:

3 (1) 16 V.S.A. § 4010 is repealed on July 1, 2027; and

4 (2) Sec. 6a of this act is repealed on July 1, 2027.

7 ~~(ii) the academic excellence and operational efficiency of the~~
8 ~~school, which shall be based upon consideration of:~~

**** Findings and Goals ****

Sec. 1. FINDINGS

(a) The Vermont Supreme Court, in Brigham v. State, 166 Vt. 246 (1997), held that education in Vermont is “a constitutionally mandated right” and that to “keep a democracy competitive and thriving, students must be afforded equal access to all that our educational system has to offer.” Therefore, the Court held that in order to “fulfill its constitutional obligation the [S]tate must ensure substantial equality of educational opportunity throughout Vermont.”

(b) The General Assembly reflected this holding in statute, 16 V.S.A. § 1, stating that “the right to education is fundamental for the success of Vermont’s children in a rapidly-changing society and global marketplace as well as for the State’s own economic and social prosperity. To keep Vermont’s democracy competitive and thriving, Vermont students must be afforded substantially equal access to a quality basic education...it is the policy of the State that all Vermont children will be afforded educational opportunities that are substantially equal although educational programs may vary from district to district.”

(c) Students come to school with needs that may require different types and levels of educational support for them to achieve common standards or outcomes. Similarly, schools may also require different levels of resources. Therefore, school districts with similar education property tax rates may achieve significantly different student outcomes.

(d) 2018 Acts and Resolves No. 173, Sec. 11 directed the Agency of Education to study the efficacy of the current pupil weights, which are used in Vermont's school funding formula to provide equitable tax capacity to local school districts for spending on various student needs, and to consider whether increased or additional weights should be included in the equalized pupil count.

(e) On December 24, 2019, the Agency issued its Pupil Weighting Factors Report, which was produced by a University of Vermont-Rutgers University team of researchers. The Report found that neither the cost factors incorporated in the weighting formula nor the values of the current weights reflect contemporary educational circumstances and costs and that stakeholders viewed the existing approach as "outdated." The Report found that values for the existing weights have weak ties, if any, with evidence describing differences in the costs for educating students with disparate needs or operating schools in different contexts and recommended that the General Assembly increase certain existing weights and add certain new weights.

(f) 2021 Acts and Resolves No. 59 created the Task Force on the Implementation of the Pupil Weighting Factors Report composed of eight members of the General Assembly, four Senators and four Representatives, to recommend to the General Assembly an action plan and proposed legislation to ensure that all public school students have equitable access to educational opportunities, taking into account the Weighting Report. The Task Force unanimously recommended two systemic change options and a series of related provisions for either updating the weights or adopting a cost adjustment approach to providing direct aid to school districts as set out in its "Report Prepared in Accordance with Act No. 59 of the 2021 Legislative Session" dated December 17, 2021.

(g) Under current law, 16 V.S.A. § 4010, a weight of 0.46 is applied to a student enrolled in a prekindergarten program. The Pupil Weighting Factors Report did not review whether this weight reflected the actual cost of providing prekindergarten educational services because that review was not within the scope of the authors' mandate. That review is now being undertaken pursuant to 2021 Acts and Resolves No. 45. Therefore, although the 0.46 prekindergarten weight is in current law, its status should be viewed as transitional pending the outcome of this review.

Sec. 2. GOALS

By enacting this legislation, the General Assembly intends to fulfill Vermont's constitutional mandate to ensure that all students receive substantial equality of educational opportunity throughout the State. The legislation is designed to:

(1) increase educational equity by ensuring that the financial resources available to local school districts for educating students living in poverty, English learners, students in small rural schools, students in sparsely populated school districts, and students in middle and high schools are sufficient to meet the cost of educating these students;

(2) improve educational outcomes of publicly funded students throughout Vermont;

(3) improve transparency in the distribution of financial resources to school districts by simplifying the school funding formula and better tying educational expenditures to student needs; and

(4) enhance educational and financial accountability by ensuring that equitable resources are budgeted and expended for the education of students in these circumstances or categories and that regular evaluation mechanisms are utilized to assess educational equity and outcomes.

** * * Updated Weights; Implementation * * **

Sec. 3. INTENT OF ACT

This act updates and adds new pupil weights for fiscal year 2025 and thereafter. Because this change will affect homestead property tax rates, this act limits the degree to which these rates can increase over fiscal years 2025–2029.

Sec. 4. 16 V.S.A. § 4010 is amended to read:

§ 4010. DETERMINATION OF WEIGHTED LONG-TERM MEMBERSHIP AND PER PUPIL EDUCATION SPENDING

~~*(a) On or before the first day of December during each school year, the Secretary shall determine the average daily membership of each school district for the current school year. The determination shall list separately:*~~

~~*(1) resident prekindergarten children;*~~

~~*(2) resident students being provided elementary or kindergarten education; and*~~

~~*(3) resident students being provided secondary education.*~~

~~(b) The Secretary shall determine the long-term membership for each school district for each student group described in subsection (a) of this section. The Secretary shall use the actual average daily membership over two consecutive years, the latter of which is the current school year.~~

~~(c) The Secretary shall determine the weighted long-term membership for each school district using the long-term membership from subsection (b) of this section and the following weights for each class:~~

~~Prekindergarten 0.46~~

~~Elementary or kindergarten 1.0~~

~~Secondary 1.13~~

~~(d) The weighted long-term membership calculated under subsection (c) of this section shall be increased for each school district to compensate for additional costs imposed by students from economically deprived backgrounds. The adjustment shall be equal to the total from subsection (c) of this section, multiplied by 25 percent, and further multiplied by the poverty ratio of the district.~~

~~(e) The weighted long-term membership calculated under subsection (c) of this section shall be further increased by 0.2 for each student in average daily membership for whom English is not the primary language.~~

~~(f) For purposes of determining weighted membership under this section, a district's equalized pupils shall in no case be less than 96 and one-half percent of the actual number of equalized pupils in the district in the previous year, prior to making any adjustment under this section.~~

~~(g) The Secretary shall develop guidelines to enable clear and consistent identification of students to be counted under this section.~~

~~(h) On December 1 each year, the Secretary shall determine the equalized pupil count for the next fiscal year for district review. The Secretary shall make any necessary corrections on or before December 15, on which date the count shall become final for that year.~~

~~(i) The Secretary shall evaluate the accuracy of the weights established in subsection (c) of this section and, at the beginning of each biennium, shall propose to the House and Senate Committees on Education whether the weights should stay the same or be adjusted. The provisions of 2 V.S.A. § 20(d) (expiration of required reports) shall not apply to the report to be made under this subsection.~~

~~(a) Definitions. As used in this section:~~

~~(1) "EL pupils" means pupils described under section 4013 of this title.~~

(2) "FPL" means the Federal Poverty Level.

(3) "Weighting categories" means the categories listed under subsection (b) of this section.

(b) Determination of average daily membership and weighting categories. On or before the first day of December during each school year, the Secretary shall determine the average daily membership, as defined in subdivision 4001(1) of this title, of each school district for the current school year and shall perform the following tasks.

(1) Using average daily membership, list for each school district the number of:

(A) pupils in prekindergarten;

(B) pupils in kindergarten through grade five;

(C) pupils in grades six through eight;

(D) pupils in grades nine through 12;

(E) pupils whose families are at or below 185 percent of FPL, using the highest number of pupils in the district:

(i) that meet this definition under the universal income declaration form; or

(ii) who are directly certified for free and reduced-priced meals;
and

(F) EL pupils.

(2)(A) Identify all school districts that have low population density, measured by the number of persons per square mile residing within the land area of the geographic boundaries of the district as of July 1 of the year of determination, equaling:

(i) fewer than 36 persons per square mile;

(ii) 36 or more persons per square mile but fewer than 55 persons per square mile; or

(iii) 55 or more persons per square mile but fewer than 100 persons per square mile.

(B) Population density data shall be based on the best available U.S. Census data as provided to the Agency of Education by the Vermont Center for Geographic Information.

(C) Using average daily membership, list for each school district that has low population density the number of pupils in each of subdivisions (A)(i)–(iii) of this subdivision (2).

(3)(A) Identify all school districts that have one or more small schools, which are schools that have an average two-year enrollment of:

(i) fewer than 100 pupils; or

(ii) 100 or more pupils but fewer than 250 pupils.

(B) As used in subdivision (A) of this subdivision (3), “average two-year enrollment” means the average enrollment of the two most recently completed school years, and “enrollment” means the number of pupils who are enrolled in a school operated by the district on October 1. A pupil shall be counted as one whether the pupil is enrolled as a full-time or part-time student.

(C) Using average two-year enrollment, list for each school district that has a small school the number of pupils in each of subdivisions (A)(i)–(ii) of this subdivision (3).

(c) Reporting on weighting categories to the Agency of Education. Each school district shall annually report to the Agency of Education by a date established by the Agency the information needed in order for the Agency to compute the weighting categories under subsection (b) of this section for that district. In order to fulfill this obligation, a school district that pays public tuition on behalf of a resident student (sending district) to a public school in another school district, an approved independent school, or an out-of-state school (each a receiving school) may request the receiving school to collect this information on the sending district’s resident student, and if requested, the receiving school shall provide this information to the sending district in a timely manner.

(d) Determination of weighted long-term membership. For each weighting category except the small schools weighting category under subdivision (b)(3) of this section, the Secretary shall compute the weighting count by using the long-term membership, as defined in subdivision 4001(7) of this title, in that category.

(1) The Secretary shall first apply grade level weights. Each pupil included in long-term membership from subsection (b) of this section shall count as one, multiplied by the following amounts:

(A) prekindergarten—negative 0.54;

(B) grades six through eight—0.36; and

(C) grades nine through 12—0.39.

(2) The Secretary shall next apply a weight for pupils whose family is at or below 185 percent of FPL. Each pupil included in long-term membership whose family is at or below 185 percent of FPL shall receive an additional weighting amount of 1.03.

(3) The Secretary shall next apply a weight for EL pupils. Each EL pupil included in long-term membership shall receive an additional weighting amount of 2.49.

(4) The Secretary shall then apply a weight for pupils living in low population density school districts. Each pupil included in long-term membership residing in a low population density school district, measured by the number of persons per square mile residing within the land area of the geographic boundaries of the district as of July 1 of the year of determination, shall receive an additional weighting amount of:

(A) 0.15, where the number of persons per square mile is fewer than 36 persons;

(B) 0.12, where the number of persons per square mile is 36 or more but fewer than 55 persons; or

(C) 0.07, where the number of persons per square mile is 55 or more but fewer than 100.

(5) The Secretary shall lastly apply a weight for pupils who attend a small school. If the number of persons per square mile residing within the land area of the geographic boundaries of a school district as of July 1 of the year of determination is 55 or fewer, then, for each pupil listed under subdivision (b)(3)(C) of this section (pupils who attend small schools):

(A) where the school has fewer than 100 pupils in average two-year enrollment, the school district shall receive an additional weighting amount of 0.21 for each pupil included in the small school's average two-year enrollment; or

(B) where the small school has 100 or more but fewer than 250 pupils, the school district shall receive an additional weighting amount of 0.07 for each pupil included in the small school's average two-year enrollment.

(6) A school district's weighted long-term membership shall equal long-term membership plus the cumulation of the weights assigned by the Secretary under this subsection.

(e) Hold harmless. A district's weighted long-term membership shall in no case be less than 96 and one-half percent of its actual weighted long-term membership the previous year prior to making any adjustment under this subsection.

(f) Determination of per pupil education spending. As soon as reasonably possible after a school district budget is approved by voters, the Secretary shall determine the per pupil education spending for the next fiscal year for the school district. Per pupil education spending shall equal a school district's education spending divided by its weighted long-term membership.

(g) Guidelines. The Secretary shall develop guidelines to enable clear and consistent identification of pupils to be counted under this section.

(h) Updates to weights. On or before January 1, 2027 and on or before January 1 of every fifth year thereafter, the Agency of Education and the Joint Fiscal Office shall calculate, based on their consensus view, updates to the weights to account for cost changes underlying those weights and shall issue a written report on their work to the House and Senate Committees on Education, the House Committee on Ways and Means, and the Senate Committee on Finance. The General Assembly shall update the weights under this section and transportation reimbursement under section 4016 of this title not less than every five years and the implementation date for the updated weights and transportation reimbursement shall be delayed by a year in order to provide school districts with time to prepare their budgets. Updates to the weights may include recalibration, recalculation, adding or eliminating weights, or any combination of these actions.

**Sec. 5. COLLABORATION BY THE AGENCY OF EDUCATION AND
JOINT FISCAL OFFICE**

The Agency of Education and the Joint Fiscal Office shall:

(1) on or before August 1, 2022, enter into a memorandum of understanding to share data, models, and other information that is needed to update the weights; and

(2) each host the statistical model used to provide modeling for the Weighting Report dated December 24, 2019 and for ensuing memos and ensure that this model is updated and maintained on both systems in parallel.

Sec. 6. VERMONT CENTER FOR GEOGRAPHIC INFORMATION

The Vermont Center for Geographic Information created under 3 V.S.A. § 2475 shall assist the Agency of Education in determining the number of persons per square mile residing within the land area of the geographic boundaries of each school district in the State.

**Sec. 7. CALCULATION OF TAX RATES; TAX RATE REVIEW;
FISCAL YEARS 2025–2029**

(a) Notwithstanding 16 V.S.A. chapter 133, 32 V.S.A. chapter 135, and any other provision of law to the contrary, if, in fiscal year 2025 when applying the

funding formula created under this act, a school district's homestead property tax rate increases by five percent or more over the school district's homestead property tax rate in fiscal year 2024, then the school district's homestead property tax rate shall be increased by not more than five percent over the prior fiscal year in each fiscal year for five fiscal years, from fiscal year 2025 through fiscal year 2029. In fiscal years 2026–2029, this subsection shall only apply if the school district's property tax rate increase was limited pursuant to this subsection in the prior fiscal year.

(b)(1) In order to determine which school districts shall be subject to a Tax Rate Review, the Secretary of Education shall calculate the fiscal year 2024 per pupil education spending of each school district subject to subsection (a) of this section as though the funding formula created under this act applied to fiscal year 2024. In fiscal year 2025, if a school district's per pupil education spending calculated using the funding formula created under this act increases by 10 percent or more over the school district's fiscal year 2024 per pupil education spending as calculated by the Secretary under this subsection, then the school district shall be subject to a Tax Rate Review. In fiscal years 2026–2029, if a school district's per pupil education spending calculated using the funding formula created under this act increases by 10 percent or more over the school district's prior fiscal year per pupil education spending, then the school district shall be subject to a Tax Rate Review. Upon request of the Secretary, a school district shall submit its budget to a Tax Rate Review to determine whether its increase in per pupil education spending was beyond the school district's control or for other good cause. In conducting the Review, the Secretary shall select three business managers and three superintendents to serve in an advisory role in the Review. The Review shall consider at least the following factors:

(A) the extent to which the increase in per pupil education spending is caused by declining enrollment in the school district; and

(B) the extent to which the increase in per pupil education spending is caused by increases in tuition paid by the school district.

(2) If, at the conclusion of the Review, the Secretary determines that the school district's budget contains excessive increases in per pupil education spending that are within the school district's control and are not supported by good cause, then the homestead property tax rate of the school district that would otherwise be increased by not more than five percent in each fiscal year pursuant to subsection (a) of this section shall be increased to the actual homestead property tax rate calculated pursuant to this act.

Sec. 8. SUSPENSION OF LAWS

(a) Suspension of excess spending penalty. Notwithstanding any provision of law to the contrary, the excess spending penalty under 16 V.S.A. § 4001(6)(B) and 32 V.S.A. § 5401(12) is suspended during fiscal years 2024–2029.

(b) Suspension of hold harmless provision. Notwithstanding any provision of law to the contrary, the hold harmless provision under 16 V.S.A. § 4010(e) is suspended during fiscal years 2025–2029.

(c) Suspension of ballot language requirement. Notwithstanding 16 V.S.A. § 563(11)(D), which requires specified language for a school budget ballot, this requirement is suspended during fiscal years 2025–2029.

* * * Universal Income Declaration Form * * *

Sec. 9. UNIVERSAL INCOME DECLARATION FORM

(a) It is the intention of the General Assembly that, beginning with the 2023–24 school year and thereafter, the determination of whether a pupil is from an economically deprived background be changed from qualification for nutrition benefits to eligibility based upon family income of 185 percent or less of the current year Federal Poverty Level, with data collected from a universal income declaration form.

(b) A universal income declaration form is used by some other states and school districts in Vermont with universal school meals programs to collect household size and income information. A universal income declaration form is used to collect income bracket information from all families, reducing stigma and resulting in the collection of more accurate pupil eligibility counts throughout a school district.

(c) On or before October 1, 2022, the Agency of Education shall convene a working group that includes school staff and hunger and nutrition experts to develop the universal income declaration form that shall be fully accessible to all Vermont families both in paper form and electronically. On or before July 1, 2023, the new form shall be implemented statewide for the 2023–24 school year and thereafter.

(d) The Agency of Education shall establish a process for verifying the accuracy of data collected through the universal income declaration form on a community level, which may include using other sources of income data available to the Agency, including census and direct certification for free and reduced-priced meals.

(e) The sum of \$200,000.00 is appropriated from the General Fund to the Agency of Education for fiscal year 2023 to fund operating expenses

associated with the creation of the electronic universal income declaration form.

~~(e) — In the event that a school or schools that have received a grant under this section merge in any year following receipt of a grant, and the consolidated school is not eligible for a grant under this section or the small school grant for the consolidated school is less than the total amount of grant aid the schools would have received if they had not combined, the consolidated school shall continue to receive a grant for three years following consolidation. The amount of the annual grant shall be:~~

~~(1) — in the first year following consolidation, an amount equal to the amount received by the school or schools in the last year of eligibility;~~

~~(2) — Payment of the grant under this subsection shall continue annually unless explicitly repealed by the General Assembly; provided, however, that the Secretary shall discontinue payment of the grant in the fiscal year following the cessation of operations of the school that made the district eligible for the small schools grant, and further provided that if the building that houses the school that made the district eligible for the small schools grant is consolidated with another school into a renovated or new school building, then the Secretary shall continue to pay the grant during the repayment term of any bonded indebtedness incurred in connection with the consolidation-related renovation or construction.~~

~~(3) — A school district that is eligible to receive an annual small schools grant under this subsection shall not also be eligible to receive a small school grant or its equivalent under subsection (b) of this section or under any other provision of law.~~

(a) A school district that was voluntarily formed under 2010 Acts and Resolves No. 153, 2012 Acts and Resolves No. 156, or 2015 Acts and Resolves No. 46, each as amended, and received a merger support grant shall continue to receive that merger support grant, subject to the provisions in subsection (c) of this section.

(b) A school district that was involuntarily formed under the Final Report of Decisions and Order on Statewide School District Merger Decisions Pursuant to Act 46, Secs. 8(b) and 10 dated November 28, 2018 and that received a small schools grant in fiscal year 2020 shall receive an annual merger support grant in that amount, subject to the provisions in subsection (c) of this section.

(c)(1) Payment of a merger support grant under this section shall not be made in any year that the school district receives a small school weight under section 4010 of this title.

(2) Payment of a merger support grant under this section shall continue annually unless explicitly repealed by the General Assembly; provided, however, that the Secretary shall discontinue payment of the grant in the fiscal year following the cessation of operations of the school that made the district originally eligible for the grant, and further provided that if the building that houses the school that made the district originally eligible for the grant is consolidated with another school into a renovated or new school building, then the Secretary shall continue to pay the grant during the repayment term of any bonded indebtedness incurred in connection with the consolidation-related renovation or construction.

Sec. 28. 32 V.S.A. § 5401 is amended to read:

§ 5401. DEFINITIONS

As used in this chapter:

** * **

(13)(A) “Education property tax spending adjustment” means the greater of one or a fraction in which the numerator is the district’s per pupil education spending plus excess spending, ~~per equalized pupil~~, for the school year; and the denominator is the property dollar equivalent yield for the school year; as defined in subdivision (15) of this section.

(B) “Education income tax spending adjustment” means the greater of one or a fraction in which the numerator is the district’s per pupil education spending plus excess spending, ~~per equalized pupil~~, for the school year; and the denominator is the income dollar equivalent yield for the school year; as defined in subdivision (16) of this section.

** * **

(15) “Property dollar equivalent yield” means the amount of per pupil education spending ~~per equalized pupil~~ that would result if the homestead tax rate were \$1.00 per \$100.00 of equalized education property value, and the statutory reserves under 16 V.S.A. § 4026 and section 5402b of this title were maintained.

(16) “Income dollar equivalent yield” means the amount of per pupil education spending ~~per equalized pupil~~ that would result if the income percentage in subdivision 6066(a)(2) of this title were 2.0 percent, and the statutory reserves under 16 V.S.A. § 4026 and section 5402b of this title were maintained.

Sec. 29. 32 V.S.A. § 5402(e) is amended to read:

(e) The Commissioner of Taxes shall determine a homestead education tax rate for each municipality that is a member of a union or unified union school district as follows:

(1) For a municipality that is a member of a unified union school district, use the base rate determined under subdivision (a)(2) of this section and a spending adjustment under subdivision 5401(13) of this title based upon the per pupil education spending ~~per equalized pupil~~ of the unified union.

(2) For a municipality that is a member of a union school district:

(A) Determine the municipal district homestead tax rate using the base rate determined under subdivision (a)(2) of this section and a spending adjustment under subdivision 5401(13) of this title based on the per pupil education spending per total equalized pupil in the municipality who attends a school other than the union school.

(B) Determine the union district homestead tax rate using the base rate determined under subdivision (a)(2) of this section and a spending adjustment under subdivision 5401(13) of this title based on the per pupil education spending per equalized pupil of the union school district.

(C) Determine a combined homestead tax rate by calculating the weighted average of the rates determined under subdivisions (A) and (B) of this subdivision (2), with weighting based upon the ratio of union school equalized pupils long-term membership, as defined in 16 V.S.A. § 4001(7), from the member municipality to total equalized pupils long-term membership of the member municipality; and the ratio of equalized pupils long-term membership attending a school other than the union school to total equalized pupils long-term membership of the member municipality. Total equalized pupils long-term membership of the member municipality is based on the number of pupils who are legal residents of the municipality and attending school at public expense. If necessary, the Commissioner may adopt a rule to clarify and facilitate implementation of this subsection (e).
