Sec. 67a. REAFFIRMATION OF MULTIYEAR FUNDING PRIORITIES
FOR AMERICAN RESCUE PLAN ACT (ARPA) AND OTHER
FEDERAL AND STATE FUNDS

(a) In 2021 Acts and Resolves No. 74, Sec. G.100, the General Assembly recognized that ARPA State Fiscal Relief funds, along with other federal or

State funds, offer the unprecedented opportunity to invest in Vermont's recovery and long-term future by supporting Vermonters' health and well-being and by strengthening Vermont's communities, businesses, environment, and climate.

(b) In November 2021, the federal Infrastructure Investment and Jobs Act (IIJA) was enacted. This federal law includes unprecedented levels of federal investments for broadband; water, transportation, and electricity infrastructure; environmental remediation; cybersecurity; and carbon reduction and climate resilience strategies. The law authorizes approximately \$1.2 trillion of funding over five years, of which approximately \$550 billion is newly authorized spending, for transformative investments in these critical infrastructure systems. The law provides for formula funding to states, as well as competitive grants that states may apply for to seek additional funding, with nearly 50 percent of the additional funding allocated for nontransportation investments. While match requirements vary by project and funding stream, the additional state match requirements necessary to draw down the nontransportation formula and competitive grant funding will be substantial.

(c) The General Assembly reaffirms the intention of 2021 Acts and Resolves No. 74, Sec. G.100 and will seek to make the budget and appropriations processes of the 2022 legislative session consistent with the need to create state fiscal capacity to maximize the federal funding opportunities in the IIJA for broadband, cybersecurity, water, energy, and climate initiatives.

NEW BUSINESS

Favorable with Amendment

H. 628

An act relating to amending a birth certificate to reflect gender identity

Rep. Small of Winooski, for the Committee on Human Services, recommends the bill be amended by striking all after the enacting clause and inserting in lieu thereof the following:

Sec. 1. LEGISLATIVE INTENT AND PURPOSE

It is the intent of the General Assembly to promote equity by allowing all individuals, regardless of gender, to amend their vital records to accurately reflect and affirm their identities. There is a long history of discrimination and violence against the LGBTQIA+ community. This act serves to mitigate future harm through the creation of a simple and equitable system to provide for all gender marker changes on a Vermont birth certificate to be made through means such as self-attestation.

Sec. 2. 18 V.S.A. § 5112 is amended to read:

§ 5112. ISSUANCE OF NEW BIRTH CERTIFICATE;~~CHANGE OF SEX~~

~~(a)(1) Upon receipt of an application for a new birth certificate and after receiving sufficient evidence to determine that an individual's sexual reassignment has been completed, the State Registrar shall update the Statewide Registration System and issue a new birth certificate to:~~

~~(A) show that the sex of the individual born in this State has been changed; and~~

~~(B) if the application is accompanied by a decree of the Probate Division authorizing a change of name associated with the change of sex, to reflect the change of name.~~

~~(2) The State Registrar shall record in the System the identity of the person requesting the new certificate, the nature and content of the change made, the person who made the change, and the date of the change.~~

~~(b)(1) An affidavit by a licensed physician who has treated or evaluated the individual stating that the individual has undergone surgical, hormonal, or other treatment appropriate for that individual for the purpose of gender transition shall constitute sufficient evidence to determine that sexual reassignment has been completed. The affidavit shall include the medical license number and signature of the physician.~~

~~(2) If the State Registrar denies an application under this section, the applicant may petition the Probate Division of the Superior Court, which shall review the application and relevant evidence de novo to determine if the issuance of a new birth certificate under this section is warranted. If the court issues a decree ordering the issuance of a new birth certificate under this section, the State Registrar shall update the Statewide Registration System and issue a new birth certificate in accordance with subsection (a) of this section.~~

~~(e) A new certificate issued pursuant to subsection (a) of this section shall be substituted for the original birth certificate in official records. The new certificate shall not show that a change in name or sex, or both, has been made. The original birth certificate, the Probate Division change of name decree, if any, and any other records relating to the issuance of the new birth certificate shall be confidential and shall be exempt from public inspection and copying under the Public Records Act; however an individual may have access to his or her own records and may authorize the State Registrar to confirm that he or she issued a new birth certificate to the individual that reflects a change in name or sex, or both.~~

~~(d) If an individual born in this State has an amended birth certificate showing that the sex of the individual has been changed, and the birth certificate is marked "Court Amended" or otherwise clearly shows that it has been amended, the individual may receive a new birth certificate from the State Registrar upon application.~~

(a) It is the policy of the State of Vermont to honor and acknowledge all gender identities and protect public health and dignity of all individuals in Vermont, irrespective of their gender. Accordingly, the State shall adopt a simple process by which an individual may amend the marker on a birth certificate to reflect the individual's gender identity, including a third nonbinary marker.

(b) Pursuant to 3 V.S.A. chapter 25, the Department shall adopt rules as necessary for the purposes of implementing, administering, or enforcing the requirements of this section.

(c) The Department may adopt rules to add gender pronouns to the list of markers on a birth certificate in order to foster a gender literate environment and reflect an individual's gender identity.

(d) Except as otherwise required by law, records relating to the amendment of a birth certificate pursuant to this chapter shall be confidential and shall be exempt from public inspection and copying under the Public Records Act.

Sec. 3. EMERGENCY RULEMAKING AUTHORITY

Notwithstanding any provision of 3 V.S.A. § 844 to the contrary, the Department of Health shall have the authority to adopt emergency rules for the purposes of implementing, administering, or enforcing the purposes of this act.

Sec. 4. EFFECTIVE DATE

This act shall take effect on July 1, 2022.

Governor's Veto

H. 157

An act relating to registration of construction contractors.

Text of Veto Message

The text of the communication from His Excellency, the Governor, whereby he vetoed and returned unsigned **House Bill No. H. 157** to the House is as follows:

February 10, 2022

Dear Ms. Wrask:

Pursuant to Chapter II, Section 11 of the Vermont Constitution, I am returning H. 157, *An act relating to registration of contractors*, without my signature because of my objections described herein.

As I have previously said, I strongly support protecting the interests of consumers, who are already facing a crisis of affordability. I also support policy that helps Vermont's small businesses succeed and grow. These small, local businesses are the heart and soul of our communities and the backbone of our economy.

The fact is the findings of the Legislature in support of this bill are flawed.

This bill has the potential to undermine and weaken a large number of Vermont's small businesses – small, local residential contractors – at a time when we all agree we must prioritize new and revitalized housing.

More specifically, this bill favors larger and more established businesses at the expense of small entry-level businesses by imposing, by law, specific contract and insurance requirements that many of the smaller businesses will not be able to meet. Such specific requirements are rarely, if ever imposed on other professions. Ultimately, these provisions harm small businesses – which could lead to closures – and they harm consumers through higher costs and fewer options for making needed repairs.

There are multiple ways of finding residential contractors in one's community and for holding contractors accountable without creating this new regulatory system. One can find directories maintained by trades associations, as well as commercial listings, social media, consumer sites, references, and, of course, word of mouth.

Importantly, there are existing avenues for determining and adjudicating complaints already, as well as an existing Home Improvement Fraud Registry. Current law clearly authorizes the Attorney General to pursue both civil and criminal complaints against contractors for unfair or deceptive acts or practices. The Criminal Law provisions relating to home improvement fraud apply to oral and written contracts for \$500 or more; convictions for home improvement fraud require notice to the Attorney General; and the Attorney General maintains the Home Improvement Fraud Registry (although it is important to note successfully completed deferred sentences will be expunged).

Finally, the Legislature concedes in its findings that registration confers no assurance of competence. Given this concession, we should not risk the economic harm of this legislation when we already have tools in the toolbox to protect consumers and perhaps those tools should be sharpened.

I would agree there is room to improve existing processes already designed to protect consumers, but not necessarily through Legislative action, and certainly not action that could advantage larger established entities over small, local mom-and-pop businesses; reduce our contracting workforce and increase costs for already over-burdened consumers – not to mention the \$250 fee that will be charged to get on this registry.

As legislators are well aware, I have been willing to work with you to find a path forward, but based on the objections outlined above, I cannot support this piece of legislation and must return it without my signature pursuant to Chapter II, Section 11 of the Vermont Constitution.

Sincerely,

Philip B. Scott
