Sec. 67a. REAFFIRMATION OF MULTIYEAR FUNDING PRIORITIES FOR AMERICAN RESCUE PLAN ACT (ARPA) AND OTHER FEDERAL AND STATE FUNDS
(a) In 2021 Acts and Resolves No. 74, Sec. G.100, the General Assembly recognized that ARPA State Fiscal Relief funds, along with other federal or State funds, offer the unprecedented opportunity to invest in Vermont’s recovery and long-term future by supporting Vermonters’ health and well-being and by strengthening Vermont’s communities, businesses, environment, and climate.

(b) In November 2021, the federal Infrastructure Investment and Jobs Act (IIJA) was enacted. This federal law includes unprecedented levels of federal investments for broadband; water, transportation, and electricity infrastructure; environmental remediation; information technology including cybersecurity; and carbon reduction and climate resilience strategies. The law authorizes approximately $1.2 trillion of funding over five years, of which approximately $550 billion is newly authorized spending, for transformative investments in these critical infrastructure systems. The law provides for formula funding to states, as well as competitive grants that states may apply for to seek additional funding, with nearly 50 percent of the additional funding allocated for nontransportation investments. While match requirements vary by project and funding stream, the additional state match requirements necessary to draw down the nontransportation formula and competitive grant funding will be substantial.

(c) The General Assembly reaffirms the intention of 2021 Acts and Resolves No. 74, Sec. G.100 and will seek to make the budget and appropriations processes of the 2022 legislative session consistent with the need to create State fiscal capacity to maximize the federal funding opportunities in the IIJA for broadband; information technology including cybersecurity; water; energy; and climate initiatives.

H. 361

An act relating to approval of amendments to the charter of the Town of Brattleboro.

Text of Veto Message

The text of the communication from His Excellency, the Governor, whereby he vetoed and returned unsigned House Bill No. H. 361 to the House is as follows:

Dear Ms. Wrask:

Pursuant to Chapter II, Section 11 of the Vermont Constitution, I am returning H.361, An Act Relating to Approval of Amendments to the Charter of the Town of Brattleboro, without my signature.

While I applaud 16- and 17-year-old Vermonters who take an interest in the issues affecting their communities, their state and their country, I do not support lowering the voting age in Brattleboro.

First, given how inconsistent Vermont law already is on the age of adulthood, this proposal will only worsen the problem. For example, the Legislature has repeatedly raised the age of accountability to reduce the consequences when young adults commit criminal offenses. They have argued this approach is justified because these offenders are not mature enough to contemplate the full range of risks and impacts of their actions.

Testimony given by leaders from Columbia University’s Justice Lab, who said Vermont should raise the upper age of juvenile jurisdiction for most crimes, (including some violent crimes) described adolescents and what they called “emerging adults” as more volatile; more susceptible to peer influence; greater risk-takers; and less future-oriented than adults. This view was cited by the Legislature as justification to expand the definition of “child” to those 18 to 22 for purposes of criminal accountability. “Youthful offenders” up to age 22 may now avoid criminal responsibility for their crimes.

Second, if the Legislature is interested in expanding voting access to school-aged children, they should debate this policy change on a statewide basis. I do not support creating a patchwork of core election laws and policies that are different from town to town. The fundamentals of voting should be universal and implemented statewide.

For these reasons, I am returning this legislation without my signature pursuant to Chapter II, Section 11 of the Vermont Constitution.
I understand this is a well-intended local issue. I urge the Legislature to take up a thorough and meaningful debate on Vermont’s age of majority and come up with consistent, statewide policy for both voting and criminal justice.

Sincerely,

Philip B. Scott
Governor
