S. 140

An act relating to prohibiting civil arrests at courthouses

Rep. Colburn of Burlington, for the Committee on Judiciary, recommends that the House propose to the Senate that the bill be amended by striking all after the enacting clause and inserting in lieu thereof the following:

Sec. 1. LEGISLATIVE INTENT

It is the intent of the General Assembly to ensure that every person in the State of Vermont retains the right to free and unfettered access to justice under the law. No person should be denied access to justice because they fear being subject to civil arrest when attending a court hearing or traveling to or from a courthouse. All persons should have the opportunity to use the court system to advocate for themselves and their interests. Prohibiting civil arrests at a courthouse prevents disruption of court proceedings, protects the proper functioning of courts, provides a safe and secure location for the resolution of disputes, and promotes public safety by ensuring that victims and witnesses are not discouraged from attending court proceedings. It is the intent of the General Assembly, consistent with long-established common law, to prohibit civil arrests of individuals at courthouses or traveling to and from a courthouse to uphold the principle set forth in Article 4 of the Vermont Constitution that provides, in part, that “every person within this state ought to find a certain remedy, by having recourse to our laws, for all injuries and wrongs,” and that “every person ought to obtain [that] right freely . . . completely and without denial . . . [or] delay.”

Sec. 2. 12 V.S.A. § 3577 is amended to read:

§ 3577. PRIVILEGE FROM ARREST

(a) The Governor, Lieutenant Governor, State Treasurer, Secretary of State, Auditor of Accounts, Attorney General, and members of the General Assembly and officers and witnesses whose duty it is to attend thereon, in all cases except treason, felony, and breach of the peace, shall be privileged from arrest and imprisonment during their necessary attendance on and in going to and returning from the General Assembly.

(b) A party or witness in a cause pending in any court in the State or before special masters, auditors, referees, or commissioners, and a witness in a criminal cause pending in any such court, shall not be arrested, imprisoned, or detained by virtue of civil process. Any witness summoned from outside the State in a criminal cause, pending in any court within the State, shall be privileged from the service of papers of any kind whatsoever, and from arrest for any cause while going to, attending at, or returning from such court or trial of such cause.

(c)(1) Prohibition. A person shall not be subject to civil arrest while traveling to, entering, remaining at, or returning from a court proceeding.

(2) Exceptions. Subdivision (1) of this subsection shall not apply to:

(A) an arrest pursuant to a judicially issued warrant or a court order;

(B) an arrest for contempt of the court where the proceeding is occurring; or

(C) an arrest to maintain order or safety in the court where the proceeding is occurring.

(3) Remedies.

(A) A person who violates this subsection by knowingly and willfully executing or assisting with an arrest prohibited by subdivision (1) of this subsection (c) shall be subject to contempt proceedings and may be liable in a civil action for false imprisonment.

(B) A person who is arrested in violation of subdivision (1) of this subsection (c) may bring a civil action against the violator for damages; injunctive, equitable, or declaratory relief; punitive damages; and reasonable costs and attorney's fees.

(C) The Office of the Attorney General may bring a civil action on behalf of the State of Vermont for appropriate injunctive, equitable, or declaratory relief if there is reasonable cause to believe that a violation of subdivision (1) of this subsection (c) has occurred or will occur.

(D) No action under this subsection shall be brought against the Judiciary or any of its members or employees for actions taken to maintain order or safety in the courts.

(E) This section shall not be construed to limit or infringe upon any right, privilege, or remedy available under common law or any other provision of law or rule.

(F) Notwithstanding section 3578 of this title, the protections and remedies afforded by this subsection apply irrespective of when the privilege against civil arrest is invoked.

(4) Definition. As used in this subsection, “civil arrest” means an arrest for purposes of obtaining a person’s presence or attendance at a civil proceeding, including an immigration proceeding.

Sec. 3. EFFECTIVE DATE

This act shall take effect on passage.

S. 226

An act relating to expanding access to safe and affordable housing

Rep. Stevens of Waterbury, for the Committee on General, Housing, and Military Affairs, recommends that the House propose to the Senate that the bill be amended by striking all after the enacting clause and inserting in lieu thereof the following:

* * * First-Generation Homebuyers * * *

Sec. 1. 32 V.S.A. 5930u is amended to read:

§ 5930u. TAX CREDIT FOR AFFORDABLE HOUSING

* * *

(b) Eligible tax credit allocations.

* * *

(3) Down Payment Assistance Program.

(A) The Vermont Housing Finance Agency shall have the authority to allocate affordable housing tax credits to finance down payment assistance loans that meet the following requirements:

(i) the loan is made in connection with a mortgage through an Agency program;

(ii) the borrower is a first-time home buyer of an owner-occupied primary residence; and

(iii) the borrower uses the loan for the borrower's down payment or closing costs, or both.

(B) The Agency shall require the borrower to repay the loan upon the transfer or refinance of the residence.

(C) The Agency shall use the proceeds of loans made under the Program for future down payment assistance.

(D) The Agency may reserve funding and adopt guidelines to provide grants to first-time homebuyers who are also first-generation homebuyers.

* * *

Sec. 2. FIRST-GENERATION HOMEBUYER; IMPLEMENTATION;

APPROPRIATION

(a) Guidelines. The Vermont Housing Finance Agency shall adopt guidelines and procedures for the provision of grants to first-generation homebuyers pursuant to 32 V.S.A. § 5930u(b)(3)(D) consistent with the criteria of the Down Payment Assistance Program implemented pursuant to 32 V.S.A. § 5930u(b)(3) and with this section.

(b) As used in this section and 32 V.S.A. § 5930u(b)(3)(D), a "first-generation homebuyer" means an applicant who self-attests that the applicant is an individual:

(1)(A) whose parents or legal guardians do not have any present residential ownership interest in any State; and

(B) whose spouse, or domestic partner, and each member of whose household has not, during the three-year period ending upon acquisition of the eligible home to be acquired, had any present ownership interest in a principal residence in any State; or

(2) is an individual who has at any time been placed in foster care.

(c) Outreach. Recognizing that Black, Indigenous, and Persons of Color have historically not had access to capital for homeownership purchases and have been systemically discriminated against in the housing market, the Agency shall work with Vermont chapters of the NAACP, AALV, and USCRI; the Executive Director of Racial Equity; the Vermont Commission on Native American Affairs; and local racial justice organizations to develop a plan of active outreach and implementation to ensure that down payment assistance opportunities are effectively communicated, and that funds are equitably available, to communities of Vermonters who have historically suffered housing discrimination.

(d) Of the amounts appropriated to the Department of Housing and Community Development in 2021 Acts and Resolves No. 74, the Department shall transfer \$1,000,000.00 to the Vermont Housing Finance Agency to provide grants pursuant to 32 V.S.A. § 5930u(b)(3)(D) and for the costs of administration and outreach pursuant to this section.

* * * Manufactured Home Relocation Incentives * * *

Sec. 3. MANUFACTURED HOME IMPROVEMENT AND REPLACEMENT PROGRAM

Of the amounts available from federal COVID-19 relief funds, the following amounts are appropriated to the Department of Housing and Community Development for the purposes specified:

(1) \$3,000,000.00 for manufactured home community small-scale capital grants, through which the Department may award not more than \$20,000.00 for owners of manufactured housing communities to complete small-scale capital needs to help infill vacant lots with homes, which may include projects such as disposal of abandoned homes, lot grading/preparation, site electrical box issues/upgrades, E911 safety issues, legal fees, transporting homes out of flood zones, individual septic system, and marketing to help make it easier for home-seekers to find vacant lots around the State.

(2) \$1,000,000.00 for manufactured home repair grants, through which the Department may award funding for minor rehab or accessibility projects, coordinated as possible with existing programs, for between 250 and 400 existing homes where the home is otherwise in good condition or in situations where the owner is unable to replace the home and the repair will keep them housed.

(3) \$1,000,000.00 for new manufactured home foundation grants, through which the Department may award not more than \$15,000.00 per grant for a homeowner to pay for a foundation or HUD-approved slab, site preparation, skirting, tie-downs, and utility connections on vacant lots within manufactured home communities.

* * * New Approaches to Creating Housing * * *

Sec. 4. VERMONT HOUSING CONSERVATION BOARD; NEW

APPROACHES TO CREATING HOUSING

(a) Authorization. Of the amounts appropriated to the Vermont Housing and Conservation Board in fiscal year 2023, the Board is authorized to use up to \$5,000,000.00 to explore new approaches for the State to support the creation of housing through the following activities:

(1) the Community Partnership for Neighborhood Development created in subsection (b) of this section;

(2) matching funds, which for each unit shall not exceed the lesser of \$50,000.00 or 20 percent of the employer cost, for not fewer than two large employers with 50 or more full time equivalent employees that create new housing for their employees; and

(3) conversion of commercial properties to residential use by providing supplemental grants up to \$50,000.00 or 20 percent of the development cost per unit for costs not covered by other funding or financing sources.

(b) Community Partnership for Neighborhood Development.

(1) The Department of Housing and Community Development shall lead a cross-agency program to encourage and support local partnerships between municipalities, nonprofit and for-profit developers, employers, the Vermont Housing and Conservation Board, and local planning officials by reducing or eliminating the cost of land and infrastructure from housing development while enhancing density, walkability, inclusiveness, and smart growth development that reduces greenhouse gas emissions.

(2) The Department shall lead an effort involving the Vermont Housing Finance Agency, the Agency of Natural Resources, the Agency of

Transportation, the Department of Public Service, and the Vermont Housing Conservation Board to integrate resources for housing, land, and down payment assistance that also makes available funding for critical infrastructure, including funding from the American Rescue Plan Act and the Infrastructure Investment and Jobs Act.

(3) Participating municipalities may bring resources to the table by planning for and permitting dense housing development in smart growth locations, thereby reducing permitting risk for developers.

(c) Program goals. The Program shall seek to achieve the following goals:

(1) development of new denser neighborhoods in five to ten communities of mixed income and mixed tenure of homeownership and rental opportunities, which, over time, will land bank and make available smart growth sites for 500–1,000 energy efficient homes and apartments;

(2) financial and planning commitment and participation of municipalities and cooperation in siting and permitting development;

(3) enhanced construction of modestly sized homes, at least half of which should be single-family homes under 1,600 sq ft. on small lots;

(4) opportunities for site development and skill-building participation by technical education centers, Youth Build, Vermont Works for Women, and community volunteers such as Habitat for Humanity;

(5) reservation of 25 percent of single family lots for permanently affordable homes, including Habitat for Humanity, Youth Build, or Tech Center programs, at no cost for acquisition or infrastructure and only modest fees for all small homes; and

(6) reservation of 35 percent of multifamily rentals for Vermonters with income below 80 percent of the median income with no cost for publicly funded infrastructure.

* * * Residential Construction Contractors * * *

Sec. 12. FINDINGS

The General Assembly finds that:

(1) There is currently no master list of residential construction contractors operating in the State.

(2) There is no standard process for determining or adjudicating construction contract fraud complaints either on the part of contractors or consumers.

(3) Public authorities have no mechanism to contact all contractors when necessary to provide updates to public health requirements, safe working protocols, codes and standards, available trainings and certifications, or building incentives or construction subsidies.

(4) Wide dissemination of information on codes, standards, and trainings is vital to improving construction techniques throughout the State's construction industry. Since building thermal conditioning represents over one-quarter of the State's greenhouse gas emissions, improving energy performance is a key strategy for meeting the requirements of the Global Warming Solutions Act, 2020 Acts and Resolves No. 153.

(5) While registration is not licensure and confers no assurance of competence, consumers have no way of knowing whether a contractor is operating legally or has been subject to civil claims or disciplinary actions.

(6) A noncommercial, standardized public listing will provide contractors an opportunity to include in their record optional third-party, State-sanctioned certifications.

Sec. 13. 3 V.S.A. § 122 is amended to read:

§ 122. OFFICE OF PROFESSIONAL REGULATION

The Office of Professional Regulation is created within the Office of the Secretary of State. The Office shall have a director who shall be qualified by education and professional experience to perform the duties of the position. The Director of the Office of Professional Regulation shall be a classified position with the Office of the Secretary of State. The following boards or professions are attached to the Office of Professional Regulation:

(2) The provisions of 3 V.S.A. § 129a, with respect to a registration, shall be construed in a manner consistent with the limitations of this subsection.

(b) The system of voluntary certification established in this chapter is intended to provide consumers and contractors with a publicly available, noncommercial venue for contractors to list optional approved certifications. The Director of Professional Regulation, in consultation with public safety officials and recognized associations or boards of builders, remodelers, architects, and engineers, may:

(1) adopt rules providing for the issuance of voluntary certifications, as defined in subdivision 3101a(1) of this title, that signify demonstrated competence in particular subfields and specialties related to residential construction;

(2) Registration, business organization: \$250.00.

(3) State certifications: \$75.00 for a first certification and \$25.00 for each additional certification.

Subchapter 3. Registrations

§ 5508. ELIGIBILITY

To be eligible for registration, the Director of Professional Regulation shall find that the applicant is in compliance with the provisions of this chapter and applicable State law and has satisfied any judgment order related to the provision of professional services to a homeowner.

§ 5509. REQUIREMENTS OF REGISTRANTS

§ 5510. PROHIBITIONS AND REMEDIES

Governor's Veto

H. 708

An act relating to the approval of an amendment to the charter of the City of Burlington.

Text of Veto Message

The text of the communication from His Excellency, the Governor, whereby he vetoed and returned unsigned **House Bill No. H. 708** to the House is as follows:

Dear Ms. Wrask:

Pursuant to Chapter II, Section 11 of the Vermont Constitution, I am returning H.708, *An Act Relating to Approval of Amendments to the Charter of the City of Burlington*, without my signature.

Investing in housing has been and continues to be a top priority of my Administration. The lack of housing working Vermonters can afford is a significant challenge that contributes to our crisis of affordability and impairs our ability to keep and attract the families we need to revitalize our communities.

In addition to supporting investments and policies that will address Vermont's housing affordability crisis, we must not add policies that will remove much-needed housing units from the market. By eliminating a property owner's ability to end a lease agreement at the time of the mutually agreed upon end date within a lease, this "just cause eviction" law effectively creates the potential for perpetual tenancy, undermining private property rights and a foundational principle of choosing to rent your property.

Vermont already has some of the most progressive landlord-tenant laws in the country. By making it exceedingly difficult to remove tenants from a rental unit, even at the end of a signed lease, my fear is this bill will discourage property owners from renting to vulnerable prospective tenants, or to rent their units at all. Property owners will be less willing to take the risk of renting to individuals who are perceived to be greater risks, whether that's based on income level, past rental history, experience with homelessness or the criminal justice system, are being resettled from countries in distress or other factors. Instead, more preference will be given to renters with high credit scores, no criminal history, and positive references from previous landlords, creating further disparity for Vermonters. This will increase both costs and inequity in the housing market.

If we want to help tenants find housing, we must build new and revitalized housing more quickly, support exemptions from permitting in designated

areas, and stop making it more and more expensive to rent, own, build and live in Vermont.

For these reasons, I am returning this legislation without my signature pursuant to Chapter II, Section 11 of the Vermont Constitution.

Sincerely,

/s/ Philip B. Scott
