Sec. 2. 24 V.S.A. § 4307 is added to read:

§ 4307. MUNICIPAL BYLAW MODERNIZATION GRANTS

(a) There are created Municipal Bylaw Modernization Grants to assist municipalities in updating their land use and development bylaws to support a development pattern that is pedestrian oriented and consistent with the smart growth principles established in section 2791 of this title. The Grants shall be funded by monies allocated from the municipality allocation of the Municipal and Regional Planning Funds established in subdivision 4306 (a)(3)(C) of this title and any other monies appropriated for this purpose.

(b) A municipality that receives a grant shall use the funds for the adoption of bylaws that increase housing choice, affordability, and opportunity in smart growth areas. These smart growth areas shall be areas that reflect the smart growth principles established in section 2791 of this title, that are located outside important natural resource areas, and are located outside identified flood hazard areas and river corridors or are acceptable for infill development as defined in § 29–201 of the Vermont Flood Hazard Area and River Corridor Rule.

(c) Disbursement to municipalities shall be administered by the Department of Housing and Community Development through a competitive process providing the opportunity for all regions and any eligible municipality to compete regardless of size. The Department shall, to the extent reasonably possible, ensure that grants are awarded with the intent of achieving geographic distribution across the State.

(d) Funds may be disbursed by the Department in installments to ensure the municipal bylaw updates meet the goals of this section.

(e) Funding may be used for mapping, the cost of regional planning commission staff or consultant time, carrying out the provisions of subchapters 5 through 10 of this chapter, and any other purpose approved by the Department.

(f) To receive a grant, the municipality shall:

(1) identify any municipal water supply and wastewater disposal capacity, opportunities, and constraints within mapped service areas in both traditional water and wastewater systems and smaller scale municipal systems, including soil-based wastewater treatment and decentralized water and wastewater systems;

(2) allow, at a minimum, duplexes within smart growth areas to the same extent that single-family dwellings are allowed;

(3) require parking waiver provisions in appropriate smart growth areas and situations;

(4) review and modify street standards that implement the complete streets principles as described in 19 V.S.A. § 309d and that are oriented to pedestrians;

(5) adopt dimensional, use, parking, and other standards that allow compact neighborhood form and support walkable lot and unit density, which may be achieved with a standard allowing at least four units per acre with site and building design standards or by other means established in guidelines issued by the Department; and

(6) demonstrate how the bylaws support implementation of the housing element of its municipal plan as provided in 24 V.S.A. § 4382(a)(10) related to addressing lower and moderate-income housing needs.

(g) On or before September 1, 2021, the Department shall adopt guidelines to assist municipalities applying for grants under this section.

GOVERNOR'S VETO

S. 107.

An act relating to confidential information concerning the initial arrest and charge of a juvenile.

Pending question (to be voted by call of the roll): Shall the bill pass, notwithstanding the Governor's refusal to approve the bill? (Two-thirds of the members present required to override the Governor's veto.)

The text of the Communication from His Excellency, The Governor, whereby he *vetoed* and returned unsigned **Senate Bill No. S. 107** to the Senate is as follows:

Text of Communication from Governor

“May 20, 2021

The Honorable John Bloomer, Jr.
Secretary of the Senate
115 State House
Montpelier, VT 05633-5401

Dear Mr. Bloomer:

Pursuant to Chapter II, Section 11 of the Vermont Constitution, I am returning S.107, *An act relating to confidential information concerning the initial arrest and charge of a juvenile*, without my signature, because of concerns with the policy to automatically raise the age of accountability for crimes, and afford young adults protections meant for juveniles, without adequate tools or systems in place.

Three years ago, I signed legislation intended to give young adults who had become involved in the criminal justice system certain protections meant for juveniles. At the time, I was assured that, prior to the automatic increases in age prescribed in the bill, plans would be in place to provide access to the rehabilitation, services, housing and other supports needed to both hold these young adults accountable and help them stay out of the criminal justice system in the future.

This has not yet been the case. In addition to ongoing housing challenges, programs designed and implemented for children under 18 are often not appropriate for those over 18. Disturbingly, there are also reports of some young adults being used – and actively recruited – by older criminals, like drug traffickers, to commit crimes because of reduced risk of incarceration,

potentially putting the young people we are trying to protect deeper into the criminal culture and at greater risk.

I want to be clear: I'm not blaming the Legislature or the Judiciary for these gaps. All three branches of government need to bring more focus to this issue if we are going to provide the combination of accountability, tools and services needed to ensure justice and give young offenders a second chance.

For these reasons, I believe we need to take a step back and assess Vermont's "raise the age" policy, the gaps that exist in our systems and the unintended consequences of a piecemeal approach on the health and safety of our communities, victims and the offenders we are attempting to help. I see S.107 as deepening this piecemeal approach.

I also remain concerned with the lack of clarity in S.107 regarding the disparity in the public records law between the Department of Public Safety and the Department of Motor Vehicles.

Based on the objections outlined above, I am returning this legislation without my signature pursuant to Chapter II, Section 11 of the Vermont Constitution. I believe this presents an opportunity to start a much-needed conversation about the status of our juvenile justice initiatives and make course corrections where necessary, in the interest of public safety and the young Vermonters we all agree need an opportunity to get back on the right path.

Sincerely,

/s/Philip B. Scott
Governor

GOVERNOR'S VETO

S. 79.

An act relating to improving rental housing health and safety.

Pending question (to be voted by call of the roll): Shall the bill pass, notwithstanding the Governor's refusal to approve the bill? (Two-thirds of the members present required to override the Governor's veto.)

The text of the Communication from His Excellency, The Governor, whereby he *vetoed* and returned unsigned **Senate Bill No. S. 79** to the Senate is as follows:

Text of Communication from Governor

“July 2, 2021

The Honorable John Bloomer, Jr.
Secretary of the Senate
115 State House
Montpelier, VT 05633-5401

Dear Mr. Bloomer:

Pursuant to Chapter II, Section 11 of the Vermont Constitution, I am returning S.79, *An Act Relating to Improving Rental Housing and Safety*, without my signature because I believe this bill would reduce the number of housing options for Vermonters at a time when we are grappling with a critical housing shortage. While we all want safe housing and lodging options for Vermonters and visitors, in my opinion this bill does not accomplish this shared goal.

As you well know, I have repeatedly advocated for improving Vermont's aging long-term rental housing stock, which is why we used pandemic emergency housing relief and other funds to initiate innovative housing programs like the Vermont Rental Housing Investment Program and the Vermont Homeownership Revolving Loan Fund. Fortunately, these programs

can move forward despite this veto with the dedicated funding included in the Fiscal Year 2022 appropriations bill.

Most agree we suffer from a critical housing shortage for middle income, low income and homeless Vermonters, but the solution is not more regulation. Instead, we need to invest in new and rehabilitated housing in every corner of our state. We need to lower costs to make housing more affordable and we need to ease complicated and duplicative permitting requirements while we have the funding to grow and improve our housing stock. This is what I have proposed since my first year as governor and I will continue to do so.

S.79 targets all rental units in all types of buildings and dwellings with few exceptions. I believe this will discourage everyday Vermonters from offering their homes, rooms or summer cabins for rent, not as a primary business but as a means to supplement their income so they can pay their mortgage as well as their property taxes.

Adding additional restrictions, costs and hoops to jump through will not only reduce the number of long-term rentals, but also short-term lodging options when we have a surge in tourists, including foliage and ski seasons. Tourists and visitors having more lodging options when deciding where to stay makes Vermont more competitive and helps our economy.

I am willing to work with the Legislature to modernize our statewide life safety inspection model and initiate a long-term rental registry if we include the following provisions:

- First, I would support a rental housing registry for only those buildings which exceed two dwelling units available for rental for more than 120 days per year. This will ensure we are differentiating between those renting a unit merely to support household expenses, and more professional landlords operating a rental business.
- Second, the health safety inspection obligations transferred in S.79 to the Division of Fire Safety are an expansion of DFS fire safety inspection obligations to include health inspections. This also expands the responsibility for health code inspections from a local “complaint-based” system to the mandatory statewide inspection authority of DFS. Further, S.79 takes away the existing discretion of DFS to determine if a violation merits shutting a residence down for rental. Under S.79, one uncorrected health or safety violation will make a unit unavailable. There must be a commonsense risk consideration added.

I also believe we need more thorough consideration of timelines, resource needs, regulatory flexibility for DFS, training needs for local health officials and impacts on rental housing resources before transferring total oversight to DFS. The bill currently includes five new positions to carry out much of this work. Truly fulfilling the bill's mandate would require an even more costly expansion of the bureaucracy in the future, which I could not support. Perhaps Senator Brock's amendment could be considered a bridge to longer-term modernization.

- Third, I ask the Legislature to continue to support the Vermont Rental Housing Investment Program and the Vermont Homeownership Revolving Loan Fund, which, again, will move forward with funding from the FY22 budget.
- Finally, I also believe we must work together on Act 250 reforms and permitting, especially in light of our unprecedented housing investments. My Administration will make themselves available at any time over the summer and fall to discuss potential paths forward.

Based on the objections outlined above, I am returning this legislation without my signature pursuant to Chapter II, Section 11 of the Vermont Constitution.

Sincerely,
/s/Philip B. Scott
Governor

Sec. 8. VERMONT RENTAL HOUSING INVESTMENT PROGRAM;
PURPOSE

(a) Recognizing that Vermont's rental housing stock is some of the oldest in the country and that much of it needs to be updated to meet code requirements and other standards, the Vermont Rental Housing Investment Program is intended to incentivize private apartment owners to make significant improvements to both housing quality and weatherization by providing grants and forgivable loans that are matched in part by the property owner.

(b) The Program seeks to take the lessons learned from the successful Rehousing Recovery Program established with funds provided by the Federal CARES Act and implement them in a State-funded program.

Sec. 9. 10 V.S.A. chapter 29, subchapter 3 is added to read:

Subchapter 3. Housing; Investments

§ 699. VERMONT RENTAL HOUSING INVESTMENT PROGRAM

(a) Creation of program.

(1) The Department of Housing and Community Development shall design and implement the Vermont Rental Housing Investment Program through which the Department shall award funding to statewide or regional nonprofit housing organizations, or both, to provide competitive grants and forgivable loans to private landlords for the rehabilitation, including weatherization, of eligible rental housing units.

(2) The Department shall develop statewide standards for the Program, including factors that partner organizations shall use to evaluate applications and award grants and forgivable loans.

(b) Eligible rental housing units. The following units are eligible for a grant or forgivable loan through the Program:

(1) Non-code compliant. The unit does not comply with the requirements of applicable building, housing, or health laws.

(2) New accessory dwelling. The unit will be a newly created accessory dwelling unit that meets the requirements of 24 V.S.A. § 4412(1)(E).

(c) Administration. The Department shall require a housing organization that receives funding under the Program to adopt:

(1) a standard application form that describes the application process and includes instructions and examples to help landlords apply;

(2) an award process that ensures equitable selection of landlords, subject to a housing organization's exercise of discretion based on the factors adopted by the Department pursuant to subsection (a) of this section; and

(3) a grant and loan management system that ensures accountability for funds awarded.

(d) Program requirements applicable to grants and forgivable loans.

(1) A grant or loan shall not exceed \$30,000.00 per unit.

(2) A landlord shall contribute matching funds or in-kind services that equal or exceed 20 percent of the value of the grant or loan.

(3) A project may include a weatherization component.

(4) A project shall comply with applicable building, housing, and health laws.

(5) The terms and conditions of a grant or loan agreement apply to the original recipient and to a successor in interest for the period the grant or loan agreement is in effect.

(6) The identity of a recipient and the amount of a grant or forgivable loan are public records that shall be available for public copying and inspection and the Department shall publish this information at least monthly on its website.

(e) Program requirements applicable to grants. For a grant awarded under the Program, the following requirements apply for a minimum period of five years:

(1) A landlord shall coordinate with nonprofit housing partners and local coordinated entry organizations to identify potential tenants.

(2)(A) Except as provided in subdivision (2)(B) of this subsection (e), a landlord shall lease the unit to a household that is exiting homelessness.

(B) If, upon petition of the landlord, the Department or the housing organization that issued the grant determines that a household exiting homelessness is not available to lease the unit, then the landlord shall lease the unit:

(i) to a household with an income equal to or less than 80 percent of area median income; or

(ii) if such a household is unavailable, to another household with the approval of the Department or housing organization.

(3)(A) A landlord shall accept any housing vouchers that are available to pay all, or a portion of, the tenant's rent and utilities.

(B) If no housing voucher or federal or State subsidy is available, the total cost of rent for the unit, including utilities not covered by rent payments, shall not exceed the applicable fair market rent established by the Department of Housing and Urban Development.

(4)(A) A landlord may convert a grant to a forgivable loan upon approval of the Department and the housing organization that approved the grant.

(B) A landlord who converts a grant to a forgivable loan shall receive a 10 percent credit for loan forgiveness for each year in which the landlord participates in the grant program.

(f) Requirements applicable to forgivable loans. For a forgivable loan awarded under the Program, the following requirements apply for a minimum period of 10 years:

(1)(A) A landlord shall accept any housing vouchers that are available to pay all, or a portion of, the tenant's rent and utilities.

(2) The Department shall forgive 10 percent of the amount of a forgivable loan for each year a landlord participates in the loan program.

(g) Lien priority. A lien for a grant converted to a loan or for a forgivable loan issued pursuant to this section is subordinate to:

(1) a lien on the property in existence at the time the lien for rehabilitation and weatherization of the rental housing unit is filed in the land records; and

(2) a first mortgage on the property that is refinanced and recorded after the lien for rehabilitation and weatherization of the rental housing unit is filed in the land records.

Sec. 10. REPORT

On or before February 15, 2022, the Department of Housing and Community Development shall report to the General Assembly concerning the design, implementation, and outcomes of the Vermont Housing Investment Program, including findings and any recommendations related to the amount of grant awards.

Sec. 11. VERMONT HOMEOWNERSHIP REVOLVING LOAN FUND; PURPOSE

(a) The purpose of the Vermont Homeownership Revolving Loan Fund created in Sec. 12 of this act is to provide no-interest loans to increase access to homeownership.

(b) The Program is intended to assist Vermonters who otherwise may be unable to purchase a home or who may be unable to afford the costs to rehabilitate, weatherize, or otherwise make necessary improvements to a home they purchase.

(c) The Program is also intended to place a special focus on increasing the homeownership rates of households identifying as Black, Indigenous, or Persons of Color, who are systematically disenfranchised from financing real estate through traditional banking and have therefore been generationally dispossessed of the ability to develop lasting wealth.

Sec. 12. 10 V.S.A. § 699a is added to read:

§ 699a. VERMONT HOMEOWNERSHIP REVOLVING LOAN FUND

(a) Creation of Program. The Department of Housing and Community Development shall design and implement the Vermont Homeownership Revolving Loan Fund, through which the Department shall provide funding to statewide or regional nonprofit housing organizations, or both, to issue no-interest loans to first-time homebuyers.

(1) Existing structure. The unit is an existing single-family dwelling, a multifamily dwelling with not more than four units, a mobile home, or a condominium.

(2) Accessory dwelling. The unit is an accessory dwelling unit that meets the requirements of 24 V.S.A. § 4412(1)(E).

(c) Eligible applicants; priorities.

(1) To be eligible for a loan through the Program, an applicant shall:

(A) be a first-time homebuyer in Vermont;

(B) have a household income of not more than 120 percent of the area median income; and

(2) A housing organization may give priority to an applicant whose employer provides down payment assistance or funding for rehabilitation costs.

(d) Administration. The Department shall require a housing organization that receives funding under the Program to adopt:

(1) a standard application form that describes the application process and includes instructions and examples to help homebuyers apply;

(2) an award process that ensures equitable selection of homebuyers; and

(3) a loan management system that ensures accountability for funds awarded.

(e) Outreach. Recognizing that Black, Indigenous, and Persons of Color have historically not had access to capital for homeownership purchases and have been systemically discriminated against in the housing market, the Department, working with Vermont chapters of the NAACP, AALV, USCRI, the Executive Director of Racial Equity, the Vermont Commission on Native American Affairs, local racial justice organizations, the Vermont Housing Finance Agency, and the nonprofit homeownership centers, shall develop a plan of active outreach and implementation to ensure that program opportunities are effectively communicated, and that funds are equitably awarded, to communities of Vermonters who have historically suffered housing discrimination.

(f) Program requirements.

(1) A loan issued through the Program:

(A) shall not exceed a standard limit set by the Department, which shall not exceed \$50,000.00;

(B) shall be zero interest, and payments shall be suspended while the homebuyer occupies the home; and

(C) shall become due in full upon the sale or transfer of the home or upon refinancing with approval by the Department and the housing organization that issued the loan.

(2) A rehabilitation project that is funded by a loan through the Program may include a weatherization component and shall comply with applicable building, housing, and health laws.

(3) A homebuyer may use not more than 25 percent of a loan for down payment and closing costs and fees.

(4) A homebuyer shall repay a loan.

(g) Revolving loan fund. The Department shall use the amounts from loans that are repaid to provide additional funding through the Program.

(h) Lien priority. A lien for a loan issued pursuant to this section is subordinate to:

(1) a lien on the property in existence at the time the lien for the loan is filed in the land records; and

(2) a first mortgage on the property that is refinanced and recorded after the lien for the loan is filed in the land records.
