GOVERNOR'S VETO

S. 107.

An act relating to confidential information concerning the initial arrest and charge of a juvenile.

Pending question (to be voted by call of the roll): Shall the bill pass, notwithstanding the Governor's refusal to approve the bill? (Two-thirds of the members present required to override the Governor's veto.)

Text of Communication from Governor

“May 20, 2021

The Honorable John Bloomer, Jr.
Secretary of the Senate
115 State House
Montpelier, VT 05633-5401

Dear Mr. Bloomer:

Pursuant to Chapter II, Section 11 of the Vermont Constitution, I am returning S.107, An act relating to confidential information concerning the initial arrest and charge of a juvenile, without my signature, because of concerns with the policy to automatically raise the age of accountability for crimes, and afford young adults protections meant for juveniles, without adequate tools or systems in place.

Three years ago, I signed legislation intended to give young adults who had become involved in the criminal justice system certain protections meant for juveniles. At the time, I was assured that, prior to the automatic increases in age prescribed in the bill, plans would be in place to provide access to the rehabilitation, services, housing and other supports needed to both hold these young adults accountable and help them stay out of the criminal justice system in the future.

This has not yet been the case. In addition to ongoing housing challenges, programs designed and implemented for children under 18 are often not
appropriate for those over 18. Disturbingly, there are also reports of some young adults being used – and actively recruited – by older criminals, like drug traffickers, to commit crimes because of reduced risk of incarceration, potentially putting the young people we are trying to protect deeper into the criminal culture and at greater risk.

I want to be clear: I’m not blaming the Legislature or the Judiciary for these gaps. All three branches of government need to bring more focus to this issue if we are going to provide the combination of accountability, tools and services needed to ensure justice and give young offenders a second chance.

For these reasons, I believe we need to take a step back and assess Vermont’s “raise the age” policy, the gaps that exist in our systems and the unintended consequences of a piecemeal approach on the health and safety of our communities, victims and the offenders we are attempting to help. I see S.107 as deepening this piecemeal approach.

I also remain concerned with the lack of clarity in S.107 regarding the disparity in the public records law between the Department of Public Safety and the Department of Motor Vehicles.

Based on the objections outlined above, I am returning this legislation without my signature pursuant to Chapter II, Section 11 of the Vermont Constitution. I believe this presents an opportunity to start a much-needed conversation about the status of our juvenile justice initiatives and make course corrections where necessary, in the interest of public safety and the young Vermonters we all agree need an opportunity to get back on the right path.

Sincerely,

/s/Philip B. Scott
Governor

GOVERNOR'S VETO

S. 79.

An act relating to improving rental housing health and safety.

Pending question (to be voted by call of the roll): Shall the bill pass, notwithstanding the Governor's refusal to approve the bill? (Two-thirds of the members present required to override the Governor's veto.)

The text of the Communication from His Excellency, The Governor, whereby he vetoed and returned unsigned Senate Bill No. S. 79 to the Senate is as follows:

Text of Communication from Governor

“July 2, 2021
The Honorable John Bloomer, Jr.
Secretary of the Senate
115 State House
Montpelier, VT 05633-5401
Dear Mr. Bloomer:

Pursuant to Chapter II, Section 11 of the Vermont Constitution, I am returning S.79, An Act Relating to Improving Rental Housing and Safety, without my signature because I believe this bill would reduce the number of housing options for Vermonters at a time when we are grappling with a critical housing shortage. While we all want safe housing and lodging options for Vermonters and visitors, in my opinion this bill does not accomplish this shared goal.

As you well know, I have repeatedly advocated for improving Vermont’s aging long-term rental housing stock, which is why we used pandemic
emergency housing relief and other funds to initiate innovative housing programs like the Vermont Rental Housing Investment Program and the Vermont Homeownership Revolving Loan Fund. Fortunately, these programs can move forward despite this veto with the dedicated funding included in the Fiscal Year 2022 appropriations bill.

Most agree we suffer from a critical housing shortage for middle income, low income and homeless Vermonters, but the solution is not more regulation. Instead, we need to invest in new and rehabilitated housing in every corner of our state. We need to lower costs to make housing more affordable and we need to ease complicated and duplicative permitting requirements while we have the funding to grow and improve our housing stock. This is what I have proposed since my first year as governor and I will continue to do so.

S.79 targets all rental units in all types of buildings and dwellings with few exceptions. I believe this will discourage everyday Vermonters from offering their homes, rooms or summer cabins for rent, not as a primary business but as a means to supplement their income so they can pay their mortgage as well as their property taxes.

Adding additional restrictions, costs and hoops to jump through will not only reduce the number of long-term rentals, but also short-term lodging options when we have a surge in tourists, including foliage and ski seasons. Tourists and visitors having more lodging options when deciding where to stay makes Vermont more competitive and helps our economy.

I am willing to work with the Legislature to modernize our statewide life safety inspection model and initiate a long-term rental registry if we include the following provisions:

- First, I would support a rental housing registry for only those buildings which exceed two dwelling units available for rental for more than 120 days per year. This will ensure we are differentiating between those renting a unit merely to support household expenses, and more professional landlords operating a rental business.

- Second, the health safety inspection obligations transferred in S.79 to the Division of Fire Safety are an expansion of DFS fire safety inspection obligations to include health inspections. This also expands the responsibility for health code inspections from a local “complaint-based” system to the mandatory statewide inspection authority of DFS. Further, S.79 takes away the existing discretion of DFS to determine if a violation merits shutting a residence down for rental. Under S.79, one uncorrected health or safety violation will make a unit unavailable. There must be a commonsense risk consideration added.
I also believe we need more thorough consideration of timelines, resource needs, regulatory flexibility for DFS, training needs for local health officials and impacts on rental housing resources before transferring total oversight to DFS. The bill currently includes five new positions to carry out much of this work. Truly fulfilling the bill’s mandate would require an even more costly expansion of the bureaucracy in the future, which I could not support. Perhaps Senator Brock’s amendment could be considered a bridge to longer-term modernization.

- Third, I ask the Legislature to continue to support the Vermont Rental Housing Investment Program and the Vermont Homeownership Revolving Loan Fund, which, again, will move forward with funding from the FY22 budget.

- Finally, I also believe we must work together on Act 250 reforms and permitting, especially in light of our unprecedented housing investments. My Administration will make themselves available at any time over the summer and fall to discuss potential paths forward.

Based on the objections outlined above, I am returning this legislation without my signature pursuant to Chapter II, Section 11 of the Vermont Constitution.

Sincerely,

/s/Philip B. Scott
Governor

Sec. 8. VERMONT RENTAL HOUSING INVESTMENT PROGRAM; PURPOSE

(a) Recognizing that Vermont’s rental housing stock is some of the oldest in the country and that much of it needs to be updated to meet code requirements and other standards, the Vermont Rental Housing Investment Program is intended to incentivize private apartment owners to make significant improvements to both housing quality and weatherization by providing grants and forgivable loans that are matched in part by the property owner.

(b) The Program seeks to take the lessons learned from the successful Re-housing Recovery Program established with funds provided by the Federal CARES Act and implement them in a State-funded program.

Sec. 9. 10 V.S.A. chapter 29, subchapter 3 is added to read:

Subchapter 3. Housing; Investments

§ 699. VERMONT RENTAL HOUSING INVESTMENT PROGRAM

(a) Creation of program.

(1) The Department of Housing and Community Development shall design and implement the Vermont Rental Housing Investment Program through which the Department shall award funding to statewide or regional nonprofit housing organizations, or both, to provide competitive grants and forgivable loans to private landlords for the rehabilitation, including weatherization, of eligible rental housing units.
(2) The Department shall develop statewide standards for the Program, including factors that partner organizations shall use to evaluate applications and award grants and forgivable loans.

(b) Eligible rental housing units. The following units are eligible for a grant or forgivable loan through the Program:

1. Non-code compliant. The unit does not comply with the requirements of applicable building, housing, or health laws.

2. New accessory dwelling. The unit will be a newly created accessory dwelling unit that meets the requirements of 24 V.S.A. § 4412(1)(E).

(c) Administration. The Department shall require a housing organization that receives funding under the Program to adopt:

1. a standard application form that describes the application process and includes instructions and examples to help landlords apply;

2. an award process that ensures equitable selection of landlords, subject to a housing organization’s exercise of discretion based on the factors adopted by the Department pursuant to subsection (a) of this section; and

3. a grant and loan management system that ensures accountability for funds awarded.

(d) Program requirements applicable to grants and forgivable loans.

1. A grant or loan shall not exceed $30,000.00 per unit.

2. A landlord shall contribute matching funds or in-kind services that equal or exceed 20 percent of the value of the grant or loan.

3. A project may include a weatherization component.

4. A project shall comply with applicable building, housing, and health laws.

5. The terms and conditions of a grant or loan agreement apply to the original recipient and to a successor in interest for the period the grant or loan agreement is in effect.

6. The identity of a recipient and the amount of a grant or forgivable loan are public records that shall be available for public copying and inspection and the Department shall publish this information at least monthly on its website.

(e) Program requirements applicable to grants. For a grant awarded under the Program, the following requirements apply for a minimum period of five years:
(1) A landlord shall coordinate with nonprofit housing partners and local coordinated entry organizations to identify potential tenants.

(2)(A) Except as provided in subdivision (2)(B) of this subsection (e), a landlord shall lease the unit to a household that is exiting homelessness.

(B) If, upon petition of the landlord, the Department or the housing organization that issued the grant determines that a household exiting homelessness is not available to lease the unit, then the landlord shall lease the unit:

(i) to a household with an income equal to or less than 80 percent of area median income; or

(ii) if such a household is unavailable, to another household with the approval of the Department or housing organization.

(3)(A) A landlord shall accept any housing vouchers that are available to pay all, or a portion of, the tenant’s rent and utilities.

(B) If no housing voucher or federal or State subsidy is available, the total cost of rent for the unit, including utilities not covered by rent payments, shall not exceed the applicable fair market rent established by the Department of Housing and Urban Development.

(4)(A) A landlord may convert a grant to a forgivable loan upon approval of the Department and the housing organization that approved the grant.

(B) A landlord who converts a grant to a forgivable loan shall receive a 10 percent credit for loan forgiveness for each year in which the landlord participates in the grant program.

(f) Requirements applicable to forgivable loans. For a forgivable loan awarded under the Program, the following requirements apply for a minimum period of 10 years:

(1)(A) A landlord shall accept any housing vouchers that are available to pay all, or a portion of, the tenant’s rent and utilities.

(2) The Department shall forgive 10 percent of the amount of a forgivable loan for each year a landlord participates in the loan program.
(g) Lien priority. A lien for a grant converted to a loan or for a forgivable
loan issued pursuant to this section is subordinate to:

(1) a lien on the property in existence at the time the lien for
rehabilitation and weatherization of the rental housing unit is filed in the land
records; and

(2) a first mortgage on the property that is refinanced and recorded after
the lien for rehabilitation and weatherization of the rental housing unit is filed
in the land records.

Sec. 10. REPORT

On or before February 15, 2022, the Department of Housing and
Community Development shall report to the General Assembly concerning the
design, implementation, and outcomes of the Vermont Housing Investment
Program, including findings and any recommendations related to the amount
of grant awards.

Sec. 11. VERMONT HOMEOWNERSHIP REVOLVING LOAN FUND;
PURPOSE

(a) The purpose of the Vermont Homeownership Revolving Loan Fund
created in Sec. 12 of this act is to provide no-interest loans to increase access
to homeownership.

(b) The Program is intended to assist Vermonters who otherwise may be
unable to purchase a home or who may be unable to afford the costs to
rehabilitate, weatherize, or otherwise make necessary improvements to a home
they purchase.

(c) The Program is also intended to place a special focus on increasing the
homeownership rates of households identifying as Black, Indigenous, or
Persons of Color, who are systematically disenfranchised from financing real
estate through traditional banking and have therefore been generationally
dispossessed of the ability to develop lasting wealth.

Sec. 12. 10 V.S.A. § 699a is added to read:

§ 699a. VERMONT HOMEOWNERSHIP REVOLVING LOAN FUND

(a) Creation of Program. The Department of Housing and Community
Development shall design and implement the Vermont Homeownership
Revolving Loan Fund, through which the Department shall provide funding to
statewide or regional nonprofit housing organizations, or both, to issue no-
interest loans to first-time homebuyers.
(b) Eligible housing units. The following units are eligible for a loan through the Program:

(1) Existing structure. The unit is an existing single-family dwelling, a multifamily dwelling with not more than four units, a mobile home, or a condominium.

(2) Accessory dwelling. The unit is an accessory dwelling unit that meets the requirements of 24 V.S.A. § 4412(1)(E).

(c) Eligible applicants; priorities.

(1) To be eligible for a loan through the Program, an applicant shall:

(A) be a first-time homebuyer in Vermont;

(B) have a household income of not more than 120 percent of the area median income; and

(C) occupy the dwelling, or a unit within the dwelling, as his or her full-time residence.

(2) A housing organization may give priority to an applicant whose employer provides down payment assistance or funding for rehabilitation costs.

(d) Administration. The Department shall require a housing organization that receives funding under the Program to adopt:

(1) a standard application form that describes the application process and includes instructions and examples to help homebuyers apply;

(2) an award process that ensures equitable selection of homebuyers; and

(3) a loan management system that ensures accountability for funds awarded.

(e) Outreach. Recognizing that Black, Indigenous, and Persons of Color have historically not had access to capital for homeownership purchases and have been systemically discriminated against in the housing market, the Department, working with Vermont chapters of the NAACP, AALV, USCRI, the Executive Director of Racial Equity, the Vermont Commission on Native American Affairs, local racial justice organizations, the Vermont Housing Finance Agency, and the nonprofit homeownership centers, shall develop a plan of active outreach and implementation to ensure that program opportunities are effectively communicated, and that funds are equitably awarded, to communities of Vermonters who have historically suffered housing discrimination.
(f) Program requirements.

(1) A loan issued through the Program:

(A) shall not exceed a standard limit set by the Department, which shall not exceed $50,000.00;

(B) shall be zero interest, and payments shall be suspended while the homebuyer occupies the home; and

(C) shall become due in full upon the sale or transfer of the home or upon refinancing with approval by the Department and the housing organization that issued the loan.

(2) A rehabilitation project that is funded by a loan through the Program may include a weatherization component and shall comply with applicable building, housing, and health laws.

(3) A homebuyer may use not more than 25 percent of a loan for down payment and closing costs and fees.

(4) A homebuyer shall repay a loan.

(g) Revolving loan fund. The Department shall use the amounts from loans that are repaid to provide additional funding through the Program.

(h) Lien priority. A lien for a loan issued pursuant to this section is subordinate to:

(1) a lien on the property in existence at the time the lien for the loan is filed in the land records; and

(2) a first mortgage on the property that is refinanced and recorded after the lien for the loan is filed in the land records.

Sec. 13. DUTIES CONTINGENT ON FUNDING

The duties of the Department of Housing and Community Development specified in Secs. 10 and 12 of this act are contingent upon available funding.

Sec. 14. REPORT

On or before February 15, 2022, the Department of Housing and Community Development shall report to the General Assembly concerning the design, implementation, and outcomes of the Vermont Homeownership Revolving Loan Fund created in Sec. 12 of this act, including findings and any recommendations related to the amount of loans.

(i) Action for ejectment on an emergency basis.

(1) Notwithstanding any provision of this section to the contrary, a court may allow an ejectment action to proceed on an emergency basis pursuant to Vermont Rule of Civil Procedure 65, which may include an action that involves the following circumstances:

(A) criminal activity, illegal drug activity, acts of violence, or other circumstances that seriously threaten the health or safety of other residents, including a tenant tampering with, disabling, or removing smoke or carbon monoxide detectors;

(B) the landlord needs to occupy the rental premises;

(C) the tenant is not participating or does not qualify for the Vermont Emergency Rental Assistance Program; or

(7) “Financing” means debt incurred, including principal, interest, and any fees or charges directly related to that debt, or other instruments or borrowing used by a municipality to pay for improvements in a tax increment financing district, only if authorized by the legal voters of the municipality in accordance with section 1894 of this subchapter. Payment for the cost of district improvements may also include direct payment by the municipality using the district increment. However, such payment is also subject to a vote by the legal voters of the municipality in accordance with section 1894 of this subchapter and, if not included in the tax increment financing plan approved under subsection 1894(d) of this subchapter, is also considered a substantial change and subject to the review process provided by subdivision 1901(2)(B) of this subchapter. If interfund loans within the municipality are used as the method of financing, no interest shall be charged. Bond anticipation notes may be used as a method of financing; provided, however, that bond anticipation notes shall not be considered a first incurrence of debt pursuant to subsection 1894(a) of this subchapter.

** **

(9) “Active district” means a district that has been created pursuant to subsection 1892(a) of this subchapter, has not been terminated pursuant to subsection 1894(a) of this subchapter, and has not retired all district financing or related costs.

Sec. 2. 24 V.S.A. 1892 is amended to read:

§ 1892. CREATION OF DISTRICT

** **
(d) The following municipalities have been authorized to use education tax increment financing for a tax increment financing district:

1. the City of Burlington, Downtown;
2. the City of Burlington, Waterfront;
3. the Town of Milton, North and South;
4. the City of Newport;
5. the City of Winooski;
6. the Town of Colchester;
7. the Town of Hartford;
8. the City of St. Albans;
9. the City of Barre;
10. the Town of Milton, Town Core; and
11. the City of South Burlington

There shall be not more than 14 active districts in the State at any time.

* * *

(h) Annually, based on the analysis and recommendations included in the reports required in this section, the General Assembly shall consider the amount of new long-term net debt that prudently may be authorized for TIF districts in the next fiscal year and determine whether to expand the number of active TIF districts or similar economic development tools in addition to the previously approved districts referenced in subsection (d) of this section and the six additional districts authorized by 32 V.S.A. § 5404a(f) in subsection (d) of this section.

Sec. 3. 24 V.S.A. § 1895 is amended to read:

§ 1895. ORIGINAL TAXABLE VALUE

(a) Certification. As of the date the district is created, the lister or assessor for the municipality shall certify the original taxable value and shall certify to the legislative body in each year thereafter during the life of the district the amount by which the total valuation as determined in accordance with 32 V.S.A. chapter 129 of all taxable real property located within the tax increment financing district has increased or decreased relative to the original taxable value.
(b) Boundary of the district. No adjustments to the physical boundary lines of a district shall be made after the approval of a tax increment financing district plan.

Sec. 4. 24 V.S.A. § 1896 is amended to read:

§ 1896. TAX INCREMENTS

(a) In each year following the creation of the district, the listers or assessor shall include no not more than the original taxable value of the real property in the assessed valuation upon which the treasurer computes the rates of all taxes levied by the municipality and every other taxing district in which the tax increment financing district is situated; but the treasurer shall extend all rates so determined against the entire assessed valuation of real property for that year. In each year for which the assessed valuation exceeds the original taxable value, the municipality shall hold apart, rather than remit to the taxing districts, that proportion of all taxes paid that year on the real property in the district which that the excess valuation bears to the total assessed valuation. The amount held apart each year is the “tax increment” for that year. No Not more than the percentages established pursuant to section 1894 of this subchapter of the municipal and State education tax increments received with respect to the district and committed for the payment for financing for improvements and related costs shall be segregated by the municipality in a special tax increment financing account and in its official books and records until all capital indebtedness of the district has been fully paid. The final payment shall be reported to the treasurer, who shall thereafter include the entire assessed valuation of the district in the assessed valuations upon which municipal and other tax rates are computed and extended and thereafter no taxes from the district shall be deposited in the district’s tax increment financing account.

* * *

(e) In each year, a municipality shall remit not less than the aggregate tax due on the original taxable value to the Education Fund.

Sec. 5. 32 V.S.A. § 5404a is amended to read:

§ 5404a. TAX STABILIZATION AGREEMENTS; TAX INCREMENT FINANCING DISTRICTS

(a) A tax agreement or exemption shall affect the education property tax grand list of the municipality in which the property subject to the agreement is located if the agreement or exemption is:

* * *
(b)(1) An agreement affecting the education property tax grand list defined under subsection (a) of this section shall reduce the municipality’s education property tax liability under this chapter for the duration of the agreement or exemption without extension or renewal, and for a maximum of 10 years. A municipality’s property tax liability under this chapter shall be reduced by any difference between the amount of the education property taxes collected on the subject property and the amount of education property taxes that would have been collected on such property if its fair market value were taxed at the equalized nonhomestead rate for the tax year.

(2) Notwithstanding any other provision of law, if a municipality has entered into an agreement that reduces the municipality’s education property tax liability under this chapter and the municipality establishes a tax increment financing district under 24 V.S.A. chapter 53, subchapter 5, the municipality’s municipal and education tax increment shall be calculated based on the assessed value of the properties in the municipality’s grand list and not on the stabilized value.

* * *

(f) A municipality that establishes a tax increment financing district under 24 V.S.A. chapter 53, subchapter 5 shall collect all property taxes on properties contained within the district and apply not more than 70 percent of the State education property tax increment, and not less than 85 percent of the municipal property tax increment, to repayment of financing of the improvements and related costs for up to 20 years pursuant to 24 V.S.A. § 1894, if approved by the Vermont Economic Progress Council pursuant to this section, subject to the following:

(1) In a municipality with one or more approved districts, the Council shall not approve an additional district until the municipality retires the debt incurred for all of the districts in the municipality.

(2) The Council shall not approve more than six districts in the State, and not a district if it will result in the total number of active districts, as defined in 24 V.S.A. § 1891(9), exceeding the limit set forth in 24 V.S.A. § 1892(d) and shall not approve more than two per county, provided:

(A) The districts listed in 24 V.S.A. § 1892(d) shall not be counted against the limits imposed in this subdivision (2).
(B) The Council shall consider complete applications in the order they are submitted, except that if during any calendar month the Council receives applications for more districts than are actually available in a county, the Council shall evaluate each application and shall approve the application that, in the Council’s discretion, best meets the economic development needs of the county.

(C)(B) If, while the General Assembly is not in session, the Council receives applications for districts that would otherwise qualify for approval but, if approved, would exceed the six district 14 active-district limit in the State, the Council shall make one or more presentations to the Emergency Board concerning the applications, and the Emergency Board may, in its discretion, increase the six district 14 active-district limit.

(B) all revenue from the local option tax after reduction for the costs of administration and collection shall be paid to the municipality.
(b) As part of the recommendation described in subsection (a) of this section, the Commissioner of Taxes shall consider whether a municipality that already has a local option tax can use the program and, if so, whether any other conditions should apply.

Sec. 7. EFFECTIVE DATE

This act shall take effect on passage.

And that after passage the title of the bill be amended to read:

An act relating to miscellaneous changes to tax increment financing district provisions.

S. 140

An act relating to prohibiting civil arrests at courthouses.

The House proposes to the Senate to amend the bill by striking out all after the enacting clause and inserting in lieu thereof the following:

Sec. 1. LEGISLATIVE INTENT

It is the intent of the General Assembly to ensure that every person in the State of Vermont retains the right to free and unfettered access to justice under the law. No person should be denied access to justice because they fear being subject to civil arrest when attending a court hearing or traveling to or from a courthouse. All persons should have the opportunity to use the court system to advocate for themselves and their interests. Prohibiting civil arrests at a courthouse prevents disruption of court proceedings, protects the proper functioning of courts, provides a safe and secure location for the resolution of disputes, and promotes public safety by ensuring that victims and witnesses are not discouraged from attending court proceedings. It is the intent of the General Assembly, consistent with long-established common law, to prohibit civil arrests of individuals at courthouses or traveling to and from a courthouse to uphold the principle set forth in Article 4 of the Vermont Constitution that provides, in part, that “every person within this state ought to find a certain remedy, by having recourse to our laws, for all injuries and wrongs,” and that “every person ought to obtain [that] right freely . . . completely and without denial . . . [or] delay.”

Sec. 2. 12 V.S.A. § 3577 is amended to read:

§ 3577. PRIVILEGE FROM ARREST

(a) The Governor, Lieutenant Governor, State Treasurer, Secretary of State, Auditor of Accounts, Attorney General, and members of the General Assembly and officers and witnesses whose duty it is to attend thereon, in all
cases except treason, felony, and breach of the peace, shall be privileged from arrest and imprisonment during their necessary attendance on and in going to and returning from the General Assembly.

(b) A party or witness in a cause pending in any court in the State or before special masters, auditors, referees, or commissioners, and a witness in a criminal cause pending in any such court, shall not be arrested, imprisoned, or detained by virtue of civil process. Any witness summoned from outside the State in a criminal cause, pending in any court within the State, shall be privileged from the service of papers of any kind whatsoever, and from arrest for any cause while going to, attending at, or returning from such court or trial of such cause.

(c)(1) Prohibition. A person shall not be subject to civil arrest while traveling to, entering, remaining at, or returning from a court proceeding.

(2) Exceptions. Subdivision (1) of this subsection shall not apply to:
   (A) an arrest pursuant to a judicially issued warrant or a court order;
   (B) an arrest for contempt of the court where the proceeding is occurring; or
   (C) an arrest to maintain order or safety in the court where the proceeding is occurring.

(3) Remedies.
   (A) A person who violates this subsection by knowingly and willfully executing or assisting with an arrest prohibited by subdivision (1) of this subsection (c) shall be subject to contempt proceedings and may be liable in a civil action for false imprisonment.

   (B) A person who is arrested in violation of subdivision (1) of this subsection (c) may bring a civil action against the violator for damages; injunctive, equitable, or declaratory relief; punitive damages; and reasonable costs and attorney’s fees.

   (C) The Office of the Attorney General may bring a civil action on behalf of the State of Vermont for appropriate injunctive, equitable, or declaratory relief if there is reasonable cause to believe that a violation of subdivision (1) of this subsection (c) has occurred or will occur.

   (D) No action under this subsection shall be brought against the Judiciary or any of its members or employees for actions taken to maintain order or safety in the courts.
(E) This section shall not be construed to limit or infringe upon any right, privilege, or remedy available under common law or any other provision of law or rule.

(F) Notwithstanding section 3578 of this title, the protections and remedies afforded by this subsection apply irrespective of when the privilege against civil arrest is invoked.

(4) Definition. As used in this subsection, “civil arrest” means an arrest for purposes of obtaining a person’s presence or attendance at a civil proceeding, including an immigration proceeding.

Sec. 3. EFFECTIVE DATE

This act shall take effect on passage.

S. 234

An act relating to changes to Act 250

The House proposes to the Senate to amend the bill by striking out all after the enacting clause and inserting in lieu thereof the following:

* * * Municipal Zoning * * *

Sec. 1. 24 V.S.A. § 2793e is amended to read:

§ 2793e. NEIGHBORHOOD PLANNING AREAS; DESIGNATION OF NEIGHBORHOOD DEVELOPMENT AREAS

(a) Purpose. This section is intended to encourage a municipality to plan for new and infill housing in the area including and immediately encircling its designated downtown, village center, new town center, or within its designated growth center in order to provide needed housing and to further support the commercial establishments in the designated center. To support this goal, this section sets out a two-component process.

* * *

(b) Definitions.

(1) “Neighborhood planning area” means an automatically delineated area including and encircling a downtown, village center, or new town center designated under this chapter or within a growth center designated under this chapter. A neighborhood planning area is used for the purpose of identifying locations suitable for new and infill housing that will support a development pattern that is compact, oriented to pedestrians, and consistent with smart growth principles. To ensure a compact settlement pattern, the outer boundary of a neighborhood planning area shall be located entirely within the boundaries
of the applicant municipality, unless a joint application is submitted by more
than one municipality, and shall be determined:

* * *

(c) Application for designation of a neighborhood development area. The
State Board shall approve a neighborhood development area if the application
demonstrates and includes all of the following elements:

* * *

(5) The proposed neighborhood development area consists of those
portions of the neighborhood planning area that are appropriate for new and
infill housing, excluding identified flood hazard and fluvial erosion areas,
except those areas containing preexisting development in areas suitable for
infill development as defined in § 29-201 of the Vermont Flood Hazard Area
and River Corridor Rule. In determining what areas are most suitable for new
and infill housing, the municipality shall balance local goals for future land
use, the availability of land for housing within the neighborhood planning
area, and the smart growth principles. Based on those considerations, the
municipality shall select an area for neighborhood development area
designation that:

(A) Avoids or that minimizes to the extent feasible the inclusion of
“important natural resources” as defined in subdivision 2791(14) of this title.
If an “important natural resource” is included within a proposed neighborhood
development area, the applicant shall identify the resource, explain why the
resource was included, describe any anticipated disturbance to such resource,
and describe why the disturbance cannot be avoided or minimized. If the
neighborhood development area includes flood hazard areas or river corridors,
the local bylaws shall contain provisions consistent with the Agency of Natural
Resources’ rules required under 10 V.S.A. § 754(a) to ensure that new infill
development within a neighborhood development area occurs outside the
floodway and will not cause or contribute to fluvial erosion hazards within the
river corridor. If the neighborhood development area includes flood hazard
areas or river corridors, local bylaws shall also contain provisions to protect
river corridors outside the neighborhood development area consistent with the
Agency of Natural Resources’ rules required under 10 V.S.A. § 754(a).

* * *

(6) The neighborhood development area is served by:

(A) municipal sewer infrastructure; or

(B) a community or alternative wastewater system approved by the
Agency of Natural Resources. [Repealed.]
(7) The municipal bylaws allow minimum net residential densities within the neighborhood development area greater than or equal to four single-family detached dwelling units per acre for all identified residential uses or residential building types, exclusive of accessory dwelling units, or no not fewer than the average existing density of the surrounding neighborhood, whichever is greater. The methodology for calculating density shall be established in the guidelines developed by the Department pursuant to subsection 2792(d) of this title.

* * *

Sec. 2. 24 V.S.A. § 2793b is amended to read:

§ 2793b. DESIGNATION OF NEW TOWN CENTER DEVELOPMENT DISTRICTS

* * *

(b) Within 45 days of receipt of a completed application, the State Board shall designate a new town center development district if the State Board finds, with respect to that district, the municipality has:

* * *

(2) Provided a community investment agreement that has been executed by authorized representatives of the municipal government, businesses and property owners within the district, and community groups with an articulated purpose of supporting downtown interests, and contains the following:

* * *

(B) Regulations enabling high densities that are greater not less than four dwelling units, including all identified residential uses or residential building types, per acre and not less than those allowed in any other part of the municipality not within an area designated under this chapter.

* * *

Sec. 3. 24 V.S.A. § 4449 is amended to read:

§ 4449. ZONING PERMIT, CERTIFICATE OF OCCUPANCY, AND MUNICIPAL LAND USE PERMIT

(a) Within any municipality in which any bylaws have been adopted:

* * *
(4) No municipal land use permit issued by an appropriate municipal panel or administrative officer, as applicable, for a site plan or conditional use shall be considered abandoned or expired unless more than two years has passed since the permit approval was issued.

* * * Municipal Bylaw Grants * * *

Sec. 4. 24 V.S.A. § 4306 is amended to read:

§ 4306. MUNICIPAL AND REGIONAL PLANNING FUND

(a)(1) The Municipal and Regional Planning Fund for the purpose of assisting municipal and regional planning commissions to carry out the intent of this chapter is hereby created in the State Treasury.

(2) The Fund shall be composed of 17 percent of the revenue from the property transfer tax under 32 V.S.A. chapter 231 and any monies from time to time appropriated to the Fund by the General Assembly or received from any other source, private or public. All balances at the end of any fiscal year shall be carried forward and remain in the Fund. Interest earned by the Fund shall be deposited in the Fund.

(3) Of the revenues in the Fund, each year:

(A) 10 percent shall be disbursed to the Vermont Center for Geographic Information;

(B) 70 percent shall be disbursed to the Secretary of Commerce and Community Development for performance contracts with regional planning commissions to provide regional planning services pursuant to section 4341a of this title; and

(C) 20 percent shall be disbursed to municipalities.

* * *

(c) Funds allocated to municipalities shall be used for the purposes of:

* * *

(4) reasonable and necessary costs of administering the Fund by the Department of Housing and Community Development, not to exceed six percent of the municipality allocation.

(d) New funds allocated to municipalities under this section may take the form of municipal bylaw modernization grants in accordance with section 4307 of this title.
Sec. 5. 24 V.S.A. § 4307 is added to read:

§ 4307. MUNICIPAL BYLAW MODERNIZATION GRANTS

(a) There are created Municipal Bylaw Modernization Grants to assist municipalities in updating their land use and development bylaws. Bylaws updated under this section shall increase housing choice, affordability, and opportunity in areas planned for smart growth. The Grants shall be funded by monies allocated from the municipality allocation of the Municipal and Regional Planning Funds established in subdivision 4306(a)(3)(C) of this title and any other monies appropriated for this purpose.

(b) Disbursement to municipalities shall be administered by the Department of Housing and Community Development through a competitive process providing the opportunity for all regions and any eligible municipality to compete regardless of size.

(c) Funds may be disbursed by the Department in installments to ensure the municipal bylaw updates meet the goals of this section.

(d) Funding may be used for the cost of regional planning commission staff or consultant time and any other purpose approved by the Department.

(e) A municipality grantee shall use the funds to prepare amendments to bylaws to increase housing choice, affordability, and opportunity and that support a neighborhood development pattern that is pedestrian oriented in areas planned for smart growth consistent with the smart growth principles established in section 2791 of this title and that prioritize projects in designated areas in accordance with chapter 76A of this title.

(f) To receive the grant, the municipality shall:

(1) identify municipal water and wastewater disposal infrastructure, municipal water and sewer service areas, and the constraints on that infrastructure based on the best available data;

(2) increase allowed housing types and uses, which may include duplexes to the same extent as single-family homes;

(3) include parking waiver provisions in areas planned for smart growth consistent with smart growth principles as defined in section 2791 of this title and appropriate situations;

(4) review and modify street standards that implement the complete streets principles as described in 19 V.S.A. § 309d and that are oriented to pedestrians;
(5) reduce nonconformities by making the allowed standards principally conform to the existing settlement within any area designated under chapter 76A of this title and increase allowed lot/building/dwelling unit density by adopting dimensional, use, parking, and other standards that allow compact neighborhood form and support walkable lot and dwelling unit density, which may be achieved with a standard allowing at least four units per acre or allowing the receipt of a State or municipal water and wastewater permit to determine allowable density or by other means established in guidelines issued by the Department;

(6) restrict development of and minimize impact to important natural resources, including new development in flood hazard areas, undeveloped floodplains, and river corridor areas, unless lawfully allowed for infill development in §29-201 of the Vermont Flood Hazard Area and River Corridor Rule;

(7) update the municipal plan’s housing element as provided in subdivision 4382(a)(10) of this title related to addressing lower- and moderate-income housing needs, implement that element of the plan including through the bylaw amendments, and demonstrate how those bylaws support the implementation of the housing element; and

(8) comply with State and Federal Fair Housing Act, including the fair housing provisions of Vermont’s Planning and Development Act.

(g) On or before September 1, 2022, the Department shall adopt guidelines to assist municipalities applying for grants under this section.

Sec. 6. MUNICIPAL BYLAW MODERNIZATION GRANT FUNDING

Of the funds appropriated in fiscal year 2023 to the municipality allocation of the Municipal and Regional Planning Fund, up to $650,000.00 shall be used for Municipal Bylaw Modernization Grants as established in 24 V.S.A. § 4307.

(4) Parking and loading facilities. A municipality may adopt provisions setting forth standards for permitted and required facilities for off-street parking and loading which may vary by district and by uses within each district. These bylaws may also include provisions covering the location, size, design, access, landscaping, and screening of those facilities. In determining the number and size of parking spaces required under these regulations, the
appropriate municipal panel may take into account the existence or availability of employer “transit pass” and rideshare programs, public transit routes, and public parking spaces in the vicinity of the development. However, a municipality shall not require an accessory dwelling unit to have more than one parking space per bedroom.

(g) If a municipality fails to respond to a request by the applicant within 90 days as to the impacts related to subdivision (a)(6) or (7) of this section, the application will be presumed not to have an unreasonable burden on educational, municipal, or governmental services.

Forest Blocks

Sec. 13. 10 V.S.A. § 6001 is amended to read:

§ 6001. DEFINITIONS

As used in this chapter:

(43) “Connecting habitat” means land or water, or both, that links patches of habitat within a landscape, allowing the movement, migration, and dispersal of wildlife and plants and the functioning of ecological processes. A connecting habitat may include features including recreational trails and improvements constructed for farming, logging, or forestry purposes.

(44) “Forest block” means a contiguous area of forest in any stage of succession and not currently developed for nonforest use. A forest block may include features including recreational trails, wetlands, or other natural features that do not themselves possess tree cover and improvements constructed for farming, logging, or forestry purposes.

(45) “Habitat” means the physical and biological environment in which a particular species of plant or wildlife lives.

Sec. 14. 10 V.S.A. § 6086(a)(8) is amended to read:

(8) Ecosystem protection; scenic beauty; historic sites.

(A) Aesthetics. Will not have an undue adverse effect on the scenic or natural beauty of the area, aesthetics, or historic sites or rare and irreplaceable natural areas.

(B) Necessary wildlife habitat and endangered species. A permit will not be granted if it is demonstrated by any party opposing the applicant that a development or subdivision will destroy or significantly imperil necessary wildlife habitat or any endangered species; and
(i) the economic, social, cultural, recreational, or other benefit to the public from the development or subdivision will not outweigh the economic, environmental, or recreational loss to the public from the destruction or imperilment of the habitat or species; or

(ii) all feasible and reasonable means of preventing or lessening the destruction, diminution, or imperilment of the habitat or species have not been or will not continue to be applied; or

(iii) a reasonably acceptable alternative site is owned or controlled by the applicant which would allow the development or subdivision to fulfill its intended purpose.

(C) Forest blocks and connecting habitat. Will not result in an undue adverse impact on forest blocks, connecting habitat, or rare and irreplaceable natural areas. If a project as proposed would result in an undue adverse impact, a permit may only be granted if effects are avoided or minimized and mitigated in accordance with rules adopted by the Board.

Sec. 15. CRITERION 8(C) RULEMAKING

(a) The Natural Resources Board (Board), in collaboration with the Agency of Natural Resources, shall adopt rules to implement the requirements for the administration of 10 V.S.A. § 6086(a)(8)(C). Rules adopted by the Board shall include:

(1) How forest blocks and connecting habitat are further defined, including their size, location, and function, which may include:

   (A) information that will be available to the public to determine where forest blocks and connecting habitat are located; or

   (B) advisory mapping resources, how they will be made available, how they will be used, and how they will be updated.

(2) Standards establishing how impacts can be avoided or minimized, including how fragmentation of forest blocks or connecting habitat is avoided or minimized, which may include steps to promote proactive site design of buildings, roadways and driveways, utility location, and location relative to existing features such as roads, tree lines, and fence lines.

(3)(A) As used in this section “fragmentation” generally means dividing land that has naturally occurring vegetation and ecological processes into smaller and smaller areas as a result of land uses that remove vegetation and create physical barriers that limit species’ movement and interrupt ecological processes between previously connected natural vegetation. However, the rules shall further define “fragmentation” for purposes of avoiding,
minimizing, and mitigating undue adverse impacts on forest blocks and connecting habitat. “Fragmentation” does not include the division or conversion of a forest block or connecting habitat by an unpaved recreational trail or by improvements constructed for farming, logging, or forestry purposes below the elevation of 2,500 feet.

(B) As used in this subsection, “recreational trail” has the same meaning as “trails” in 10 V.S.A. § 442.

(4) Criteria to identify the circumstances when a forest block or connecting habitat is eligible for mitigation.

(5) Standards for how impacts to a forest block or connecting habitat may be mitigated. Standards may include:

(A) appropriate ratios for compensation;

(B) appropriate forms of compensation such as conservation easements, fee interests in land, and other forms of compensation; and

(C) appropriate uses of on-site and off-site mitigation.

(b) The Board shall convene a working group of stakeholders to provide input to the rule prior to prefiling with the Interagency Committee on Administrative Rules. The Board shall convene the working group on or before June 1, 2023.

(c) The Board shall file a final proposed rule with the Secretary of State and Legislative Committee on Administrative Rules on or before June 15, 2024.

Sec. 16. 10 V.S.A. § 127 is amended to read:

§ 127. RESOURCE MAPPING

(a) On or before January 15, 2013, the Secretary of Natural Resources shall complete and maintain resource mapping based on the Geographic Information System (GIS) or other technology. The mapping shall identify natural resources throughout the State, including forest blocks and connecting habitat, that may be relevant to the consideration of energy projects and projects subject to chapter 151 of this title. The Center for Geographic Information shall be available to provide assistance to the Secretary in carrying out the GIS-based resource mapping.

(b) The Secretary of Natural Resources shall consider the GIS-based resource maps developed under subsection (a) of this section when providing evidence and recommendations to the Public Utility Commission under 30 V.S.A. § 248(b)(5) and when commenting on or providing recommendations under chapter 151 of this title to District Commissions on other projects.
(c) The Secretary shall establish and maintain written procedures that include a process and science-based criteria for updating resource maps developed under subsection (a) of this section. Before establishing or revising these procedures, the Secretary shall provide opportunities for affected parties and the public to submit relevant information and recommendations.

Sec. 17. 10 V.S.A. § 6001 is amended to read:

§ 6001. DEFINITIONS

(47) “Wood products manufacturer” means a manufacturer that aggregates wood products from forestry operations and adds value through processing or marketing in the wood products supply chain or directly to consumers through retail sales. “Wood products manufacturer” includes sawmills; veneer mills; pulp mills; pellet mills; producers of firewood, woodchips, mulch, and fuel wood; and log and pulp concentration yards. “Wood products manufacturer” does not include facilities that purchase, market, and resell finished goods, such as wood furniture, wood pellets, and milled lumber, without first receiving wood products from forestry operations.

(48) “Wood product” means logs, pulpwood, veneer wood, bolt wood, wood chips, stud wood, poles, pilings, biomass, fuel wood, maple sap, and bark.

Sec. 18. 10 V.S.A. § 6086(c) is amended to read:

(c)(1) Permit conditions. A permit may contain such requirements and conditions as are allowable proper exercise of the police power and which are appropriate within the respect to subdivisions (a)(1) through (10) of this section, including those set forth in 24 V.S.A. §§ 4414(4), 4424(a)(2), 4414(1)(D)(i), 4463(b), and 4464, the dedication of lands for public use, and the filing of bonds to ensure compliance. The requirements and conditions incorporated from Title 24 may be applied whether or not a local plan has been adopted. General requirements and conditions may be established by rule of the Natural Resources Board.

(2) Permit conditions on a wood products manufacturer.

(A) When issuing a permit with conditions on wood products manufacturing and delivery, the District Commission shall account for the seasonal, weather-dependent, land-dependent, and varied conditions unique to the industry.
(B) A permit condition that sets hours of operation for a wood products manufacturer shall only be imposed to mitigate an impact under subdivision (a)(1), (5), or (8) of this section. If an adverse impact under would result, a permit with conditions shall allow the manufacturer to operate while allowing for flexible timing of deliveries of wood products from forestry operations to the manufacturer outside permitted hours of operation, including nights, weekends, and holidays, for the number of days demonstrated by the manufacturer as necessary to enable deliveries, not to exceed 90 days per year.

(C) Permit with conditions on the delivery of wood heat fuels. A permit with conditions issued to a wood products manufacturer that produces wood chips, pellets, cord wood, or other fuel wood used for heat shall allow for flexible delivery of that fuel wood from the manufacturer to the end user outside permitted hours of operation, including nights, weekends, and holidays, from October 1 through April 30 of each year. Permits with conditions shall mitigate the undue adverse impacts while enabling deliveries by the manufacturer.

(D) Permit amendments. A wood products manufacturer holding a permit may request an amendment to existing permit conditions related to hours of operation and seasonal restrictions to be consistent with subdivisions (2) and (3) of this subsection. Requests for condition amendments under this subsection shall not be subject to Act 250 Rule 34(E).

Sec. 19. 10 V.S.A. § 6093 is amended to read:

§ 6093. MITIGATION OF PRIMARY AGRICULTURAL SOILS

(a) Mitigation for loss of primary agricultural soils. Suitable mitigation for the conversion of primary agricultural soils necessary to satisfy subdivision 6086(a)(9)(B)(iv) of this title shall depend on where the project tract is located.

* * *

(5) Wood products manufacturers. Notwithstanding any provision of this chapter to the contrary, a conversion of primary agricultural soils by a wood products manufacturer shall be allowed to pay a mitigation fee computed according to the provisions of subdivision (1) of this subsection, except that it shall be entitled to a ratio of 1:1 protected acres to acres of affected primary agricultural soil.
Sec. 20. INTENT; AMENDMENT OF 10 V.S.A. § 6001(3)(A)(ii)

The General Assembly’s intent in the amendments to 10 V.S.A. §6001(3)(A)(ii) set forth in Sec. 21 of this act is to clarify the text to reflect the way jurisdiction over commercial and industrial development in towns without permanent zoning and subdivision bylaws has been determined since the passage of Act 250 in 1970. The General Assembly does not intend any provision of this act to be interpreted as a substantive change to determining jurisdiction under 10 V.S.A. § 6001(3)(A)(ii).

Sec. 21. 10 V.S.A. § 6001 is amended to read:

§ 6001. DEFINITIONS

Sec. 22. REPORT; ACT 250 JURISDICTION OVER AGRICULTURAL BUSINESSES

On or before January 15, 2023, the Natural Resources Board shall submit to the General Assembly a report with recommendations on how Act 250 jurisdiction should be applied to agricultural businesses, including those located on properties already operating as farms. The Board shall consult with the Agency of Agriculture, Food and Markets, the Vermont Planners Association, the regional planning commissions, and other interested stakeholders. The report shall include recommendations as to how to clarify what is and what is not an accessory on-farm business. The report shall address the current land use planning requirements for farms and farms with
accessory on-farm businesses and whether different types of businesses associated with farms and farming require different levels of review. The report may consider whether or not the location of such businesses is relevant and may consider the designation or adoption of agricultural business innovation zones with different levels of review.

Sec. 23. DESIGNATED AREA REPORT; APPROPRIATION

(a) The sum of $150,000.00 is appropriated from the General Fund to the Department of Housing and Community Development in fiscal year 2023 for the purpose of hiring a consultant to evaluate the State designation programs established in 24 V.S.A. chapter 76A pursuant to subsection (b) of this section.

(b)(1) The Department of Housing and Community Development shall hire an independent consultant to:

(A) review and assess the State designation programs and incentives established in 24 V.S.A. chapter 76A that recognize and invest in the vitality of Vermont’s compact settlement areas; and

(B) conduct statewide stakeholder outreach to support the evaluation of and future improvements to the programs, including participation by State, regional, municipal, and advocacy and non-governmental organizations.

(2) The consultant shall make recommendations on how to:

(A) objectively define and map existing compact settlements as a basis for broader recognition;

(B) improve the consistency between and among regional plans and future land use maps;

(C) modernize these programs, including consideration of program reform or consolidation;

(D) make the designation programs and associated benefits more accessible to municipalities;

(E) apply regulatory and non-regulatory benefits;

(F) strengthen designation and incentives as a platform for place-based economic development, climate-action, complete streets, and equity and efficiency of public investment and service delivery;

(G) implement the smart growth principles established by 24 V.S.A. § 2791; and

(H) achieve the goals established in 24 V.S.A. § 4302.
(3) On or before July 15, 2023, the consultant shall submit a written report to the General Assembly with its findings and any recommendations for legislative action.

Sec. 24. REPORT; NATURAL RESOURCES BOARD

(a) On or before December 31, 2023, the Chair of the Natural Resources Board shall report to the House Committees on Natural Resources, Fish, and Wildlife and on Ways and Means and the Senate Committees on Finance and on Natural Resources and Energy on necessary updates to the Act 250 program.

(b) The report shall include:

(1) How to transition to a system in which Act 250 jurisdiction is based on location, which shall encourage development in designated areas, the maintenance of intact rural working lands, and the protection of natural resources of statewide significance, including biodiversity. Location-based jurisdiction would adjust the threshold for Act 250 jurisdiction based on the characteristics of the location. This section of the report shall consider whether to develop thresholds and tiers of jurisdiction as recommended in the Commission on Act 250: the Next 50 Years Report.

(2) How to use the Capability and Development Plan to meet the statewide planning goals.

(3) An assessment of the current level of staffing of the Board and District Commissions, including whether there should be a district coordinator located in every district.

(5) Whether the permit fees are effective in providing appropriate incentives.

(6) Whether the Board should be able to assess their costs on applicants.

Sec. 25. PURPOSE

The purpose of this act is to strengthen the administration of the Act 250 program by changing the structure, function, and name of the Natural Resources Board. This act requires that appeals of Act 250 permit decisions be heard by a five-member board called the Environmental Review Board. The Environmental Division of the Superior Court would continue to hear the
other types of cases within its jurisdiction. The Environmental Review Board would keep the current duties of the Natural Resources Board in addition to hearing appeals. This change would allow the Act 250 program to return to how it was originally envisioned when enacted by being a citizen-friendly process. The Board would provide oversight, management, and training to the Act 250 program staff and District Commissions and develop Act 250 program policy through permit decisions and rulemaking.

Sec. 26. 10 V.S.A. § 6021 is amended to read:

§ 6021. BOARD; VACANCY, REMOVAL

(a) A Natural Resources Board is established. The Environmental Review Board is created to administer the Act 250 program and hear appeals.

(1) The Board shall consist of five members appointed by the Governor, after review and approval by the Environmental Review Board Nominating Committee in accordance with subdivision (2) of this section and confirmed with the advice and consent of the Senate, so that one appointment expires in each year. The Chair shall be a full-time position, and the other four members shall be half-time positions. In making these appointments, the Governor and the Senate shall give consideration to candidates who have experience, expertise, or skills relating to the environment or land use one or more of the following areas: environmental science, natural resources law and policy, land use planning, community planning, or environmental justice.

(A) The Governor shall appoint a chair of the Board, a position that shall be a full-time position. The Governor shall ensure Board membership shall reflect, to the extent possible, the racial, ethnic, gender, and geographic diversity of the State. The Board shall not contain two members who reside in the same county.

(B) Following initial appointments, the members, except for the Chair, shall be appointed for terms of four five years. All terms shall begin on July 1 and expire on June 30. A member may continue serving until a successor is appointed. The initial appointments shall be for staggered terms.

(A) Alternates shall be appointed for terms of four years, with initial appointments being staggered. The Environmental Review Board Nominating Committee shall advertise the position when a vacancy will occur on the Environmental Review Board.
(B) The Chair of the Board may assign alternates to sit on specific matters before the Board in situations where fewer than five members are available to serve. The Nominating Committee shall review the applicants to determine which are well-qualified for appointment to the Board and shall recommend those candidates to the Governor. The names of candidates shall be confidential.

(C) The Governor shall appoint, with the advice and consent of the Senate, a chair and four members of the Board from the list of well-qualified candidates sent to the Governor by the Committee.

(b) Any vacancy occurring in the membership of the Board shall be filled by the Governor for the unexpired portion of the term. The term of each appointment subsequent to the initial appointments described in subsection (a) of this section shall be five years. Any appointment to fill a vacancy shall be for the unexpired portion of the term vacated. A member may seek reappointment by informing the Governor. If the Governor decides not to reappoint the member, the Nominating Committee shall advertise the vacancy.

(c) Removal. Notwithstanding the provisions of 3 V.S.A. § 2004, members shall only be removable for cause only, except the Chair, who shall serve at the pleasure of the Governor by the remaining members of the Board in accordance with the Vermont Administrative Procedures Act. The Board shall adopt rules pursuant to 3 V.S.A. chapter 25 to define the basis and process for removal.

(d) Disqualified members. The Chair of the Board, upon request of the Chair of a District Commission, may appoint and assign former Commission members to sit on specific Commission cases when some or all of the regular members and alternates of the District Commission are disqualified or otherwise unable to serve.

(e) Retirement from office. When a Board member who hears all or a substantial part of a case retires from office before the case is completed, the member may remain a member of the Board, at the member’s discretion, for the purpose of concluding and deciding that case and signing the findings and judgments involved. A retiring Chair shall also remain a member for the purpose of certifying questions of law if a party appeals to the Supreme Court. For the service, the member shall receive a reasonable compensation to be fixed by the remaining members of the Board and necessary expenses while on official business.
§ 6032. ENVIRONMENTAL REVIEW BOARD NOMINATING COMMITTEE

(a) Creation. The Environmental Review Board Nominating Committee is created for the purpose of assessing the qualifications of applicants for appointment to the Environmental Review Board in accordance with section 6021 of this title.

The provisions of 1 V.S.A. § 317(e) (expiration of Public Records Act exemptions) shall not apply to the exemptions or confidentiality provisions in this subsection.

(h) Public information. The following shall be public:

(1) operating procedures of the Committee;
(2) Standard application forms and any other forms used by the Committee, provided they do not contain personal information about a candidate or confidential proceedings;

(3) All proceedings of the Committee prior to the receipt of the first candidate’s completed application; and

(4) At the time the Committee sends the names of the candidates to the Governor, the total number of applicants for the vacancies and the total number of candidates sent to the Governor.

(i) Reimbursement. Legislative members of the Committee shall be entitled to per diem compensation and reimbursement for expenses in accordance with 2 V.S.A. § 23. Compensation and reimbursement shall be paid from the legislative appropriation.

(j) Duties.

For the purpose of this section, a decision of the Chair of a District Commission under section 6001e of this title on whether action has been taken to circumvent the requirements of this chapter shall be considered an act or decision of the District Commission.

A person shall not appeal an act or decision that was made by a District Commission unless the person was granted party status by the District Commission pursuant to subdivision 6085(c)(1)(E) of this title, participated in the proceedings before the District Commission, and retained party status at the end of the District Commission proceedings. In addition, the person may only appeal those issues under the criteria with respect to which the person was granted party status. However, notwithstanding these limitations, a person may appeal an act or decision of the District Commission if the Board determines that:

(A) there was a procedural defect that prevented the person from obtaining party status or participating in the proceeding;
(B) the decision being appealed is the grant or denial of party status; or
(C) some other condition exists that would result in manifest injustice if the person’s right to appeal was disallowed.

(3) An appellant to the Board, under this section, shall file with the notice of appeal a statement of the issues to be addressed in the appeal, a summary of the evidence that will be presented, and a preliminary list of witnesses who will testify on behalf of the appellant.

(4) The Board shall hold a de novo hearing on all findings requested by any party that files an appeal or cross appeal, according to the rules of the Board. The hearing shall be held in the municipality where the project subject to the appeal is located, if possible, or as close as possible.

*** Residential Construction Contractors ***

Sec. 12. FINDINGS

The General Assembly finds that:

(1) There is currently no master list of residential construction contractors operating in the State.

(2) There is no standard process for determining or adjudicating construction contract fraud complaints either on the part of contractors or consumers.

(3) Public authorities have no mechanism to contact all contractors when necessary to provide updates to public health requirements, safe working protocols, codes and standards, available trainings and certifications, or building incentives or construction subsidies.

(4) Wide dissemination of information on codes, standards, and trainings is vital to improving construction techniques throughout the State’s construction industry. Since building thermal conditioning represents over one-quarter of the State’s greenhouse gas emissions, improving energy performance is a key strategy for meeting the requirements of the Global Warming Solutions Act, 2020 Acts and Resolves No. 153.

(5) While registration is not licensure and confers no assurance of competence, consumers have no way of knowing whether a contractor is operating legally or has been subject to civil claims or disciplinary actions.
A noncommercial, standardized public listing will provide contractors an opportunity to include in their record optional third-party, State-sanctioned certifications.

Sec. 13. 3 V.S.A. § 122 is amended to read:

§ 122. OFFICE OF PROFESSIONAL REGULATION

The Office of Professional Regulation is created within the Office of the Secretary of State. The Office shall have a director who shall be qualified by education and professional experience to perform the duties of the position. The Director of the Office of Professional Regulation shall be a classified position with the Office of the Secretary of State. The Director of Professional Regulation, in consultation with public safety officials and recognized associations or boards of builders, remodelers, architects, and engineers, may:

(1) adopt rules providing for the issuance of voluntary certifications, as defined in subdivision 3101a(1) of this title, that signify demonstrated competence in particular subfields and specialties related to residential construction;

(3) State certifications: $75.00 for a first certification and $25.00 for each additional certification.

Subchapter 3. Registrations

§ 5508. ELIGIBILITY

To be eligible for registration, the Director of Professional Regulation shall find that the applicant is in compliance with the provisions of this chapter and applicable State law and has satisfied any judgment order related to the provision of professional services to a homeowner.

§ 5509. REQUIREMENTS OF REGISTRANTS

(a) Insurance. A person registered under this chapter shall maintain minimum liability insurance coverage in the amount of $1,000,000.00 per occurrence and $2,000,000.00 aggregate, evidence of which may be required as a precondition to issuance or renewal of a registration.

(a) Findings. The General Assembly finds:

(1) In 2021 Acts and Resolves No. 74, Sec. G.700(c), the General Assembly authorized the Commissioner of Finance and Management to use not more than $15,000,000.00 in American Rescue Plan Act (ARPA) funds to offset capital funds appropriated to projects supporting water and sewer infrastructure in fiscal year 2022 to the extent feasible under federal law and guidance.

(b) Intent. It is the intent of the General Assembly to authorize certain projects that are eligible for ARPA funds in this act but appropriate the funds for these projects in the FY 2023 Annual Appropriations Act.

(c) Authorizations. In fiscal years 2022 and 2023, the following capital projects are authorized to be undertaken with funds appropriated in the FY 2023 Annual Appropriations Act:
(1) In FY 2022 and FY 2023, the Department of Forests, Parks and Recreation is authorized to upgrade forestry access roads, recreation access roads, and make water quality improvements to these roads.

(2) In FY 2023, in addition to the amounts appropriated in Sec. 10(e) of this act, the Agency of Agriculture, Food and Markets is authorized to issue water quality grants and contracts.

(3) In FY 2023, in addition to the amounts appropriated in Sec. 10(i)(2) of this act, the Department of Environmental Conservation is authorized to issue municipal pollution control grants.

(a) If the income of a taxable corporation is derived from any trade, business, or activity conducted entirely within this State, the Vermont net income of the corporation shall be allocated to this State in full. If the income of a taxable corporation is derived from any trade, business, or activity conducted both within and outside this State, the amount of the corporation’s Vermont net income that shall be apportioned to this State, so as to allocate to this State a fair and equitable portion of that income, shall be determined by multiplying that Vermont net income by the arithmetic average of the following factors, with the sales factor described in subdivision (3) of this subsection double weighted:

(1) the average of the value of all the real and tangible property within this State (A) at the beginning of the taxable year and (B) at the end of the taxable year (but the Commissioner may require the use of the average of such value on the 15th or other day of each month, in cases where he or she determines that such computation is necessary to more accurately reflect the average value of property within Vermont during the taxable year), expressed as a percentage of all such property both within and outside this State;

(2) the total wages, salaries, and other personal service compensation paid during the taxable year to employees within this State, expressed as a percentage of all such compensation paid whether within or outside this State; and
gross sales, or charges for services performed, within this State, expressed as a percentage of such sales or charges whether within or outside this State.

(A)(1) Sales of tangible personal property are made in this State if:

(i) the property is delivered or shipped to a purchaser, other than the U.S. government, who takes possession within this State, regardless of f.o.b. point or other conditions of sale; or

(ii) the property is shipped from an office, store, warehouse, factory, or other place of storage in this State; and

(I) the purchaser is the U.S. government; or

(H) the corporation is not taxable in the State in which the purchaser takes possession.

(B)(2) Sales, other than the sale of tangible personal property, are in this State if the taxpayer’s market for the sales is in this State. The taxpayer’s market for sales is in this State:

(i)(A) in the case of sale, rental, lease, or license of real property, if and to the extent the property is located in this State;

(ii)(B) in the case of rental, lease, or license of tangible personal property, if and to the extent the property is located in this State;

(iii)(C) in the case of sale of a service, if and to the extent the service is delivered to a location in this State; and

(iv)(D) in the case of intangible property:

(I)(i) that is rented, leased, or licensed, if and to the extent the property is used in this State, provided that intangible property utilized in marketing a good or service to a consumer is “used in this State” if that good or service is purchased by a consumer who is in this State; and

(H)(ii) that is sold, if and to the extent the property is used in this State, provided that:

(aa)(I) a contract right, government license, or similar intangible property that authorizes the holder to conduct a business activity in a specific geographic area is “used in this State” if the geographic area includes all or part of this State;
(bb)(II) receipts from intangible property sales that are contingent on the productivity, use, or disposition of the intangible property shall be treated as receipts from the rental, lease, or licensing of such intangible property under subdivision (iv)(B)(D)(i) of this subdivision (B)(2); and

(ee)(III) all other receipts from a sale of intangible property shall be excluded from the numerator and denominator of the receipts factor.

(C)(3) If the state or states of assignment under subdivision (B)(2) of this subsection cannot be determined, the state or states of assignment shall be reasonably approximated.

(D)(4) If the taxpayer is not taxable in a state to which a receipt is assigned under subdivision (B)(2) or (C)(3) of this subsection, or if the state of assignment cannot be determined under subdivision (B)(2) of this subsection or reasonably approximated under subdivision (C)(3) of this subsection, such receipt shall be excluded from the denominator of the receipts factor.

(E)(5) The Commissioner of Taxes shall adopt regulations as necessary to carry out the purposes of this section.

(6) A taxable corporation subject to apportionment under this section shall report to the Commissioner of Taxes:

(A) the average of the value of all the real and tangible property within this State at the beginning of the taxable year and at the end of the taxable year, provided the Commissioner may require the use of the average of the value on the 15th or other day of each month in cases where the Commissioner determines that the computation is necessary to more accurately reflect the average value of property within Vermont during the taxable year, expressed as a percentage of all property both within and outside this State; and

(B) the total wages, salaries, and other personal service compensation paid to employees within this State during the taxable year, expressed as a percentage of all compensation paid, whether within or outside this State.

Sec. 4. 32 V.S.A. § 5862(d) is amended to read:

(d) A taxable corporation that is part of an affiliated group engaged in a unitary business shall be treated as a single taxpayer and shall file a group return containing the combined net income of the affiliated group and such other informational returns as the Commissioner shall require by rule. A unitary combined return shall include the income and apportionment factors of any taxable corporation incorporated in the United States or formed under the
laws of any state, the District of Columbia, or any territory or possession of the United States and in a unitary relationship with the taxpayer. The income, gain, or losses from members of a combined group shall be combined to the extent allowed under the Internal Revenue Code for consolidated filing as if the combined group was a consolidated filing group, provided that a state tax credit shall not be combined and shall be limited to the member to which the credit is attributed.

Sec. 5. TRANSITION FROM JOYCE TO FINNIGAN METHOD

For taxable years beginning on and after January 1, 2023, for purposes of determining whether sales are in Vermont and are included in the numerator of the sales apportionment factor, if the activities of any member of a unitary group create nexus with this State, then sales of tangible personal property into Vermont from outside the State by all members of the unitary group shall be included in the Vermont sales factor numerator.

Sec. 6. RULEMAKING; REPORT

The Department of Taxes shall adopt rules relating to the unitary combined reporting requirements imposed under this act. The rules required under this section shall include a change from the Joyce to the Finnigan approach to applying Vermont jurisdiction to corporations within a unitary group. The Department shall report to the House Committee on Ways and Means and the Senate Committee on Finance on or before January 15, 2024 on the Department’s proposed rules and any recommendations for legislation with respect to unitary combined reporting.
