## Bill Referred to Committee on Appropriations

### H. 265

House bill, entitled

An act relating to the Office of the Child Advocate

Appearing on the Calendar for Notice, and pursuant to Rule 35(a), carrying an appropriation, was referred to the Committee on Appropriations.

**Joint Resolution Referred to Committee****J.R.H. 7**

Joint resolution strongly opposing the basing of any nuclear weapon delivery system in the State of Vermont

Offered by: Representatives Small of Winooski, Cina of Burlington, Townsend of South Burlington, Bartholomew of Hartland, Brumsted of Shelburne, Burrows of West Windsor, Colburn of Burlington, Colston of Winooski, Cordes of Lincoln, Dolan of Essex, Dolan of Waitsfield, Hooper of Randolph, Houghton of Essex, Jessup of Middlesex, McCormack of Burlington, McCullough of Williston, Mulvaney-Stanak of Burlington, Patt of Worcester, Rachelson of Burlington, Troiano of Stannard, and Vyhovsky of Essex

Whereas, the State of Vermont has long been a national leader in opposing the spread of nuclear weapons, and

Whereas, on May 7, 2019, both a retired U.S. Air Force Colonel and a retired Vermont Air National Guard Lt. Colonel testified before the Vermont Senate Committee on Government Operations in opposition to the basing of the F-35 aircraft in Burlington, and

Whereas, they each testified that when the now-retired F-89 aircraft was stationed in Burlington in the 1960s it carried nuclear warheads, but that neither the U.S. Department of Defense nor the U.S. Air Force informed the State of Vermont that these weapons were being stored locally, and

Whereas, the 2018 *Nuclear Posture Review*, a publication of the U.S. Department of Defense, states that “We [the United States] are committed to upgrading the DCA (Dual-Capable Aircraft) with the nuclear-capable F-35 aircraft,” and further that “The United States is also incorporating nuclear capability onto the F-35, to be used by the United States and NATO allies, as a replacement for the current aging DCA,” and

Whereas, it is possible that the F-35s under the Vermont National Guard’s command at the Burlington International Airport could be upgraded to permit them to carry nuclear weapons, now therefore be it

Resolved by the Senate and House of Representatives:

That the General Assembly expresses its strong opposition to the basing of any nuclear delivery system in the State of Vermont, and be it further

Resolved: That the Secretary of State be directed to send a copy of this resolution to the Governor, to the U.S. Secretary of Defense, and to the Vermont Congressional Delegation.

Which was read and, in the Speaker's discretion, treated as a bill and referred to the Committee on General, Housing, and Military Affairs.

### **Recess**

At ten o'clock and ten minutes in the forenoon, the Speaker declared a recess until the fall of the gavel.

At eleven o'clock and twelve minutes in the forenoon, the Speaker called the House to order.

### **Senate Proposal of Amendment**

**Concurred in with Further Amendment Thereto; Rules Suspended;**

**Bill Messaged to Senate Forthwith**

### **H. 315**

The Senate proposed to the House to amend House bill, entitled  
An act relating to COVID-19 relief

\* \* \* Commerce and Community Development; Targeted Business Grants \* \* \*

### Sec. 3. ECONOMIC RECOVERY BRIDGE GRANTS

#### (a) Purpose.

(1) The purpose of this section is to provide bridge funding to businesses that suffered a tax loss in 2020 and require immediate State aid, either to remain open or to reopen the business, until additional federal funds can be deployed and until the economic recovery provides a more stable stream of revenue to support business operations.

(2) The funding in this section is primarily intended for businesses that have not received prior State or federal financial assistance. Because these businesses have not benefited from State or federal programs, they are eligible for grants that will provide funding for fixed operating costs or a threshold amount in order to ensure they remain viable.

(3) To the extent that funds remain available, businesses that have already received prior State or federal assistance may receive grants under the program, with priority for those businesses that, after adding to the business's income the amount of any nontaxable COVID-19-related direct financial assistance from State or federal sources, the business still would have suffered a tax loss.

#### (b) Appropriation.

(1) In fiscal year 2021, the amount of \$10,000,000.00 is appropriated from the American Rescue Plan Act of 2021- Coronavirus State Fiscal Recovery Fund to the Agency of Commerce and Community Development to provide grants to eligible businesses pursuant to this act.

(2) The Agency may use not more than five percent of the appropriated funds for the costs of administration, including technical assistance and guidance concerning potential eligibility for federal programs.

(3) The Agency shall make best reasonable efforts to conduct outreach, provide information, and provide necessary assistance for women- and BIPOC-owned businesses to access grant funds.

(c) Eligibility. To be eligible for a grant, a business shall meet the following criteria:

(A) on a for-profit basis, including a sole proprietor, partnership, limited liability company, business corporation, cooperative, or mutual benefit enterprise; or

(B) on a nonprofit or low-profit basis, including a mutual benefit corporation, public benefit corporation, and a low-profit limited liability company.

(3) The business:

(A) is open at the time of application and attests that it will use grant funds for business-related operations and economic recovery; or

(B)(i) is closed at the time of application due to the COVID-19 public health emergency;

(ii) attests that it will use grant funds for resuming its business operations and economic recovery; and

(iii) submits a brief written description of its good faith plan to reopen.

(4) The business suffered a tax loss due to the COVID-19 public health emergency as evidenced by its federal 2020 income tax return.

(5) The business complies with current State health and safety protocols established by Executive Order.

(d) Amount of grant.

(1) A grant shall not exceed the lesser of:

(A) three times the eligible business's fixed monthly expenses for commercial mortgage or rent, insurance, electricity, heat, water, sewer service, telecommunications service, and Internet service; or

(B) \$150,000.00.

(2) The Agency may reduce the amount of a grant pursuant to guidelines it adopts for that purpose based on the amount of any COVID-19-

related direct financial assistance that the business has received from State or federal sources.

(e) Grant administration; priorities.

(1) Beginning on the date the Agency begins accepting applications, for an initial 30-day period, the Agency may accept applications from eligible businesses but shall award grants only to eligible businesses that have not received any COVID-19-related direct financial assistance from State or federal sources.

(2) After the initial 30-day period, the Agency shall continue to accept applications and award grants consistent with the following:

(A) The Agency shall give first priority to eligible businesses that have not received any COVID-19-related direct financial assistance from State or federal sources.

(B) The Agency shall give subsequent priority to eligible businesses that, after adding to the business's income the amount of any nontaxable COVID-19-related direct financial assistance from State or federal sources, the business still would have suffered a tax loss.

(f) Grant administration; use of funds; future grant awards. Any amounts that remain unspent through the program shall revert to the Agency of Commerce and Community Development for purposes of supplementing any future economic recovery grant program established prior to January 1, 2022 and, if no program is established, then to the American Rescue Plan Act of 2021 – Coronavirus State Fiscal Recovery Fund.

(g) Guidelines. Not later than 10 days after the effective date of this act, the Agency shall publish guidelines governing the implementation of the program, which at minimum shall:

(1) establish application award procedures and a timeline for accepting applications;

(2) establish standards to determine whether an eligible business has its primary place of business in Vermont;

(3) establish standards for the use of grant funds for the purpose of business-related economic recovery;

(j) Recapture. The Agency shall include in all grant awards standard recapture provisions, which shall include that a grant award may be subject to recapture if a recipient is found to be ineligible for the award or to have used an award for an ineligible purpose, consistent with the guidelines the Agency adopts pursuant to subsection (g) of this section.

**Rep. Cina of Burlington** explained his vote as follows:

“Madam Speaker:

I vote yes because the People desperately need help right now and I do not want to hold up economic relief. However, I am very concerned about the use of an appropriations bill to change health care policy regarding sharing personal health information from the vaccine registry. We must be cautious about the sense of urgency regarding the current public health emergency leading to the erosion of the rights and freedoms of the People.”

**Rep. Hango of Berkshire** explained her vote as follows:

“Madam Speaker:

While I remain concerned about the premature allocation of ARPA funds in this bill, I voted yes today to support our State’s businesses and Vermonters in need. Thank you.”

**Rep. Harrison of Chittenden** explained his vote as follows:

“Madam Speaker:

The Appropriations Committee works hard to reach consensus and routinely votes out budgets unanimously. And there are many worthwhile initiatives in this legislation. However, I was out of my comfort zone with the extra \$23-25 million in spending with this one and at the end of the day, I am the one that has to live with my vote.”

**Rep. McCoy of Poultney** explained her vote as follows:

“Madam Speaker:

While I understand there are must pass sections in this bill, my hope is we can somehow separate our ARPA funding in order to be more transparent in appropriating these funds, apart from the FY22 Budget and any other bills we may pass, which appropriate ARPA money; perhaps a charge to the Senate to do just this. Thank you.”

**Rep. Redmond of Essex** explained her vote as follows:

“Madam Speaker:

This bill is a wonderful package of braided funding that will uplift Vermonters during this incredibly challenging time. I am specifically grateful to my colleagues for the \$700K of support for the Association of Africans Living in Vermont and the U.S. Committee on Refugees and Immigrants in Vermont, who have done incredible work strengthening New American, refugee and immigrant Vermonters during the pandemic.”

**Rep. Strong of Albany** explained her vote as follows:

“Madam Speaker:

I appreciate the hard work of all of the committees on this bill, however, I am still concerned about the data collection and registry language in this bill, and am not comfortable at this time to vote yes. Thank you.”

On motion of **Rep. McCoy of Poultney**, the rules were suspended and the bill was ordered messaged to the Senate forthwith.

### **Second Reading; Committee Report Presented**

#### **H. 157**

**Rep. Troiano of Stannard** for the Committee on General, Housing, and Military Affairs, to which had been referred House bill, entitled

An act relating to registration of construction contractors

Reported in favor of its passage when amended by striking all after the enacting clause and inserting in lieu thereof the following:

#### Sec. 1. FINDINGS

The General Assembly finds that:

(1) There is currently no master list of residential construction contractors operating in the State.

(2) There is no standard process for determining or adjudicating construction contract fraud complaints either on the part of contractors or consumers.

(3) Public authorities have no mechanism to contact all contractors when necessary to provide updates to public health requirements, safe working protocols, codes and standards, and available trainings and certifications.

(4) Wide dissemination of information on codes, standards, and trainings is vital to improving construction techniques throughout the State’s construction industry. Since building thermal conditioning represents over one-quarter of the State’s greenhouse gas emissions, improving energy performance is a key strategy for meeting the requirements of the Global Warming Solutions Act, 2020 Acts and Resolves No. 153.

(5) While registration is not licensure and confers no assurance of competence, consumers have no way of knowing whether a contractor is operating legally or has been subject to civil claims or disciplinary actions.

(6) A noncommercial, standardized public listing will provide contractors an opportunity to include in their record optional third-party, State-sanctioned certifications.

Sec. 2. 3 V.S.A. § 122 is amended to read:

Those members absent with leave of the House and not voting are: none

**Rep. Campbell of St. Johnsbury** explained his vote as follows:

“Madam Speaker:

I vote yes to help both consumers and contractors avoid misunderstandings, to protect both from fraud, and to provide contractors with access to information and trainings to improve the knowledge base and skill of Vermont's construction industry.”

**Rep. Martel of Waterford** explained her vote as follows:

“Madam Speaker:

I voted no on this bill. My husband was one of those small contractors, he never short changed anyone on a job, although he has been the victim of not being paid when he completed the job.

Some contractors are also called a local handy man..thank goodness, as you could get a job done at a reasonable price, and in a timely fashion, but in today’s world not many jobs come in under \$3500. This bill just kills any chance of being a small caring contractor in your own community. More business unfriendly times in Vermont, more new \$100,000 job positions to be overseers, no wonder people in this state are getting more discouraged at just trying to make a living and moving out.”

**Rep. Smith of Derby** explained his vote as follows:

“Madam Speaker:

It disappoints me that some of my friends will be turned into criminals simply for helping friends.”

**Rep. Williams of Granby** explained her vote as follows:

“Madam Speaker:

The presenter of the bill continues to remind us that this bill is designed to protect the consumer. I would like to see a bill that protects the consumer while considering the contractor. This bill does not do that. My frustration is that so many choose to support only one side of the issue. This bill should not be pushed through. Too many gray areas have been presented but not addressed. I am sad that my friend, my neighbor, my local handyman will pay the price. This is why I vote no on this bill.”

Thereupon, third reading was ordered.

**Second Reading; Proposal of Amendment Agreed to;**

**Third Reading Ordered**

**S. 18**

**Rep. Sullivan of Dorset**, for the Committee on Corrections and Institutions, to which had been referred Senate bill, entitled

An act relating to limiting earned good time sentence reductions for offenders convicted of certain crimes

Reported in favor of its passage in concurrence with proposal of amendment by striking out all after the enacting clause and inserting in lieu thereof the following:

Sec. 1. 13 V.S.A. § 5321 is amended to read:

§ 5321. APPEARANCE BY VICTIM

\* \* \*

(d) At or before the sentencing hearing, the prosecutor’s office shall instruct the victim of a listed crime, in all cases where the court imposes a sentence that includes a period of incarceration, that a sentence of incarceration is to the custody of the Commissioner of Corrections and that the Commissioner of Corrections has the authority to affect the actual time the defendant shall serve in incarceration through ~~good~~ earned time credit, furlough, work-release, and other early release programs. In addition, the prosecutor’s office shall explain the significance of a minimum and maximum

sentence to the victim ~~and shall also~~, explain the function of parole and how it may affect the actual amount of time the defendant may be incarcerated, and inform the victim of the maximum amount of earned time that the defendant could accrue and that earned time only affects when a defendant is eligible for parole consideration but does not necessarily result in the defendant's release.

Sec. 2. 28 V.S.A. § 818 is amended to read:

§ 818. EARNED ~~GOOD~~ TIME; REDUCTION OF TERM

(a) On or before September 1, 2020, the Department of Corrections shall file a proposed rule pursuant to 3 V.S.A. chapter 25 implementing an earned ~~good~~ time program to become effective on January 1, 2021. The Commissioner shall adopt rules to carry out the provisions of this section as an emergency rule and concurrently propose them as a permanent rule. The emergency rule shall be deemed to meet the standard for the adoption of emergency rules pursuant to 3 V.S.A. § 844(a).

Offenders currently serving a sentence shall be eligible to begin earning a reduction in term when the earned ~~good~~ time program becomes effective. Notwithstanding this subdivision (1), when an offender has been convicted of a disqualifying offense, the offender's ability to participate and earn time in the program shall be determined pursuant to subdivision (5) of this subsection.

(2) Offenders shall earn a reduction of seven days in the minimum and maximum sentence for each month during which the offender:

abuse treatment, he or she shall not be eligible for ~~good~~ earned time except as provided in this subsection.

(4) The Department shall:

(A) ensure that all victims of record are notified of the earned ~~good~~ time program at its outset and made aware of the option to receive notifications from the Department pursuant to this subdivision;

(B) provide timely notice not less frequently than every 90 days to the offender any time the offender receives a reduction in his or her term of supervision pursuant to this section;

(C) maintain a system that documents and records all such reductions in each offender's permanent record; and

(D) record any reduction in an offender's term of supervision pursuant to this section on a monthly basis and ensure that victims who want information regarding changes in scheduled release dates have access to such information.

(5) Notwithstanding 1 V.S.A. § 214, an offender who was serving a sentence for a disqualifying offense on January 1, 2021 shall not earn any earned time sentence reductions under this section after the effective date of this act. This subdivision (5) shall not be construed to limit or affect earned time that an offender has earned on or before the effective date of this act.

(c) As used in this section:

(1) "Disqualifying offense" means:

(A) murder in violation of 13 V.S.A. § 2301;

(B) voluntary manslaughter in violation of 13 V.S.A. § 2304;

(C) kidnapping in violation of 13 V.S.A. § 2405;

(D) lewd and lascivious conduct with a child in violation of 13 V.S.A. § 2602, provided that the offense shall not be considered a disqualifying offense if the offender is under 18 years of age, the child is at least 12 years of age, and the conduct is consensual;

(F) aggravated sexual assault in violation of 13 V.S.A. § 3253; or

(G) aggravated sexual assault of a child in violation of 13 V.S.A. § 3253a.
