H. 266

Rep. Goldman of Rockingham, for the Committee on Health Care, to which had been referred House bill, entitled
An act relating to an incremental approach to health insurance coverage for hearing aids

Reported in favor of its passage when amended by striking all after the enacting clause and inserting in lieu thereof the following:

Sec. 1. PURPOSE

(a) The General Assembly recognizes the range of negative health outcomes that are associated with untreated hearing loss, including cognitive decline, dementia, falls, social isolation, and depression. All Vermonters should have access to hearing aids and related services, yet many health plans do not cover them. Vermont Medicaid currently covers hearing aids, while most health insurance plans offered in the commercial health insurance market do not. Federal law prohibits or preempts the State from regulating the benefits provided through plans covering more than half of the population of this State, including Medicare and self-funded employer plans. Medicare does not cover hearing aids and related services, and neither do most self-funded employer plans.

(b) In 2021 Acts and Resolves No. 74, Sec. E.227, the General Assembly directed the Department of Financial Regulation and other interested stakeholders to review Vermont’s benchmark plan establishing the State’s essential health benefits for qualified health plans offered through the Vermont Health Benefit Exchange and recommend whether to request federal approval to modify the benchmark plan to provide certain benefits, including hearing aids. On March 2, 2022, the Green Mountain Care Board voted to approve a recommendation from the Department of Vermont Health Access to add coverage to the benchmark plan for up to one hearing aid per ear every three years and an annual hearing exam. The Department of Vermont Health Access is pursuing a change to Vermont’s benchmark plan with the federal government for coverage for hearing aids and hearing exams to begin in Vermont’s individual and small group insurance markets in January 2024.

(c) The purpose of this bill is to ensure continued coverage of hearing aids and related services in Vermont Medicaid, affirm ongoing efforts to make hearing aids and related services part of Vermont’s benchmark plan, and make hearing aids and related services more accessible to Vermont residents by requiring coverage in large group health insurance plans, which comprise the remaining segment of the commercial health insurance market over which Vermont has regulatory authority and which do not currently offer these benefits.
Sec. 2. ESSENTIAL HEALTH BENEFITS; BENCHMARK PLAN; HEARING AIDS; REPORT

On or before November 1, 2022, the Department of Vermont Health Access shall provide an update to the Health Reform Oversight Committee regarding the status of the Department’s application to the Centers for Medicare and Medicaid Services to modify the essential health benefits in Vermont’s benchmark plan to include coverage of hearing aids and related services beginning in plan year 2024.

Sec. 3. 33 V.S.A. § 1901k is added to read:

§ 1901k. MEDICAID COVERAGE FOR HEARING AIDS AND AUDIOLOGY SERVICES

Vermont Medicaid shall provide coverage for medically necessary hearing aids and audiology services when delivered by a health care professional practicing within the scope of the professional’s license, including audiolologic examinations, hearing screenings, fitting of hearing aids, prescriptions for hearing aid batteries, and other services as defined by the Department of Vermont Health Access by rule.

Sec. 4. 8 V.S.A. § 4088l is added to read:

§ 4088l. COVERAGE FOR HEARING AIDS

(a) As used in this section:

(1) “Health insurance plan” means a group health insurance policy or health benefit plan offered by a health insurance company, nonprofit hospital or medical service corporation, or health maintenance organization, but does not include:

(A) a qualified health benefit plan or reflective health benefit plan offered in accordance with 33 V.S.A. chapter 18, subchapter 1;

(B) a health benefit plan offered by an intermunicipal insurance association to one or more entities providing educational services pursuant to 24 V.S.A. chapter 121, subchapter 6; or

(C) a policy or plan providing coverage for a specified disease or other limited benefit coverage.

(2) “Hearing aid” means any small, wearable electronic instrument or device designed and intended for the ear for the purpose of aiding or compensating for impaired human hearing and any related parts, attachments, or accessories, including earmolds and associated remote microphones that pair with hearing aids to improve word comprehension in difficult listening conditions.
situations in live or telecommunication settings. The term does not include cords, large-audience assisted listening devices, such as those designed for auditoriums, or stand-alone assisted listening devices that can function without a hearing aid.

(3) “Hearing aid professional services” means the practice of fitting, selecting, dispensing, selling, or servicing hearing aids, or a combination, including:

(A) evaluation for a hearing aid;
(B) fitting of a hearing aid;
(C) programming of a hearing aid;
(D) hearing aid repairs;
(E) follow-up adjustments, servicing, and maintenance of a hearing aid;
(F) ear mold impressions; and
(G) auditory rehabilitation and training.

(4) “Hearing care professional” means an audiologist or hearing aid dispenser licensed under 26 V.S.A. chapter 67, a physician licensed under 26 V.S.A. chapter 23 or 33, a physician assistant licensed under 26 V.S.A. chapter 31, or an advanced practice registered nurse licensed under 26 V.S.A. chapter 28, working within that professional’s scope of practice.

(b) A health insurance plan shall cover the cost of a hearing aid for each ear and the associated hearing aid professional services when the hearing aid or aids are prescribed, fitted, and dispensed by a hearing care professional. The coverage shall include hearing aid batteries when prescribed by a hearing care professional.

(c)(1) The coverage provided by a health plan for hearing aids and associated services shall be limited only by medical necessity.

(2) A covered individual may select a hearing aid that exceeds the limits set forth in subdivision (1) of this subsection and pay the additional cost.

(d) The coverage required by this section shall not be subject to a deductible, co-payment, or coinsurance provision that is less favorable to a covered individual than the deductible, co-payment, or coinsurance provisions that apply generally to other nonprimary care items and services under the health insurance plan.
(e) A covered individual who has exhausted all applicable internal review procedures provided by the health insurance plan shall have the right to an independent external review as set forth in section 4089f of this title.

Sec. 5. EFFECTIVE DATES

(a) Sec. 4 (8 V.S.A. § 4088l) shall take effect on January 1, 2024 and shall apply to all health insurance plans issued on and January 1, 2024 on such date as a health insurer offers, issues, or renews the health insurance plan, but in no event later than January 1, 2025.

(b) The remaining sections shall take effect on passage.

Rep. Achey of Middletown Springs explained her vote as follows:

“Madam Speaker:

I voted ‘yes’ reluctantly. My district did not need to be changed. We could have even added back the part of Tinmouth that had been separated for 10 years. However, the neighboring district had lost population that required a change. We looked at many other options, but in the end that chosen solution was to divide the town of Wells. They did not want to be split and I did not want to lose any part of that town. We all have to decide to accept the decision.”

Rep. Lefebvre of Orange explained her vote as follows:

“Madam Speaker:

My vote in support of H.722 was due to the communication, public engagement, and detail that went into redistricting the state of Vermont. I’m discouraged that the town of Williamstown was divided when there was no constitutional reason to. There were many options brought forward that were denied.”

Rep. McCarthy of St. Albans City explained his vote as follows:

“Madam Speaker:

I vote yes. The decennial reapportionment is a difficult task. This map meets constitutional and statutory requirements to apportion the 150 seats in the Vermont House.”

Rep. Smith of Derby explained his vote as follows:

“Madam Speaker:

While I will be proud to serve the town I grew up in, I feel the other towns in my district have been shortchanged by this decision.”

Thereupon, third reading was ordered.

Rep. Grad of Moretown, for the Committee on Judiciary, to which had been referred House bill, entitled

An act relating to prohibiting racially and religiously restrictive covenants in deeds

Reported in favor of its passage when amended by striking all after the enacting clause and inserting in lieu thereof the following:

Sec. 1. LEGISLATIVE INTENT

While racially and religiously restrictive covenants have been held unenforceable by courts since the U.S. Supreme Court’s 1948 decision in Shelley v. Kramer, 344 U.S. 1 (1948), no State law currently exists to remove or render these covenants void and to put an end to what was an invidious,
historical practice of discrimination in the United States. This practice was responsible, in part, for preventing Americans of BIPOC and religious minority backgrounds from fully participating in one of the greatest expansions of wealth and prosperity in this country’s history through federally backed mortgages and freely available homeownership. It is the intent of the General Assembly that this act prohibit racially and religiously restrictive covenants from ever being used in Vermont again, regardless of their enforceability, and that it establish a process for their removal from existing real estate transaction records.

Sec. 2. 27 V.S.A. § 546 is added to read:

§ 546. RACIALLY AND RELIGIOUSLY RESTRICTIVE COVENANTS IN DEEDS PROHIBITED; PROCESS FOR REMOVAL

(a)(1) A deed, mortgage, plat, or other recorded device recorded on or after July 1, 2022 shall not contain a covenant, easement, or any other restrictive or reversionary interest purporting to restrict the ownership or use of real property on the basis of race or religion.

(2) A covenant, easement, or any other restrictive or reversionary interest in a deed, mortgage, plat, or other recorded device purporting to restrict the ownership or use of real property on the basis of race or religion is declared contrary to the public policy of the State of Vermont and shall be void and unenforceable. This subdivision shall apply to a restrictive covenant executed at any time.

(b) A restrictive covenant, easement, or similar restrictive or reversionary interest prohibited by subsection (a) of this section may be released by the owner of the real property interest subject to the covenant by recording a Certificate of Release of Certain Prohibited Covenants. The real property owner may record the certificate prior to recording a deed conveying the property or at any other time the owner discovers that the prohibited covenant exists. The certificate may be prepared without assistance of an attorney but shall conform substantially to the following Certificate of Certain Prohibited Covenants form:

**Rep. Cordes of Lincoln** explained her vote as follows:

“Madam Speaker:

I voted yes for H. 715 for my grandchildren.”

**Rep. Long of Newfane** explained her vote as follows:

“Madam Speaker:

Establishing a Clean Heat Standard was a key recommendation of the Climate Council established by the Global Warming Solutions Act. This is a critical step in our on-going work to reduce Vermonters’ dependence on fossil fuels. This legislation incentivizes the energy industry to work with Vermonters to make the transition to cleaner, more affordable heating methods. I vote yes.”

**Rep. Rogers of Waterville** explained her vote as follows:

“Madam Speaker:

I voted yes to move us toward stable and affordable options in our heating sector and to prepare for the changes and challenges we will face throughout my lifetime and for generations to come due to climate change.”

**Rep. Stebbins of Burlington** explained her vote as follows:

“Madam Speaker:

I am proud to vote yes on this bill.

The excuses for why we shouldn't reduce our reliance on fossil fuels are typically:

1. We don't know what this bill will do.
2. This might cost too much.
3. This might hurt our most vulnerable.
4. This won't do anything. Vermont is too small.

My answers are:

1. We know climate change is hurting Vermonters now.
2. Not acting now will only cost us more.
3. Our most vulnerable will be more hurt by our inaction.
4. How will you explain to your children why you didn't act.”
