EXECUTIVE DEPARTMENT
EXECUTIVE ORDER NO. 01-21
[Creation of the Agency of Public Safety]

WHEREAS, the Governor, pursuant to Vermont Constitution Chapter II, Section 3, and 3 V.S.A. Section 2001 and Section 2002, may make such changes in the organization of the Executive Branch or in the assignment of functions among its units as he considers necessary for efficient administration; and

WHEREAS, the Constitution of Vermont, Chapter II, Section 6 provides that no bill, resolution or other thing which shall have been passed by one house of the General Assembly shall have the effect of or be declared to be a law without the concurrence of the other, ensuring no action by a single house, committee or agent of the General Assembly may be binding on the Executive Branch; and

WHEREAS, any organizational changes made by the Governor, pursuant to 3 V.S.A. Section 2001 and Section 2002, shall be subject to disapproval by both houses of the General Assembly; and

WHEREAS, it is desirable to reorganize the agencies, departments and divisions of government by better coordinating certain activities and improve the coordination and effectiveness of services to the public; and

WHEREAS, the Department of Public Safety administers programs and provides services that share common functions, training, IT systems and equipment, public safety and policy interests and emergency response
objectives with the Criminal Justice Council, E-911 Board, and the enforcement divisions of other state agencies and departments; and

WHEREAS, an Agency of Public Safety would be best positioned to elevate criminal justice to a Cabinet level by providing administrative and operational support for the state police training facilities and the Criminal Justice Council which would retain its independence and existing statutory duties and responsibilities for assisting local departments to achieve desired levels of certification and standardization now required for state aid, as well as investigating statewide incidents of police officer uses of force and police misconduct allegations; and

WHEREAS, the Department of Public Safety has been a leader in the State in the areas of Fair and Impartial policing and associated policy development, data collection and operational implementation, law enforcement training, technology and innovation; and

WHEREAS, in January 2020, the Department of Public Safety proposed an outline for modernizing policing and public safety in Vermont, which is based, in part, on more than 50 years of studies, reports and legislative drafts; and

WHEREAS, in June 2020, together with law enforcement and community leaders, DPS drafted a comprehensive 10-point strategy to accelerate progress in the organization of state law enforcement operations, modernizing our data collection and reporting technology; expanding alternative crisis response methodologies such as field mental health workers; providing enhanced statewide model policies in key areas, including use of force; modernizing hiring practices, training and supervisor selection; and developing community oversight models; and

WHEREAS, the goals of law enforcement modernization and reform and optimal government efficacy require a stronger and more direct alignment of State government law enforcement services, officer and executive training, recruitment and policy development and implementation; and

WHEREAS, dispatch services provided through the 911 Board and uniform law enforcement training and centralized reporting and investigations of conduct by the Vermont Criminal Justice Council can be more efficiently and cost-effectively supported and administered as part of an Agency of Public Safety, where additional opportunities for modernizing, reforming and standardizing service to Vermonters will be created; and

WHEREAS, the State could improve and more efficiently deliver law enforcement and emergency response services to the public through the reorganization of the Department of Public Safety into a single Agency of Public Safety; and
WHEREAS, the intent of this Executive Order is to provide a framework for the creation of an Agency of Public Safety within which the Executive and Legislative Branches can work together to establish mutually agreeable policy, structure and timeframes.

EXECUTIVE ORDER 01-21

The President laid before the Senate 02-21 Executive Order relating to changes in the organization of the executive branch of the government of
Vermont pursuant to the provision of 3 V.S.A. §2002, which was read by the Secretary and is as follows:

STATE OF VERMONT
EXECUTIVE DEPARTMENT
EXECUTIVE ORDER NO. 02-21

[Reorganization of the Natural Resources Board]

WHEREAS, the Governor, pursuant to the Vermont Constitution Chapter II, Section 3 and 3 V.S.A. Section 2001 and Section 2002, may make such changes in the organization of the Executive Branch or in the assignment of functions among its units as he considers necessary for efficient administration; and

WHEREAS, the Constitution of Vermont, Chapter II, Section 6 provides that no bill, resolution or other thing which shall have been passed by one house of the General Assembly shall have the effect of or be declared to be a law without the concurrence of the other, ensuring no action by a single house, committee or agent of the General Assembly may be binding on the Executive Branch; and

WHEREAS, any organizational changes made by the Governor, pursuant to 3 V.S.A. Section 2001 and Section 2002, shall be subject to disapproval by both houses of the General Assembly; and

WHEREAS, it is desirable to reorganize the agencies, departments and divisions of government by better coordinating certain activities and improving the coordination and effectiveness of services to the public; and

WHEREAS, Act 250 has operated under the same administrative structure for over fifty years, consisting of District Environmental Commissions (“District Commissions”), administrative tribunals comprised of three volunteer members of the public, operating independently in 9 regions of the State; and

WHEREAS, from 1970 through 2004, the former Environmental Board oversaw the operations of the District Commissions and established policy precedents across the Act 250 enterprise through the issuance of decisions in appeals of Act 250 permits; and

WHEREAS, when the Natural Resources Board replaced the Environmental Board in 2004, the Natural Resources Board did not retain its ability to compel consistent application of policy and law across the nine District Commissions through the issuance of decisions in Act 250 appeals; and
WHEREAS, while Act 250 has served Vermont well, the scope and complexity of environmental, planning, and regulatory issues District Commission must consider has expanded significantly since 1970; and

WHEREAS, with complex emerging issues such as climate change, the interplay between Act 250 and other state and municipal regulatory programs, demographic challenges, and the growing economic divide between the rural and urban parts of our state, and with a current governance structure that lacks a unifying policy authority across the nine districts, restructuring Act 250 presents an opportunity to maximize natural resource protections, enable well planned growth, increase predictability and reduce redundancy with other state regulatory programs; and

WHEREAS, a professional Natural Resources Board that decides major cases will have the capacity to consider and manage complex issues now and into the future, and, through their Orders, will establish precedent and policy resulting in the consistent application of Act 250 criteria statewide; and

WHEREAS, in each proceeding of the restructured Natural Resources Board, two members from the District Commission from the District where the proposed project is located will sit with the Natural Resources Board so regional considerations will continue to inform Act 250 decisions.

NOW THEREFORE, by virtue of the authority vested in me as Governor by the Constitution of the State of Vermont, Chapter II, Section 3 and Section 20, 3 V.S.A. chapter 41 and 32 V.S.A. § 704a, I, Philip B. is requested, shall be transferred to the Natural Resources Board.

7. As of July 1, 2021, the provisions of Title 10 and the rules, policies and procedures of the Natural Resources Board relating to applications determined to be major applications or minor applications where a hearing is requested shall be deemed to refer to and shall be applicable to the Natural Resources Board.

8. An applicant who has received a Jurisdictional Opinion from a District Coordinator may, within 30 days from the issuance of the opinion, request reconsideration of the Jurisdictional Opinion by the Natural Resources Board, acting without the District Commissioners.

9. All complete applications filed with a District Commission prior to July 1, 2021 shall remain under the jurisdiction of the applicable District Commission until resolution of the application.
