(3)(A) A landlord shall accept any housing vouchers that are available to pay all, or a portion of, the tenant's rent and utilities.

(B) If no housing voucher or federal or State subsidy is available, the total cost of rent for the unit, including utilities not covered by rent payments, shall not exceed the applicable fair market rent established by the Department of Housing and Urban Development.

(4)(A) A landlord may convert a grant to a forgivable loan upon approval of the Department and the housing organization that approved the grant.

(B) A landlord who converts a grant to a forgivable loan shall receive a 10 percent credit for loan forgiveness for each year in which the landlord participates in the grant program.

(f) Requirements applicable to forgivable loans. For a forgivable loan awarded under the Program, the following requirements apply for a minimum period of 10 years:

(1)(A) A landlord shall accept any housing vouchers that are available to pay all, or a portion of, the tenant's rent and utilities.

(B) If no housing voucher or federal or State subsidy is available, the cost of rent for the unit, including utilities not covered by rent payments, shall not exceed the applicable fair market rent established by the Department of Housing and Urban Development.

(2) The Department shall forgive 10 percent of the amount of a forgivable loan for each year a landlord participates in the loan program.

(g) Lien priority. A lien for a grant converted to a loan or for a forgivable loan issued pursuant to this section is subordinate to:

(1) a lien on the property in existence at the time the lien for rehabilitation and weatherization of the rental housing unit is filed in the land records; and

(2) a first mortgage on the property that is refinanced and recorded after the lien for rehabilitation and weatherization of the rental housing unit is filed in the land records.

Sec. 10. REPORT

On or before February 15, 2022, the Department of Housing and Community Development shall report to the General Assembly concerning the design, implementation, and outcomes of the Vermont Housing Investment Program, including findings and any recommendations related to the amount of grant awards.

Sec. 11. VERMONT HOMEOWNERSHIP REVOLVING LOAN FUND; PURPOSE

(a) The purpose of the Vermont Homeownership Revolving Loan Fund created in Sec. 12 of this act is to provide no-interest loans to increase access to homeownership.

(b) The Program is intended to assist Vermonters who otherwise may be unable to purchase a home or who may be unable to afford the costs to rehabilitate, weatherize, or otherwise make necessary improvements to a home they purchase.

(c) The Program is also intended to place a special focus on increasing the homeownership rates of households identifying as Black, Indigenous, or Persons of Color, who are systematically disenfranchised from financing real estate through traditional banking and have therefore been generationally dispossessed of the ability to develop lasting wealth.

Sec. 12. 10 V.S.A. § 699a is added to read:

§ 699a. VERMONT HOMEOWNERSHIP REVOLVING LOAN FUND

(a) Creation of Program. The Department of Housing and Community Development shall design and implement the Vermont Homeownership Revolving Loan Fund, through which the Department shall provide funding to statewide or regional nonprofit housing organizations, or both, to issue no-interest loans to first-time homebuyers.

(b) Eligible housing units. The following units are eligible for a loan through the Program:

(1) Existing structure. The unit is an existing single-family dwelling, a multifamily dwelling with not more than four units, a mobile home, or a condominium.

(2) Accessory dwelling. The unit is an accessory dwelling unit that meets the requirements of 24 V.S.A. § 4412(1)(E).

(c) Eligible applicants; priorities.

(1) To be eligible for a loan through the Program, an applicant shall:

(A) be a first-time homebuyer in Vermont;

(B) have a household income of not more than 120 percent of the area median income; and

(C) occupy the dwelling, or a unit within the dwelling, as his or her full-time residence.

(2) A housing organization may give priority to an applicant whose employer provides down payment assistance or funding for rehabilitation costs.

(d) Administration. The Department shall require a housing organization that receives funding under the Program to adopt:

(1) a standard application form that describes the application process and includes instructions and examples to help homebuyers apply;

(2) an award process that ensures equitable selection of homebuyers; and

(3) a loan management system that ensures accountability for funds awarded.

(e) Outreach. Recognizing that Black, Indigenous, and Persons of Color have historically not had access to capital for homeownership purchases and have been systemically discriminated against in the housing market, the

Department, working with Vermont chapters of the NAACP, AALV, USCRI, the Executive Director of Racial Equity, the Vermont Commission on Native American Affairs, local racial justice organizations, the Vermont Housing Finance Agency, and the nonprofit homeownership centers, shall develop a plan of active outreach and implementation to ensure that program opportunities are effectively communicated, and that funds are equitably awarded, to communities of Vermonters who have historically suffered housing discrimination.

(f) Program requirements.

(1) A loan issued through the Program:

(A) shall not exceed a standard limit set by the Department, which shall not exceed \$50,000.00;

(B) shall be zero interest, and payments shall be suspended while the homebuyer occupies the home; and

(C) shall become due in full upon the sale or transfer of the home or upon refinancing with approval by the Department and the housing organization that issued the loan.

(2) A rehabilitation project that is funded by a loan through the Program may include a weatherization component and shall comply with applicable building, housing, and health laws.

(3) A homebuyer may use not more than 25 percent of a loan for down payment and closing costs and fees.

(4) A homebuyer shall repay a loan.

(g) Revolving loan fund. The Department shall use the amounts from loans that are repaid to provide additional funding through the Program.

(h) Lien priority. A lien for a loan issued pursuant to this section is subordinate to:

(1) a lien on the property in existence at the time the lien for the loan is filed in the land records; and

(2) a first mortgage on the property that is refinanced and recorded after the lien for the loan is filed in the land records.

Madam President:

I am directed by the Governor to inform the Senate that on the second day of July, 2021 he returned without signature and *vetoed* a bill originating in the Senate of the following title:

S. 79. An act relating to improving rental housing health and safety.

Text of Communication from Governor

The text of the communication to the Senate from His Excellency, the Governor, whereby he vetoed and returned unsigned **Senate Bill No. S. 79** to the Senate is as follows:

“July 2, 2021

The Honorable John Bloomer, Jr.
Secretary of the Senate
115 State House
Montpelier, VT 05633-5401

Dear Mr. Bloomer:

Pursuant to Chapter II, Section 11 of the Vermont Constitution, I am returning S.79, *An Act Relating to Improving Rental Housing and Safety*, without my signature because I believe this bill would reduce the number of housing options for Vermonters at a time when we are grappling with a critical housing shortage. While we all want safe housing and lodging options for Vermonters and visitors, in my opinion this bill does not accomplish this shared goal.

As you well know, I have repeatedly advocated for improving Vermont’s aging long-term rental housing stock, which is why we used pandemic emergency housing relief and other funds to initiate innovative housing programs like the Vermont Rental Housing Investment Program and the Vermont Homeownership Revolving Loan Fund. Fortunately, these programs can move forward despite this veto with the dedicated funding included in the Fiscal Year 2022 appropriations bill.

Most agree we suffer from a critical housing shortage for middle income, low income and homeless Vermonters, but the solution is not more regulation. Instead, we need to invest in new and rehabilitated housing in every corner of our state. We need to lower costs to make housing more affordable and we need to ease complicated and duplicative permitting requirements while we have the funding to grow and improve our housing stock. This is what I have proposed since my first year as governor and I will continue to do so.

S.79 targets all rental units in all types of buildings and dwellings with few exceptions. I believe this will discourage everyday Vermonters from offering their homes, rooms or summer cabins for rent, not as a primary business but as a means to supplement their income so they can pay their mortgage as well as their property taxes.

Adding additional restrictions, costs and hoops to jump through will not only reduce the number of long-term rentals, but also short-term lodging options when we have a surge in tourists, including foliage and ski seasons. Tourists and visitors having more lodging options when deciding where to stay makes Vermont more competitive and helps our economy.

I am willing to work with the Legislature to modernize our statewide life safety inspection model and initiate a long-term rental registry if we include the following provisions:

- First, I would support a rental housing registry for only those buildings which exceed two dwelling units available for rental for more than 120 days per year. This will ensure we are differentiating between those renting a unit merely to support household expenses, and more professional landlords operating a rental business.
- Second, the health safety inspection obligations transferred in S.79 to the Division of Fire Safety are an expansion of DFS fire safety inspection obligations to include health inspections. This also expands the responsibility for health code inspections from a local “complaint-based” system to the mandatory statewide inspection authority of DFS. Further, S.79 takes away the existing discretion of DFS to determine if a violation merits shutting a residence down for rental. Under S.79, one uncorrected health or safety violation will make a unit unavailable. There must be a commonsense risk consideration added.

I also believe we need more thorough consideration of timelines, resource needs, regulatory flexibility for DFS, training needs for local health officials and impacts on rental housing resources before transferring total oversight to DFS. The bill currently includes five new positions to carry out much of this work. Truly fulfilling the bill’s mandate would require an even more costly expansion of the bureaucracy in the future, which I could not support. Perhaps Senator Brock’s amendment could be considered a bridge to longer-term modernization.

- Third, I ask the Legislature to continue to support the Vermont Rental Housing Investment Program and the Vermont Homeownership Revolving Loan Fund, which, again, will move forward with funding from the FY22 budget.

- Finally, I also believe we must work together on Act 250 reforms and permitting, especially in light of our unprecedented housing investments. My Administration will make themselves available at any time over the summer and fall to discuss potential paths forward.

Based on the objections outlined above, I am returning this legislation without my signature pursuant to Chapter II, Section 11 of the Vermont Constitution.

Sincerely,

/s/Philip B. Scott
Governor
