10 (1) that immediate investments are necessary to support Vermont’s  
11 economy, ensure that all families with young children have affordable access  
12 to high-quality child care and early education, and that Vermont’s early  
13 childhood educators are fairly compensated and well supported; and

14 (2) to continue and build upon the five-year redesign of the Child Care  
15 Financial Assistance Program that began in fiscal year 2020.

17 Sec. 2. 33 V.S.A. § 3512 is amended to read:

18 § 3512. CHILD CARE FINANCIAL ASSISTANCE PROGRAM;

19 ELIGIBILITY

20 (a)(1) The Child Care Financial Assistance Program is established to  
21 subsidize, to the extent that funds permit, the costs of child care for families

1 that need child care services in order to obtain employment, to retain  
2 employment, or to obtain training leading to employment. Families seeking  
3 employment shall be entitled to participate in the Program for up to three  
4 months and the Commissioner may further extend that period.

5 (2) The subsidy authorized by this subsection shall be ~~on a sliding scale~~  
6 ~~basis. The scale shall be~~ established by the Commissioner, by rule, and shall  
7 bear a reasonable relationship to income and family size. ~~The lower limit of~~  
8 ~~the fee scale shall include families whose gross income is up to and including~~  
9 ~~100 percent of the current federal poverty guidelines. The upper income limit~~  
10 ~~of the fee scale shall be neither less than 200 percent of the current federal~~  
11 ~~poverty guidelines nor more than 100 percent of the State median income,~~  
12 ~~adjusted for the size of the family. Families shall be found eligible using an~~  
13 income eligibility scale based on the current federal poverty level and adjusted  
14 for the size of the family. Co-payments shall be assigned to the whole family  
15 and shall not increase if more than one eligible child is enrolled in child care.  
16 Families with an annual gross income of less than or equal to 150 percent of  
17 the current federal poverty guidelines shall not have a family co-payment.  
18 Families with an annual gross income up to and including 350 percent of  
19 current federal poverty guidelines, adjusted for family size, shall be eligible for  
20 a subsidy authorized by the subsection. The scale shall be structured so that it  
21 encourages employment. If the federal poverty guidelines decrease in a given

1 year, the Division shall maintain the previous year's federal poverty guidelines  
2 for the purpose of determining eligibility and benefit amount under this  
3 subsection.

5 Sec. 3. 33 V.S.A. § 3514 is amended to read:
