TOT	THE HOUSE	OF REPRE	ESENTATIVES

- The Committee on Education to which was referred Senate Bill No. 114

 entitled "An act relating to improving prekindergarten through grade 12

 literacy within the State" respectfully reports that it has considered the same

 and recommends that the bill be amended by striking out all after the enacting

 clause and inserting in lieu thereof the following:
- 7 * * * Purpose * * *
- 8 Sec. 1. PURPOSE

1

- (a) The purpose of this act is to continue the ongoing work to improve
 literacy for all students in the State while recognizing that achieving this goal
 will require a multiyear and multidimensional effort requiring continued focus
 by the General Assembly, the Administration, and school leaders.
- 13 (b) The State has been awarded Elementary and Secondary School 14 Emergency Relief (ESSER) funding under the American Rescue Plan Act of 15 2021 Section 2001(f) to carry out, directly or through grants or contracts, activities to address learning loss by supporting the implementation of 16 17 evidence-based interventions, such as summer learning or summer enrichment 18 programs, extended day programs, comprehensive afterschool programs, or extended school year programs, and ensure that such interventions respond to 19 20 students' academic, social, and emotional needs and address the 21 disproportionate impact of the coronavirus on at-risk student populations,

1	students experiencing homelessness, and children and youths in foster care,
2	including by providing additional support to local educational agencies to fully
3	address such impacts.
4	(c) The purpose of the technical support for supervisory unions under
5	Sec. 3 of this act and the contractor support for the Agency of Education under
6	Sec. 4 of this act is to carry out activities to address learning loss and improve
7	literacy outcomes.
8	* * * Findings * * *
9	Sec. 2. FINDINGS
10	(a) Addressing literacy outcomes is a key strategy for the successful
11	implementation of 2018 Acts and Resolves No. 173. The following findings
12	from the report entitled "Expanding and Strengthening Best-Practice Supports
13	for Students who Struggle" issued by the District Management Group in
14	November 2017, which informed the development of Act 173, support the
15	urgency to improve Vermont's literacy outcomes relative to special education
16	reform:
17	(1) "Investing in the effectiveness of core reading instruction is critical
18	for students in general education and students with disabilities."
19	(2) "Students with mild-to-moderate disabilities who struggle with
20	reading may not be supported by teachers skilled in the teaching of reading."

1	(3) "While some special education teachers across the supervisory
2	unions had a strong background in the teaching of reading, others indicated
3	that they did not have the training or background to be effective supporting
4	students struggling in reading."
5	(b) The following data indicate Vermont needs to improve its literacy
6	outcomes at the early grades:
7	(1) Smarter Balanced Assessment Consortium results from 2016 to 2018
8	indicate that only about 50 percent of students in grade three were proficient in
9	English Language Arts in each of these years.
10	(2) From 2015 to 2019, Vermont's average scale in grade four reading
11	on the National Assessment of Educational Progress dropped every year from a
12	high of 230 to a low score of 222.
13	(c) The COVID-19 emergency has adversely affected student academic and
14	developmental progress. Failure to address literacy outcomes now could
15	significantly impact student development for many years to come, since
16	literacy is foundational to the success of each student.
17	(d) The General Assembly recognizes that improving literacy outcomes is a
18	significant challenge for school systems and their constituencies, and that they
19	will require time and assistance in making necessary changes.

21	based interventions that respond to students' academic, social, and emotional

I	needs and address the disproportionate impact of COVID-19 on student groups
2	most impacted by the pandemic and for whom the pandemic exacerbated pre-
3	existing inequities; and
4	(B) school districts that need additional support as evidenced by their
5	needs assessment priorities in their COVID-19 recovery plans.
6	(c) The Agency of Education shall use the funding under Sec. 4(a) of this
7	act to retain one or more contractors to provide the following technical
8	assistance to supervisory unions:
