Committees on Appropriations MILITARY DEPARTMENT TESTIMONY Fiscal Year 2023

February 2022

Functions Performed by the Department:

The Military Department's Narrative has in-depth information on the 5 Major Programs that make up this budget: Administration, Air Services, Army Services, Building Maintenance, and Veterans Affairs. These programs support the Missions of the Vermont National Guard. Listed below is the state support to our core mission:

- 1. Provide command and control for the Vermont National Guard to insure it is prepared to respond to State and Federal activation.
- 2. Provide and alternate Emergency Operations Center, personnel and equipment support for Vermont emergencies.
- 3. Provide security for 4 VTNG facilities (Ethan Allen Firing Range, Camp Johnson, AASF, and VTANG), and firefighter support to the Burlington International Airport and surrounding communities.
- 4. Provide support services to Vermont Veterans.
- 5. Provide STEM education opportunities to Vermont children though the STARBASE program.
- 6. Maintain VTNG buildings and property; to include 18 armories and roughly 12,000 acres throughout the State.
- 7. Provide engineering, environmental and energy efficiency oversight.
- 8. Administer contracting services to VTNG
- 9. During State Fiscal Year 2022, the Military Department employees 160 personnel, 143 receive Federal Funding and only 17 are 100% State Funded.
- 10. During Federal Fiscal Year 2021, the VTNG employed approximately 905 full-time personnel and 2,854 part-time personnel, totaling \$153M in federal payroll. Total VTNG spending was \$182M federal dollars.

Federal Funding:

The Military Department's total expenditures in State FY21 were \$40.9M, of which \$35M was federally reimbursable, \$5.1M was the State's General Fund, \$233K was Special Funds, and \$588K was in support of VTNG COVID response efforts. The State had significant federal spending during FY21 as design and construction began for the Army Mountain Warfare School in Jericho, VT. Spending for this project totaled nearly \$9M of 100% Federal funding in FY21.

In FY21, \$577K was distributed to VSAC for the National Guard Tuition Benefit program, of which \$554,394 was General Funds and \$23,184 was Coronavirus Relief Funds.

Absent the tuition grant, spending on military operations totaled \$38.6M, of which \$34.9M was federally reimbursable, leaving the state with \$3.7M or 9.7% of the total cost. This represents \$9.31 of federal reimbursement for every \$1 of General Funds spent.

Summary of Key FY 2023 Issues and Highlights:

The Military Department FY23 budget represents an overall increase from FY22 of 3% with only three exceptions:

- (1) The Department has a vacant/unfunded Exempt Executive Director position on the personnel roster that we are currently requesting funding to fill in FY23. The position has been traditionally utilized as the special assistant to the Adjutant General. For the past 18 months those duties have been filled by a Vermont National Guard full-time member, however the resources and funding for this position through the Vermont National Guard is not expected to continue into the next State Fiscal Year. \$108K of State funding needed to fill this exempt state position is including in the FY2023 budget request.
- (2) Within the Office of Veterans Affairs are three Veterans Service Officer (VSO) positions. VSO's help coordinate Veterans benefits through outreach and assistance with completing various benefit applications. This team recovers anywhere from \$4M to \$7M of new Federal benefits for Vermont veterans on an annual basis. The workload and growing backlog for the VSO's has been a continued issue for a number of years. The backlog results in delays in benefits for veterans, which results in the veterans turning to state programs to meet their needs. The Fiscal Year 2023 budget request includes an additional \$82K of State funding for a fourth VSO position, which is critical to address the growing backlog of claims, as well as an anticipated uptake of claims as new veterans reach out for assistance following the wars in Afghanistan and Iraq.
- (3) General Fund allotment of roughly \$36K represents Internal Service Fund and benefit increases above 3%.

All other costs associated with pay and benefit increases as well as operational costs have been absorbed into the 3% GF increase. Federal funding will see a significant increase once again in FY23 due to anticipated awards for Military Construction projects, including design and construction of a new Family Services Building (\$4M), a new armory in Bennington (\$18M), and improvements to the Biathlon at the Ethan Allen training site (\$6M). These projects will be 100% Federally funded through Military Construction Cooperative Agreements.

Wages and benefits for the Military Department are budgeted at a total of \$14.5M for FY2023, of which the State's share is \$2.5M; \$1.65M is dedicated to military operations and \$880K to Veterans Affairs. 143 of the department's 160 positions receive varying levels of Federal Funding averaging at about 94%. 16 positions are 100% State Funded; 8 are dedicated to military operations and the other 8 to the Office of Veteran's Affairs. 1 position is fully funded through the Vermont Veterans Cemetery Special Funds.

Budget Development Form:

In FY23 the Military Department's total budget increased \$397,409 or 7% from the FY2022 base budget. This increase is made up of the funding for the Executive Director position, Veteran Service Officer position, GF allotment for ISF's and benefits, in addition to a 3% increase for all other personnel and operational costs.

The Administration realized General Fund increases of 7% for Internal Service Funds, pay and benefits, as well as an increase in funding for the Joint Enlistment Enhancement Program. Utilization of this incentive program has greatly increased in FY22.

Air Services General Funds increase by 3.7% for increased pay and benefit costs. Changes in personnel costs are due to both the addition and elimination of various positions. The department gained three new maintenance positions and eliminated two custodial positions in FY22, of which the state pays for 20% of the cost. Federal funds will increase in line with GF as pay and benefits rise. The department also expects to fund a new 100% Federally reimbursable program in FY23 for sustainment, restoration and modernization of VTANG facilities.

Army Services Federal Funds increases significantly in FY23 for multiple Military Construction projects as mentioned above.

Building Maintenance, which provides the state share of the facilities program under the Army Services appropriation, has a 3.4% increase for largely pay and benefits. General funds under this appropriation pay for a portion of the cost for 19 full time personnel.

Veterans Affairs General Fund will increase significantly in FY23 at 16%, due to increased benefits and the addition of a fourth Veteran Service Officer position. The Veteran's Cemetery Special Fund and Federal funds remain nearly level with FY22.

Grants:

Under E.215 - \$1.32M of General Fund will go to VSAC for Guard scholarships to support the Vermont National Guard Tuition Benefit Program.

Under E.219 - In the Veterans Affairs division, Fiscal Year 2023 appropriates \$7,500 for the Veterans Day Boy Scouts parade; \$1,000 for Veterans Medals; \$10,000 to the American Legion in support of VT Boys and Girls State; \$4,800 for the expenses of the Governor's Veterans' Advisory Council.

Performance Measures:

The Military Department's performance is measured by the ability of the VT National Guard to accomplish its state and federal missions. The VTNG Joint Leadership Council has established three (3) strategic goals for the total VTNG. Those goals are:

- 1. Ready: Increase forces available to achieve state and federal missions
- 2. Reliable: Enhance our professional workforce's capability to support state and federal missions
- 3. Relevant: Seek emerging missions for which we are uniquely suited

Progress towards accomplishing these goals is measured by the VTNG strategic planning office, based on performance standards established and assessed by Army and Air Guard leadership. To meet the TAG's objectives, we provide facilities, ranges and airfield readiness.

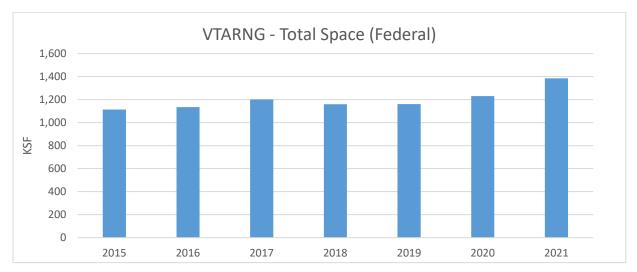

Performance Management Outcomes:

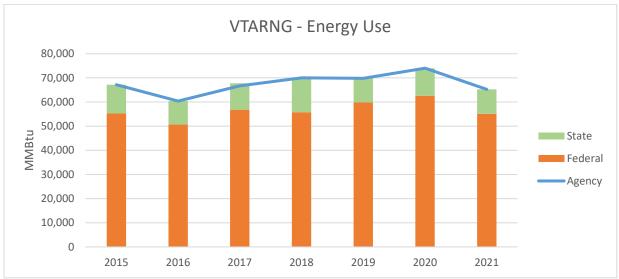

The Military Department submitted three items as part of the Results-Based Accountability (RBA) process:

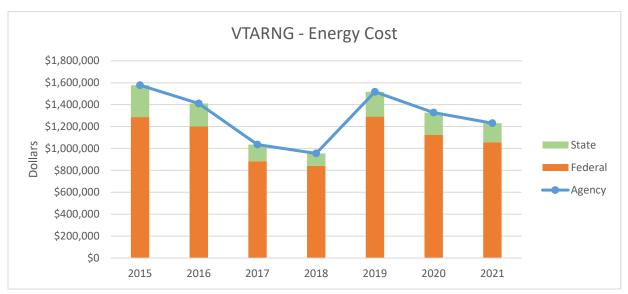

(1) Energy Management is an ongoing priority for the Vermont National Guard and the Military Department. The Department has gained nearly 300K square feet of Army facility space over the last seven years. Although the overall energy consumption has increased marginally, the state share of total energy consumption continues to remain around 2015-2016 levels.

This is attributed to maximizing the federal match to upgrade heating systems to include geothermal, wood chip, natural gas, upgrading electrical systems to incorporate solar power, and

converting lighting to LED. Additionally, there have been many facility upgrades to include new insulation, windows and doors. All new construction meets Leadership in Energy and Environmental Design (LEED) standards.

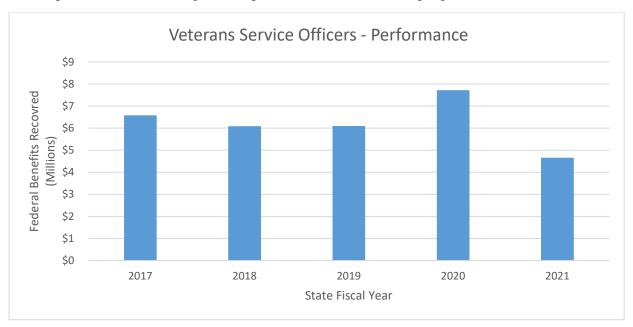

(2) State Veterans Service Officer (VSO) Performance Activities: State VSOs are part of the Office of Veterans Affairs. Their function is to provide outreach to over 42,100 veterans currently living in Vermont and to advocate on their behalf regarding benefit claims to the federal government. They also conduct workshops for veterans and veterans' groups to connect them to available resources. There are 3 VSOs and their salaries/benefits total approximately \$280K annually and is paid from the General Fund. As represented in performance measures; they are doing great work helping veterans receive their benefits which in-turn reduces hardships to our veterans. Their caseload in FY21 was 687 claims, and they helped veterans recover over \$4.6 Million in federal benefits. This generates a return on investment of \$17 of Federal benefits for every \$1 of State funding which pays for the VSO salaries/benefits.

FY2021 saw a light decline in recovered benefits as compared to previous years due to a lag in processing time at the Department of Veterans Affairs (VA) in the midst of the pandemic. As the department gains another Veteran Service Officer position and as operations continue to normalize at the VA, it is expected that claims and recovered benefits will trend back upward.

As Veterans needs for services continue, it is critical to recognize the Veterans Service Officers perform an invaluable service in support of our veterans, relieving many burdens and financial hardships while also reducing their dependence on state benefit programs.

(3) Joint Enlistment Enhancement Program (JEEP): During Fiscal Year 2021 the Military Department piloted a new program to incentivize non-recruiters to become a recruiting assistant by supporting the enlistment or accession of Soldiers or Airmen into the Vermont National Guard. Beginning in October 2021, eligible participants would receive an inventive payment of up to \$500 once their referral enlisted into the VTNG and shipped to initial entry training. During the first 9 months of the program, JEEP referrals lead to 10 new enlistments. So far in FY22, JEEP referrals have led to 21 enlistments with 6 more referral contracts pending. The Department's budget for this program is \$20,000 for FY22 and \$30,000 for FY23.

Vermont National Guard FY2021 Accomplishments

Recognizing the roles, the National Guard fills in the State of Vermont, it's important to share the many accomplishments of our Soldiers and Airmen during FY2021. All these training and development activities directly contribute to the readiness of our soldiers and airmen meeting their federal, state and community mission.

Air Guard:

- The 158th Fighter Wing had a very busy and successful final year of conversion to the F-35 aircraft, to include.
 - O Successfully completed two large deployment exercises with the F-35, including Red Flag 21-3 at Nellis AFB, Nevada in July/August, which was the most advanced RF in US history. The Wing was the only Guard unit invited to participate and this exercise where they demonstrated their ability to employ multiple F-35s against peer air and ground threats, culminating in the exit from conversion on 1 Jan 2022.
 - o 31 pilots are fully F-35 qualified, 16 of whom are instructor pilots, which is the highest percentage of any F-35 operational squadron in the Air Force. The 2 out of 8 future pilots hired, whom are the Wing's first and second female F-35 pilots, are in different phases of training; one has completed Introductory to Flight Training (IFT) and began the F-35 Basic Course in November 2021 which will take about a year. The other started IFT in January 2022 and will begin the F35 Basic Course in about 2 years.
 - o 80% of approximately 400 aircraft maintainers have completed advanced F-35 qualification training (5/7 level)
- In 2021, 70 airmen from 158th Fighter Wing non-flying combat support sections returned from 6-month deployments to three combatant commands as part of a Reserve Component Period (RCP). This differs from the VTARNG deployment as Airmen deploy in support of other deployed Air Force and Air National Guard units.
- The 158th Fighter Wing received the Air Force Outstanding Unit Award for the second year in a row. The 158th Civil Engineer Squadron received a national level Air Force design award for the Building 150 F-35 Maintenance Hangar. Mr. Shannon Kelly and Mr. Peter Dufault of the 158th Fighter Wing Environmental Management Office (EMO) received the 2021 Air National Guard General Thomas D. White Environmental Restoration, Installation Award, which recognizes the Installation conducting the best Environmental Restoration Program in the entire ANG. During the two-year evaluation period (2019 and 2020), the EMO successfully achieved final closure of four restoration sites under cleanup efforts that spanned 36 years and implemented innovative strategies to mitigate PFAS contamination. In addition, the Wing Public Affairs team received national level recognition for their outstanding film, video and other media products created from the Wing's multiple training events.

Army Guard:

• The VTARNG became the first state in our nation to open ALL combat arms unit to recruitment of women. There are currently no units nor jobs in the VTARNG in which a woman cannot serve.

- Expanded Soldier access to behavioral health services by partnering with Cohen Veterans Network (Mental Health Support). Thus, we are now able to provide telehealth mental health support to not only Vermont National Guardsmen and their families but to post 9/11 veterans and military families across Vermont.
- The Vermont Army National Guard mobilized over 925 Soldiers to 3 different combatant commands within a 5-month window in 2021. All these operations were conducted under COVID-19 conditions.
- August 14th, our Vermont Army National Guard Aviation worked with local first
 responders from Waterbury Backcountry, Barre Town Fire Department, Plainfield Fire
 and Rescue, and East Montpelier Fire Department to evacuate a badly injured hiker from
 Spruce Mountain in Plainfield. The VTARNG Blackhawk, with no place to land, used a
 hoist to successfully lift the hiker from the mountain and transport her for treatment at
 UVM Medical Center. This was truly a team effort and exemplifies the ability of our
 Vermont National Guard to assist local authorities when called.
- The 40th Army Band completed 37 different missions (concerts, parades, ceremonies, funerals) for an audience count of 15,670 in FY-21. This included the commissioning ceremony of the nuclear attack submarine, USS Vermont, and 8 missions in one day at the Champlain Valley Fair.
- Garrison Support Center's Critical Infrastructure Team assisted UVM Medical Center with recovery from their cyber-attack
- Regional Training Institute hosted an information operations workshop with Signal Corps Proponent and National Guard Bureau to identify needs and assist with future training guidance as it pertains to information operations
- In FY21, the Construction & Facilities Management Office brought \$19,735,550 into the state in federal funding.
- Received \$28M in FY22 federal funding for Military Construction Projects; \$18M for Bennington Armory, \$6M for Biathlon Training Facility upgrades, \$4M Family Services Facility.
- Although recruiting remains a significant challenge, the change in demographics is very encouraging.
 - o Mission: 320 Accessions: 199 62% of mission achieved
 - Breakdown of accessions:
 - Non-prior Service (new enlistments): 80
 - Officers: 59
 - Prior Service: 11
 - Reserve Component Transfer from Active Duty: 10
 - Inter-State Transfer: 26 (instead of losing soldiers to other states)
 - Females: 44 (increase of 10 female enlistments from FY20)
 - Females accessions into combat arms: 3 (2 x officers / 1 x enlisted)
 - Norwich Students: 24

Joint:

- Established Office of the Provost Marshall.
- Established Service Member Support Directorate, J-9.
- Army and Air Guard Medical personnel conducted a Medical Readiness Exercise in St. Louis Senegal. The team worked alongside Senegalese medical professionals to treat over 700 people, greatly reducing patient backlog at the Regional Hospital.
- North Macedonia's Minister of Defense conducted an official visit to Vermont. This was the Minister's first visit to Vermont after North Macedonia's accession into NATO in 2020. The visit focused on areas in which the Vermont National Guard can support North Macedonia in achieving NATO directed targets to increase interoperability and build resilience against malign influence in the region. This visit also included engagements between leaders from North Macedonia and representatives from Vermont State Government and educational intuitions to explore opportunities to expand the partnership to a whole of society approach. Vermont and North Macedonia share similarities that lend to cooperation in the areas of economics, tourism, and education. A whole of society approach supports security cooperation beyond the military by adding direct benefit in facilitating rule of law, economic stability, and security in North Macedonia.
- Vermont was selected to become the State Partnership Program affiliate for Austria. This selection formalized the history of cooperation between Austria's military and the Vermont National Guard that dates to the 1980s.
- Hired Colonel Diane Roberts as the VTNG Chief, Joint Diversity and Inclusion Officer, she is a member of the region one (New England, New York and New Jersey) Joint Diversity Executive Council, and is active in strategic planning for the region. She is also our lead liaison with NGB for the operational planning team to address sexual harassment and sexual assault in the National Guard.
- In conjunction with the State, developed and implemented a recruiting incentive program, offering compensation of \$500 for any VTNG member in the rank of Private to Lieutenant Colonel providing an enlistment to the VTNG (\$250 upon enlistment, \$250 upon shipping to basic training).
 - O Since inception in mid-October:
 - 24 AF enlistments and 1 Interstate Transfer
 - 7 Army enlistments, and 3 Interstate Transfers

Domestic Mission:

The VTNG continued to support the Governor, partner agencies, and the Vermonters through another active year. This was performed along three lines of effort: COVID-19 response, 2021 presidential inauguration support, and steady state operations.

<u>COVID-19 Response</u> – The Vermont National Guard prepares to enter into its third year of support provided to the Vermont Department of Health (VDH), Vermont Emergency Management (VEM), and other partners in responding to COVID-19 in multiple mission areas.

- Alternate Healthcare Facility (2020-present) Currently in a "cold status".
- Strategic National Stockpile (SNS) Warehouse Support (2020-present)
- Sampling Kit Assembly (2020-present)
- Vaccinations (2021-present)
- Testing (2020-present)
- Contact Tracing (2021-present)
- Emergency Room Augmentation (2020)
- General Hospital "wrap-around" support for under-staffed positions (2021-present)
- Community Food Distribution Support (2020)
- UVMMC Cyber Incident Support (2020)
- VTNG Joint Operations Center (JOC) at higher tier (2020-present)
- Liaison Support to the Vermont Department of Health (VDH) (2020-present)
- Liaison Support to the Vermont Emergency Management (VEM) (2020-present)
- and multiple other smaller missions.

<u>2021 Presidential Inauguration Support</u> - In the aftermath of the 2021 US Capitol Attack, the VTNG sent a task force of approximately 100 soldiers to support the DC National Guard.
