

Vermont COVID-19 Agriculture Assistance Program Application Summary

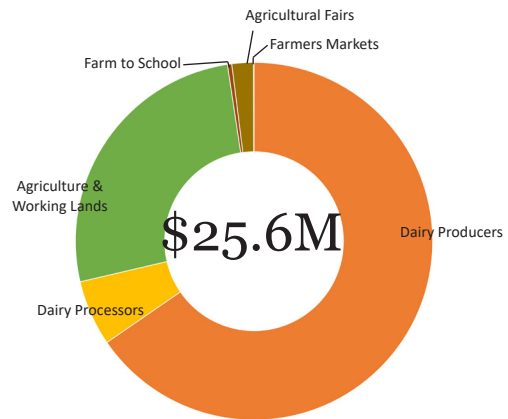

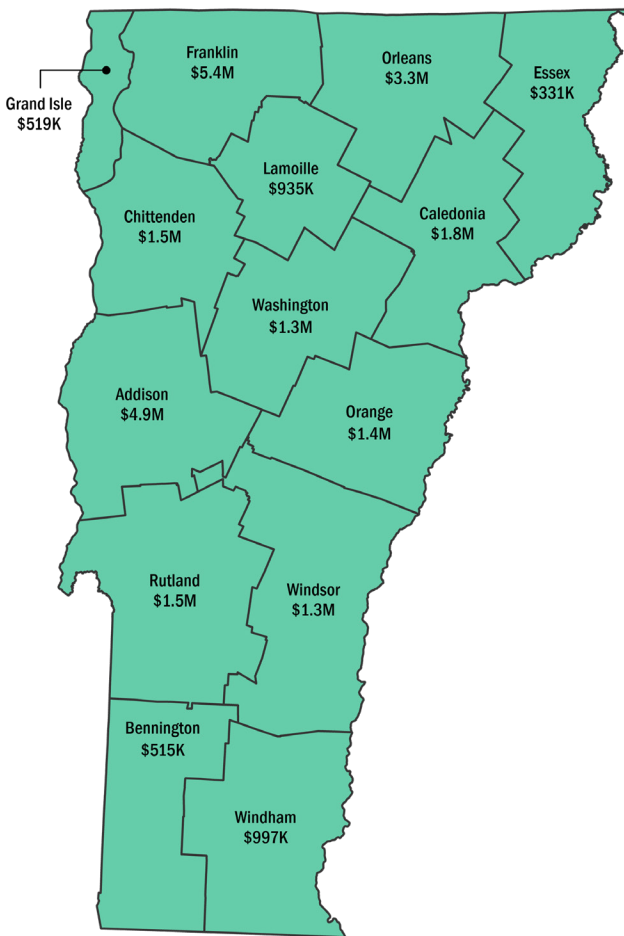

The Vermont State Legislature appropriated Coronavirus Relief Funds for the Vermont COVID-19 Agriculture Assistance Program (VCAAP) in Act 138 (S.351), Act 137 (H. 966), Act 120 (H.961), and Act 154 (H.969). The purpose of these grants was to stabilize agricultural businesses and organizations based on their lost revenues and expenses related to business interruption caused by the COVID-19 public health emergency.

The Vermont Agency of Agriculture, Food & Markets awarded VCAAP grants to eligible farmers, meat and poultry processors, commercial slaughterhouses, farmers' markets, value-added food product businesses, forest products businesses, producer associations, dairy producers and processors, agricultural fairs, schools and registered or licensed child care providers. Each grant program had maximum funding amounts based on farm size, processor capacity, or business revenues.

Agriculture & Working Lands Applications per County

AGRICULTURE & WORKING LANDS AWARDS BY COUNTY AND BUSINESS CATEGORY

Farm to School

22 Awards for \$100,000

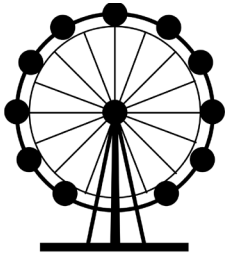

The passage of Act 154 (H.969) allocated \$100,000 in Coronavirus Relief Funds (CRF) to the Vermont Agency of Agriculture, Food & Markets Farm to School Program to address the effects of the COVID-19 pandemic. The Vermont COVID-19 Agriculture Assistance Program (VCAAP) Farm to School Application reimbursed schools and registered or licensed child care providers for equipment and supply purchases that were necessitated by the COVID-19 global health pandemic and help support farm to school program goals.

Agricultural Fairs

12 Awards for \$500,000

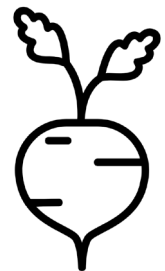

The Vermont State Legislature appropriated funding in Coronavirus Relief Funds for the purpose of awarding grants to Vermont's agricultural fairs that have suffered lost revenues or expenses caused by the COVID-19 public health emergency. Governor Scott signed this legislation, Act 138, on July 2, 2020. The Vermont Agency of Agriculture, Food & Markets (VAAF) awarded funds to agricultural fairs that are registered with VAAF and have experienced income loss, additional expenses, and event disruption.

Farmers Markets

7 Awards for \$12,643

The Vermont COVID-19 Agriculture Assistance Program (VCAAP) Farmers' Markets Relief Application was created to alleviate the economic hardship suffered by small and medium-sized farmers' markets due to the COVID-19 pandemic. This application was open to farmers' markets with less than \$10,000 in annual gross sales. Farmers' markets with annual gross sales of more than \$10,000 could apply for assistance under the Agriculture and Working Lands Application.

Customer Experience Survey Summary

VAAFM sent 1,241 survey invitations to VCAAP grantees, applicants, those who started an application but did not apply, and service providers who assisted applicants. 409 individuals responded.

How much did receiving a VCAAP grant help to stabilize your business or organization?

Would you be likely to apply for a similar grant in the future?

“

I never expected to receive a grant of the size I did receive and am so very grateful. It will help replace so many losses in 2020 and it also allowing me to increase salaries for all my deserving staff members.

”
