MEMORANDUM

To: House Education Committee
From: Rep. Carolyn Partridge
Date: May 18, 2021
Subject: S.100 school meals

The House Agriculture and Forestry Committee met with proponents of S.100 Tuesday afternoon, and wish to express our strong support for S.100. As someone said, this is a “win win win win win”, like skipping a stone on the water. We encourage the House Education Committee to keep this bill moving toward passage.
