

Dear Representative Donahue

Thanks for reaching out. UVM employs 29 full time RN faculty, 46 part time faculty (clinical educators), hired hourly, 2 MDs and one basic scientist. We do not put faculty on overload, except in a rare situation by mutual agreement. . Our current enrollment is 600 students We struggle everyday to find faculty. Right now the particularly hard areas are Psych and Women's. Please call me if I can clarify anything.
