DEPARTMENT OF MENTAL HEALTH

SARAH SQUIRRELL, COMMISSIONER MOURNING FOX, DEPUTY COMMISSIONER SHANNON THOMPSON, FINANCE MANAGER

DEPARTMENT OF MENTAL HEALTH 280 STATE DRIVE NOB 2 NORTH WATERBURY, VT 05671 PHONE: 802-241-0090

OVERVIEW

FY21 BAA

- Department of Mental Health Overview (Brief)
- Current COVID19 Impact, Priorities, Opportunities

MISSION: TO PROMOTE AND IMPROVE THE MENTAL HEALTH OF VERMONTERS.

Vision:

Mental Health will be a cornerstone of health in Vermont. People will live in caring communities with compassion for and a determination to respond effectively and respectfully to the mental health needs of all citizens. Vermonters will have access to effective prevention, early intervention, and mental health treatment and supports as needed to live, work, learn, and participate fully in their communities.

COMMUNITY PROGRAMS

Program	Description	
Adult Outpatient (AOP)	Provides services for adults who do not have prolonged serious disabilities but who are experiencing emotional, behavioral, or adjustment problems severe enough to warrant professional attention	
Community Rehabilitation and Treatment (CRT)*	Provides services for adults with severe and persistent mental illness	
Children and Families (C&F)*	Provide services to children and families who are undergoing emotional or psychological distress or are having problems adjusting to changing life situations.	
Emergency Services	Serves individuals who are experiencing an acute mental health crisis. These services are provided on a 24-hour a day, 7-day-per-week basis with both telephone and face-to-face services available as needed.	
Advocacy and Peer Services	Broad array of support services provided by trained peers (a person who has experienced a mental health condition or psychiatric disability) or peer-managed organizations focused on helping individuals with mental health and other co-occurring conditions to support recovery	*mandated service population

MENTAL HEALTH RELATED LEGISLATIVE REPORTS

Act 79 (18 VSA 174 § 7256) requires the Department to submit an annual report regarding the extent to which individuals with a mental health condition or psychiatric disability receive care in the most integrated and least restrictive setting available.	Annually, on or before January 15
Act 114 addresses three areas of mental-health law; the administration of nonemergency involuntary psychiatric medication in inpatient settings for people on orders of hospitalization, the administration of nonemergency involuntary psychiatric medication for adults on orders of non-hospitalization (community commitments), and continuation of ninety-day orders of non-hospitalization.	Annually, on or before January 15 (2020 extension to January 31 st)
Act 140: Reports on the Conditions of Funding for Brattleboro Retreat, including Employee Relations and Patient Quality of Care.	February 15, 2021
Act 200 (S.203) - An Act relating to system improvements of the Mental Health System Section 7 – Requires the Commissioner to collect information from hospitals in the State that have either an inpatient psychiatric unit or emergency department receiving patients with psychiatric health needs.	January 31 st , annually for three years (2019-2021)
