# PETITION TO MY LEGISLATORS

## PUT LATE-TERM ABORTION IN OUR CONSTITUTION

---

To: My State Representative(s)

**WHEREAS:** Article 22 would enshrine Late-Term, Anything-Goes Abortion into the Vermont Constitution;

**WHEREAS:** Late-Term Abortion procedures involve terminating a fully-developed infant that may be just days, or even hours, away from delivery;

**WHEREAS:** Such a procedure is inhumane and unacceptable to Vermonters;

**WHEREAS:** The people of Vermont should be able to restrict Late Term Abortion if they choose, and Article 22 would prohibit them from doing so;

**WHEREAS:** 80% of Americans oppose terminating a baby the day before it's born, including 68% of pro-choice Americans;

**WHEREAS:** Parental notification in these matters would be prohibited, and doctors and nurses will be forced to perform abortions against their medical judgment or risk losing their jobs.

**THEREFORE:** I urge you to oppose amending the Vermont Constitution with the language of Article 22.
