

Please find the revised RFA complaint [petition](#) and [affidavit](#) here on the Judiciary's website. I know you had requested these forms for posting on the Committee's webpage.

Changes of particular note include:

Complaint:

- Question #3
- Under Requests for Relief, the Court added "order Defendant to surrender immediately all firearms under the Defendant's ownership, possession, or control to law enforcement"

Affidavit:

- First question is a checkbox for the plaintiff to indicate: The Defendant owns, possesses, or has ready access to firearm or other deadly weapons.
- Entirely new section on pages 2-3 about defendant's firearms

Thanks,

Sarah
