Vermont Outdoors Mobile App

FAMILY-FRIENDLY FISHING

Chances are your kids won't remember their best day of watching television, but take them fishing and you'll make memories you can share for a lifetime. All the where, when and how info you need for a great experience is right here.

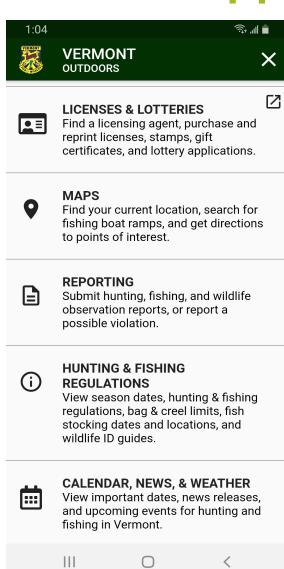

We Make it Easy

- Kids under the age of 15 can fish without a license.
- Special fishing license for youths 15 to 17 years old.
- Vermont has two Free Fishing Days every year:
- ► Summer Free Fishing Day is the second Saturday in June.
- ▶ Winter Free Fishing Day is the last Saturday in January.
- We offer one, three and seven-day fishing licenses as well as annual and 5-year licenses.
