H.175

Representative Till of Jericho moves that the bill be amended in Sec. 1,
10 V.S.A. chapter 53, in section 1521, by striking out subdivision (3) in its
entirety and inserting in lieu thereof the following:

(3) “Container” means the individual, separate, bottle, can, jar, or carton
composed of glass, metal, paper, plastic, or any combination of those materials
and containing a consumer product. This definition ~~shall~~ does not include:

(A) containers made of biodegradable material; or

(B) containers made of material that is not readily recyclable in the
State as determined by the Secretary of Natural Resources.
