2 TO THE HOUSE OF REPRESENTATIVES:

3 The Committee on Ways and Means to which was referred Senate Bill No.
4 287 entitled “An act relating to improving student equity by adjusting the
5 school funding formula and providing education quality and funding
6 oversight” respectfully reports that it has considered the same and recommends
7 that the House propose to the Senate that the bill be amended by striking out all
8 after the enacting clause and inserting in lieu thereof the following:

9 * * * Findings and Goals * * *

10 Sec. 1. FINDINGS

11 (a) The Vermont Supreme Court, in *Brigham v. State*, 166 Vt. 246 (1997),
12 held that education in Vermont is “a constitutionally mandated right” and that
13 to “keep a democracy competitive and thriving, students must be afforded
14 equal access to all that our educational system has to offer.” Therefore, the
15 Court held that in order to “fulfill its constitutional obligation the [S]tate must
16 ensure substantial equality of educational opportunity throughout Vermont.”

17 (b) The General Assembly reflected this holding in statute, 16 V.S.A. § 1,
18 stating that “the right to education is fundamental for the success of Vermont’s
19 children in a rapidly-changing society and global marketplace as well as for the
20 State’s own economic and social prosperity. To keep Vermont’s democracy
21 competitive and thriving, Vermont students must be afforded substantially

1 equal access to a quality basic education...it is the policy of the State that all
2 Vermont children will be afforded educational opportunities that are
3 substantially equal although educational programs may vary from district to
4 district.”

5 (c) Students come to school with needs that may require different types and
6 levels of educational support for them to achieve common standards or
7 outcomes. Similarly, schools may also require different levels of resources.
8 Therefore, school districts with similar education property tax rates may
9 achieve significantly different student outcomes.

10 (d) 2018 Acts and Resolves No. 173, Sec. 11 directed the Agency of
11 Education to study the efficacy of the current pupil weights, which are used in
12 Vermont’s school funding formula to provide equitable tax capacity to local
13 school districts for spending on various student needs, and to consider whether
14 increased or additional weights should be included in the equalized pupil
15 count.

16 (e) On December 24, 2019, the Agency issued its Pupil Weighting Factors
17 Report, which was produced by a University of Vermont-Rutgers University
18 team of researchers. The Report found that neither the cost factors
19 incorporated in the weighting formula nor the values of the current weights
20 reflect contemporary educational circumstances and costs and that stakeholders
21 viewed the existing approach as “outdated.” The Report found that values for

1 the existing weights have weak ties, if any, with evidence describing
2 differences in the costs for educating students with disparate needs or operating
3 schools in different contexts and recommended that the General Assembly
4 increase certain existing weights and add certain new weights.

5 (f) 2021 Acts and Resolves No. 59 created the Task Force on the
6 Implementation of the Pupil Weighting Factors Report composed of eight
7 members of the General Assembly, four Senators and four Representatives, to
8 recommend to the General Assembly an action plan and proposed legislation to
9 ensure that all public school students have equitable access to educational
10 opportunities, taking into account the Weighting Report. The Task Force
11 unanimously recommended two systemic change options and a series of
12 related provisions for either updating the weights or adopting a cost adjustment
13 approach to providing direct aid to school districts as set out in its “Report
14 Prepared in Accordance with Act No. 59 of the 2021 Legislative Session”
15 dated December 17, 2021.

16 (g) Under current law, 16 V.S.A. § 4010, a weight of 0.46 is applied to a
17 student enrolled in a prekindergarten program. The Pupil Weighting Factors
18 Report did not review whether this weight reflected the actual cost of
19 providing prekindergarten educational services because that review was not
20 within the scope of the authors’ mandate. That review is now being
21 undertaken pursuant to 2021 Acts and Resolves No. 45. Therefore, although

1 the 0.46 prekindergarten weight is in current law, its status should be viewed as
2 transitional pending the outcome of this review.

3 Sec. 2. GOALS

4 By enacting this legislation, the General Assembly intends to fulfill
5 Vermont’s constitutional mandate to ensure that all students receive substantial
6 equality of educational opportunity throughout the State. The legislation is
7 designed to:

8 (1) increase educational equity by ensuring that the financial resources
9 available to local school districts for educating students living in poverty,
10 English learners, students in small rural schools, students in sparsely populated
11 school districts, and students in middle and high schools are sufficient to meet
12 the cost of educating these students;

13 (2) improve educational outcomes of publicly funded students
14 throughout Vermont;

15 (3) improve transparency in the distribution of financial resources to
16 school districts by simplifying the school funding formula and better tying
17 educational expenditures to student needs; and

18 (4) enhance educational and financial accountability by ensuring that
19 equitable resources are budgeted and expended for the education of students in
20 these circumstances or categories and that regular evaluation mechanisms are
21 utilized to assess educational equity and outcomes.

1 ~~(c) The Secretary shall determine the weighted long-term membership for~~
2 ~~each school district using the long-term membership from subsection (b) of~~
3 ~~this section and the following weights for each class:~~

4 ~~Prekindergarten 0.46~~

5 ~~Elementary or kindergarten 1.0~~

6 ~~Secondary 1.13~~

7 ~~(d) The weighted long-term membership calculated under subsection (c) of~~
8 ~~this section shall be increased for each school district to compensate for~~
9 ~~additional costs imposed by students from economically deprived~~
10 ~~backgrounds. The adjustment shall be equal to the total from subsection (c) of~~
11 ~~this section, multiplied by 25 percent, and further multiplied by the poverty~~
12 ~~ratio of the district.~~

13 ~~(e) The weighted long-term membership calculated under subsection (c) of~~
14 ~~this section shall be further increased by 0.2 for each student in average daily~~
15 ~~membership for whom English is not the primary language.~~

16 ~~(f) For purposes of determining weighted membership under this section, a~~
17 ~~district's equalized pupils shall in no case be less than 96 and one-half percent~~
18 ~~of the actual number of equalized pupils in the district in the previous year,~~
19 ~~prior to making any adjustment under this section.~~

20 ~~(g) The Secretary shall develop guidelines to enable clear and consistent~~
21 ~~identification of students to be counted under this section.~~

1 ~~(h) On December 1 each year, the Secretary shall determine the equalized~~
2 ~~pupil count for the next fiscal year for district review. The Secretary shall~~
3 ~~make any necessary corrections on or before December 15, on which date the~~
4 ~~count shall become final for that year.~~

5 ~~(i) The Secretary shall evaluate the accuracy of the weights established in~~
6 ~~subsection (c) of this section and, at the beginning of each biennium, shall~~
7 ~~propose to the House and Senate Committees on Education whether the~~
8 ~~weights should stay the same or be adjusted. The provisions of 2 V.S.A.~~
9 ~~§ 20(d) (expiration of required reports) shall not apply to the report to be made~~
10 ~~under this subsection.~~

11 (a) Definitions. As used in this section:

12 (1) “EL pupils” means pupils described under section 4013 of this title.

13 (2) “FPL” means the Federal Poverty Level.

14 (3) “Weighting categories” means the categories listed under subsection

15 (b) of this section.

16 (b) Determination of average daily membership and weighting categories.

17 On or before the first day of December during each school year, the Secretary
18 shall determine the average daily membership, as defined in subdivision
19 4001(1) of this title, of each school district for the current school year and shall
20 perform the following tasks.

1 (1) Using average daily membership, list for each school district the
2 number of:

3 (A) pupils in prekindergarten;

4 (B) pupils in kindergarten through grade five;

5 (C) pupils in grades six through eight;

6 (D) pupils in grades nine through 12;

7 (E) pupils whose families are at or below 185 percent of FPL, using
8 the highest number of pupils in the district:

9 (i) that meet this definition under the universal income **declaration**
10 form; or

11 (ii) who are directly certified for free-and reduced-priced meals;

12 and

13 (F) EL pupils.

14 (2)(A) Identify all school districts that have low population density,
15 measured by the number of persons per square mile residing within the land
16 area of the geographic boundaries of the district as of July 1 of the year of
17 determination, equaling:

18 (i) fewer than 36 persons per square mile;

19 (ii) 36 or more persons per square mile but fewer than 55 persons
20 per square mile; or

1 (iii) 55 or more persons per square mile but fewer than 100
2 persons per square mile.

3 (B) Population density data shall be based on the best available U.S.
4 Census data as provided to the Agency of Education by the Vermont Center for
5 Geographic Information.

6 (C) Using average daily membership, list for each school district that
7 has low population density the number of pupils in each of subdivisions
8 (A)(i)–(iii) of this subdivision (2).

9 (3)(A) Identify all school districts that have one or more small schools,
10 which are schools that have an average two-year enrollment of:

11 (i) fewer than 100 pupils; or

12 (ii) 100 or more pupils but fewer than 250 pupils.

13 (B) As used in subdivision (A) of this subdivision (3), “average two-
14 year enrollment” means the average enrollment of the two most recently
15 completed school years, and “enrollment” means the number of pupils who are
16 enrolled in a school operated by the district on October 1. A pupil shall be
17 counted as one whether the pupil is enrolled as a full-time or part-time student.

18 (C) Using average two-year enrollment, list for each school district
19 that has a small school the number of pupils in each of subdivisions (A)(i)–(ii)
20 of this subdivision (3).

1 (c) Reporting on weighting categories to the Agency of Education. Each
2 school district shall annually report to the Agency of Education by a date
3 established by the Agency the information needed in order for the Agency to
4 compute the weighting categories under subsection (b) of this section for that
5 district. In order to fulfill this obligation, a school district that pays public
6 tuition on behalf of a resident student (sending district) to a public school in
7 another school district, an approved independent school, or an out-of-state
8 school (each a receiving school) may request the receiving school to collect
9 this information on the sending district’s resident student, and if requested, the
10 receiving school shall provide this information to the sending district in a
11 timely manner.

12 (d) Determination of weighted long-term membership. For each weighting
13 category except the small schools weighting category under subdivision (b)(3)
14 of this section, the Secretary shall compute the weighting count by using the
15 long-term membership in that category.

16 (1) The Secretary shall first apply grade level weights. Each pupil
17 included in long-term membership from subsection (b) of this section shall
18 count as one, multiplied by the following amounts:

19 (A) prekindergarten—negative 0.54;

20 (B) grades six through eight—0.36; and

21 (C) grades nine through 12—0.39.

1 (2) The Secretary shall next apply a weight for pupils whose family is at
2 or below 185 percent of FPL. Each pupil included in long-term membership
3 from subsection (b) of this section whose family is at or below 185 percent of
4 FPL shall receive an additional weighting amount of 1.03.

5 (3) The Secretary shall next apply a weight for EL pupils. Each EL
6 pupil included in long-term membership from subsection (b) of this section
7 shall receive an additional weighting amount of 2.49.

8 (4) The Secretary shall then apply a weight for pupils living in low
9 population density school districts. Each pupil included in long-term
10 membership from subsection (b) of this section residing in a low population
11 density school district, measured by the number of persons per square mile
12 residing within the land area of the geographic boundaries of the district as of
13 July 1 of the year of determination, shall receive an additional weighting
14 amount of:

15 (A) 0.15, where the number of persons per square mile is fewer than
16 36 persons;

17 (B) 0.12, where the number of persons per square mile is 36 or more
18 but fewer than 55 persons; or

19 (C) 0.07, where the number of persons per square mile is 55 or more
20 but fewer than 100.

1 (5) The Secretary shall lastly apply a weight for pupils who attend a
2 small school. If the number of persons per square mile residing within the land
3 area of the geographic boundaries of a school district as of July 1 of the year of
4 determination is 55 or fewer, then, for each pupil listed under subdivision
5 (b)(3)(C) of this section (pupils who attend small schools):

6 (A) where the school has fewer than 100 pupils in average two-year
7 enrollment, the school district shall receive an additional weighting amount of
8 0.21 for each pupil included in the small school’s average two-year enrollment;
9 or

10 (B) where the small school has 100 or more but fewer than 250
11 pupils, the school district shall receive an additional weighting amount of 0.07
12 for each pupil included in the small school’s average two-year enrollment.

13 (6) A school district’s weighted long-term membership shall equal long-
14 term membership plus the cumulation of the weights assigned by the Secretary
15 under this subsection.

16 (e) Hold harmless. A district’s weighted long-term membership shall in no
17 case be less than 96 and one-half percent of its actual weighted long-term
18 membership the previous year prior to making any adjustment under this
19 subsection.

20 (f) Determination of per pupil education spending. As soon as reasonably
21 possible after a school district budget is approved by voters, the Secretary shall

1 determine the per pupil education spending for the next fiscal year for the
2 school district. Per pupil education spending shall equal a school district's
3 education spending divided by its weighted long-term membership.

4 (g) Guidelines. The Secretary shall develop guidelines to enable clear and
5 consistent identification of pupils to be counted under this section.

6 (h) Updates to weights. On or before January 1, 2027 and on or before
7 January 1 of every fifth year thereafter, the Agency of Education and the Joint
8 Fiscal Office shall calculate, based on their consensus view, updates to the
9 weights to account for cost changes underlying those weights and shall issue a
10 written report on their work to the House and Senate Committees on
11 Education, the House Committee on Ways and Means, and the Senate
12 Committee on Finance. The General Assembly shall update the weights under
13 this section and transportation reimbursement under section 4016 of this title
14 not less than every five years and the implementation date for the updated
15 weights and transportation reimbursement shall be delayed by a year in order
16 to provide school districts with time to prepare their budgets. Updates to the
17 weights may include recalibration, recalculation, adding or eliminating
18 weights, or any combination of these actions.

19 Sec. 5. COLLABORATION BY THE AGENCY OF EDUCATION AND

20 JOINT FISCAL OFFICE

21 The Agency of Education and the Joint Fiscal Office shall:

1 (1) on or before August 1, 2022, enter into a memorandum of
2 understanding to share data, models, and other information that is needed to
3 update the weights; and

4 (2) each host the statistical model used to provide modeling for the
5 Weighting Report dated December 24, 2019 and for ensuing memos and
6 ensure that this model is updated and maintained on both systems in parallel.

7 Sec. 6. VERMONT CENTER FOR GEOGRAPHIC INFORMATION

8 The Vermont Center for Geographic Information created under 3 V.S.A.
9 § 2475 shall assist the Agency of Education in determining the number of
10 persons per square mile residing within the land area of the geographic
11 boundaries of each school district in the State.

12 Sec. 7. CALCULATION OF TAX RATES; TAX RATE REVIEW;

13 FISCAL YEARS 2025–2029

14 (a) Notwithstanding 16 V.S.A. chapter 133, 32 V.S.A. chapter 135, and any
15 other provision of law to the contrary, if, in fiscal year 2025 when applying the
16 funding formula created under this act, a school district’s homestead property
17 tax rate increases by five percent or more over the school district’s homestead
18 property tax rate in fiscal year 2024, then the school district’s homestead
19 property tax rate shall be increased by not more than five percent over the prior
20 fiscal year in each fiscal year for five fiscal years, from fiscal year 2025
21 through fiscal year 2029. In fiscal years 2026–2029, this subsection shall only

1 apply if the school district's property tax rate increase was limited pursuant to
2 this subsection in the prior fiscal year.

3 (b)(1) In order to determine which school districts shall be subject to a Tax
4 Rate Review, the Secretary of Education shall calculate the fiscal year 2024
5 per pupil education spending of each school district subject to subsection (a) of
6 this section as though the funding formula created under this act applied to
7 fiscal year 2024. In fiscal year 2025, if a school district's per pupil education
8 spending calculated using the funding formula created under this act increases
9 by 10 percent or more over the school district's fiscal year 2024 per pupil
10 education spending as calculated by the Secretary under this subsection, then
11 the school district shall be subject to a Tax Rate Review. In fiscal years 2026–
12 2029, if a school district's per pupil education spending calculated using the
13 funding formula created under this act increases by 10 percent or more over the
14 school district's prior fiscal year per pupil education spending, then the school
15 district shall be subject to a Tax Rate Review. Upon request of the Secretary, a
16 school district shall submit its budget to a Tax Rate Review to determine
17 whether its increase in per pupil education spending was beyond the school
18 district's control or for other good cause. In conducting the Review, the
19 Secretary shall select three business managers and three superintendents to
20 serve in an advisory role in the Review. The Review shall consider at least the
21 following factors:

1 (A) the extent to which the increase in per pupil education spending
2 is caused by declining enrollment in the school district; and

3 (B) the extent to which the increase in per pupil education spending
4 is caused by increases in tuition paid by the school district.

5 (2) If, at the conclusion of the Review, the Secretary determines that the
6 school district’s budget contains excessive increases in per pupil education
7 spending that are within the school district’s control and are not supported by
8 good cause, then the homestead property tax rate of the school district that
9 would otherwise be increased by not more than five percent in each fiscal year
10 pursuant to subsection (a) of this section shall be increased to the actual
11 homestead property tax rate calculated pursuant to this act.

12 Sec. 8. SUSPENSION OF LAWS

13 (a) Suspension of excess spending penalty. Notwithstanding any provision
14 of law to the contrary, the excess spending penalty under 16 V.S.A.
15 § 4001(6)(B) and 32 V.S.A. § 5401(12) is suspended during fiscal years 2024–
16 2029.

17 (b) Suspension of hold harmless provision. Notwithstanding any provision
18 of law to the contrary, the hold harmless provision under 16 V.S.A. § 4010(e)
19 is suspended during fiscal years 2025–2029.

1 (c) Suspension of ballot language requirement. Notwithstanding 16 V.S.A.
2 § 563(11)(D), which requires specified language for a school budget ballot,
3 this requirement is suspended during fiscal years 2025–2029.

4 * * * Universal Income Declaration Form * * *

5 Sec. 9. UNIVERSAL INCOME DECLARATION FORM

6 (a) It is the intention of the General Assembly that, beginning with the
7 2023–24 school year and thereafter, the determination of whether a pupil is
8 from an economically deprived background be changed from qualification for
9 nutrition benefits to eligibility based upon family income of 185 percent or less
10 of the current year Federal Poverty Level, with data collected from a universal
11 income declaration form.

12 (b) A universal income declaration form is used by some other states and
13 school districts in Vermont with universal school meals programs to collect
14 household size and income information. A universal income declaration form
15 is used to collect income bracket information from all families, reducing
16 stigma and resulting in the collection of more accurate pupil eligibility counts
17 throughout a school district.

18 (c) On or before October 1, 2022, the Agency of Education shall convene a
19 working group that includes school staff and hunger and nutrition experts to
20 develop the universal income declaration form that shall be fully accessible to
21 all Vermont families both in paper form and electronically. On or before

1 July 1, 2023, the new form shall be implemented statewide for the 2023–24
2 school year and thereafter.

3 (d) The Agency of Education shall establish a process for verifying the
4 accuracy of data collected through the universal income declaration form on a
5 community level, which may include using other sources of income data
6 available to the Agency, including census and direct certification for free and
7 reduced-priced meals.

8 (e) The sum of \$200,000.00 is appropriated from the General Fund to the
9 Agency of Education for fiscal year 2023 to fund operating expenses
10 associated with the creation of the electronic universal income declaration
11 form.

4 personnel; and

5 (B) information on best practices and nationally recognized language

10 (d) Categorical aid. In addition to the EL weight under section 4010 of this
11 title, a school district that has, as determined annually on October 1 of the year:

13 for that school year; or

3 Sec. 11. JOINT FISCAL OFFICE REPORT; ENGLISH LEARNERS
4 SERVICES; CATEGORICAL AID

5 (a) On or before December 15, 2022, the Joint Fiscal Office shall issue a
6 written report to the House and Senate Committees on Education, the House
7 Committee on Ways and Means, and the Senate Committee on Finance on the
8 advantages and disadvantages of:

9 (1) changing the weight for EL students under 16 V.S.A. § 4010, as
10 amended by this act, to reflect the cost of providing different levels of required
11 EL services, such as different services levels based on the degree of English
12 proficiency of EL students; and

13 (2) changing the amount or eligibility, or both, for the categorical aid
14 provided to school districts with 25 or fewer EL students under 16 V.S.A.
15 § 4013(d) as added by this act.

16 (b) The Joint Fiscal Office shall consult with the Agency of Education in
17 drafting its report under subsection (a) of this section. On or before
18 September 1, 2022, the Agency of Education shall provide the Joint Fiscal
19 Office with information on the different levels of required EL services and the
20 number of EL students in each service-level category and shall assist the Joint

1 Fiscal Office in estimating the cost of providing EL services for each service
2 level category.

3 (c) The Joint Fiscal Office may contract with a third party to perform the
4 work required of it under this section.

5 * * * Agency of Education; Staffing * * *

6 Sec. 12. AGENCY OF EDUCATION; STAFFING

11 universal income declaration form and provide guidance to school districts on
12 its use; and

13 (3) three full-time, classified positions to provide financial and data
14 analysis for the Agency of Education.

15 (b) There is appropriated to the Agency of Education from the General
16 Fund for fiscal year 2023 the amount of \$600,000.00 for salaries, benefits, and
17 operating expenses for the positions created under subsection (a) of this
18 section.

19 * * * Education Quality Standards; Evaluation and Reporting * * *

20 Sec. 13. 16 V.S.A. § 165 is amended to read:

21 * * *

1 (g) In addition to the education quality standards provided in section (a) of
2 this section, each Vermont school district shall meet the school district quality
3 standards adopted by rule of the Agency of Education regarding the business,
4 facilities management, and governance practices of school districts. These
5 standards shall include a process for school district quality reviews to be
6 conducted by the Agency of Education. Annually, the Secretary shall publish
7 metrics regarding the outcomes of school district quality reviews.

8 Sec. 14. EDUCATION QUALITY STANDARDS; RULEMAKING

9 On or before February 1, 2023, the Agency of Education shall initiate

4 January 15, 2023, the Joint Fiscal Office shall examine and provide options to
5 the House Committees on Education and on Ways and Means and the Senate

9 (2) in collaboration with the Department of Taxes and the Agency of
10 Education, the mechanics for setting the yields in a manner that creates a
11 constitutionally adequate education spending amount for school districts at a
12 level that is determined by education funding experts to be sufficient to meet
13 student needs; and

14 (3) funding similar school districts in an equitable manner regardless of
15 their per pupil education spending decisions.

20 * * *

1 (15) “Property dollar equivalent yield” means the amount of per pupil
2 education spending ~~per equalized pupil~~ that would result if the homestead tax

18 the per pupil education spending ~~per equalized pupil~~ of the unified union.

19 (2) For a municipality that is a member of a union school district:

20 (A) Determine the municipal district homestead tax rate using the
21 base rate determined under subdivision (a)(2) of this section and a spending

2 education spending ~~per total equalized pupil~~ in the municipality who attends a
3 school other than the union school.

4 (B) Determine the union district homestead tax rate using the base
5 rate determined under subdivision (a)(2) of this section and a spending

7 education spending ~~per equalized pupil~~ of the union school district.

8 (C) Determine a combined homestead tax rate by calculating the
9 weighted average of the rates determined under subdivisions (A) and (B) of
10 this subdivision (2), with weighting based upon the ratio of union school
11 ~~equalized~~ pupils from the member municipality to total ~~equalized~~ pupils of the
12 member municipality; and the ratio of ~~equalized~~ pupils attending a school other
13 than the union school to total ~~equalized~~ pupils of the member municipality.
14 Total ~~equalized~~ pupils of the member municipality is based on the number of
15 pupils who are legal residents of the municipality and attending school at
16 public expense. If necessary, the Commissioner may adopt a rule to clarify
17 and facilitate implementation of this subsection (e).
