3 No. 33 entitled “An act relating to project-based tax increment financing”
4 respectfully reports that it has considered the same and recommends that the
5 bill be amended by striking out all after the enacting clause and inserting in
6 lieu thereof the following:

7 Sec. 1. 24 V.S.A. § 1891 is amended to read:

8 § 1891. DEFINITIONS

11 (4) “Improvements” means the installation, new construction, or
12 reconstruction of infrastructure that will serve a public purpose and fulfill the
13 purpose of tax increment financing districts as stated in section 1893 of this
14 subchapter, including utilities, transportation, public facilities and amenities,
15 land and property acquisition and demolition, and site preparation.

16 “Improvements” does not include the funding of debt service payments.

18 (7) “Financing” means debt incurred, including principal, interest, and
19 any fees or charges directly related to that debt, or other instruments or
20 borrowing used by a municipality to pay for improvements in a tax increment
21 financing district, only if authorized by the legal voters of the municipality in

1 accordance with section 1894 of this subchapter. Payment for the cost of
2 district improvements may also include direct payment by the municipality
3 using the district increment. However, such payment is also subject to a vote
4 by the legal voters of the municipality in accordance with section 1894 of this
5 subchapter and, if not included in the tax increment financing plan approved
6 under subsection 1894(d) of this subchapter, is also considered a substantial
7 change and subject to the review process provided by subdivision 1901(2)(B)
8 of this subchapter. If interfund loans within the municipality are used as the
9 method of financing, no interest shall be charged. Bond anticipation notes may
10 be used as a method of financing, provided that a municipality shall not use a
11 bond anticipation note for its first incurrence of debt.

13 (9) “Active district” means a district that has been created pursuant to
14 subsection 1892(a) of this subchapter, has not been terminated pursuant to
15 subsection 1894(a) of this subchapter, and has not retired all district financing
16 or related costs.

14 (h) Annually, based on the analysis and recommendations included in the
15 reports required in this section, the General Assembly shall consider the
16 amount of new long-term net debt that prudently may be authorized for TIF
17 districts in the next fiscal year and determine whether to expand the number of
18 active TIF districts or similar economic development tools ~~in addition to the~~
19 ~~previously approved districts referenced in subsection (d) of this section and~~
20 ~~the six additional districts authorized by 32 V.S.A. § 5404a(f) in subsection (d)~~
21 of this section.

1 Sec. 3. 24 V.S.A. § 1895 is amended to read:

2 § 1895. ORIGINAL TAXABLE VALUE

3 (a) Certification. As of the date the district is created, the lister or assessor
4 for the municipality shall certify the original taxable value and shall certify to
5 the legislative body in each year thereafter during the life of the district the
6 amount by which the total valuation as determined in accordance with
7 32 V.S.A. chapter 129 of all taxable real property located within the tax
8 increment financing district has increased or decreased relative to the original
9 taxable value.

10 (b) Boundary of the district. Any parcel within a district shall be located
11 wholly within the boundaries of a district. No adjustments to the boundary of a
12 district are permitted after the approval of a tax increment financing district
13 plan as described in section 1894 of this subchapter.

14 Sec. 4. 24 V.S.A. § 1896 is amended to read:

15 § 1896. TAX INCREMENTS

16 (a) In each year following the creation of the district, the listers or assessor
17 shall include ~~no~~ not more than the original taxable value of the real property in
18 the assessed valuation upon which the treasurer computes the rates of all taxes
19 levied by the municipality and every other taxing district in which the tax
20 increment financing district is situated; but the treasurer shall extend all rates
21 so determined against the entire assessed valuation of real property for that

1 year. In each year ~~for which the assessed valuation exceeds the original~~
2 ~~taxable value~~, the municipality shall hold apart, rather than remit to the taxing
3 districts, that proportion of all taxes paid that year on the real property in the
4 district ~~which~~ that the excess valuation bears to the total assessed valuation.

5 The amount held apart each year is the “tax increment” for that year. ~~No~~ Not
6 more than the percentages established pursuant to section 1894 of this
7 subchapter of the municipal and State education tax increments received with
8 respect to the district and committed for the payment for financing for
9 improvements and related costs shall be segregated by the municipality in a
10 special tax increment financing account and in its official books and records
11 until all capital indebtedness of the district has been fully paid. The final
12 payment shall be reported to the treasurer, who shall thereafter include the
13 entire assessed valuation of the district in the assessed valuations upon which
14 municipal and other tax rates are computed and extended and thereafter no
15 taxes from the district shall be deposited in the district’s tax increment
16 financing account.

17 * * *

18 (e) In each year, a municipality shall remit not less than the aggregate
19 original taxable value to the Education Fund.

1 Sec. 5. 32 V.S.A. § 5404a is amended to read:

2 § 5404a. TAX STABILIZATION AGREEMENTS; TAX INCREMENT
3 FINANCING DISTRICTS

4 (a) A tax agreement or exemption shall affect the education property tax
5 grand list of the municipality in which the property subject to the agreement is
6 located if the agreement or exemption is:

7 * * *

8 (b)(1) An agreement affecting the education property tax grand list defined
9 under subsection (a) of this section shall reduce the municipality's education
10 property tax liability under this chapter for the duration of the agreement or
11 exemption without extension or renewal, and for a maximum of 10 years. A
12 municipality's property tax liability under this chapter shall be reduced by any
13 difference between the amount of the education property taxes collected on the
14 subject property and the amount of education property taxes that would have
15 been collected on such property if its fair market value were taxed at the
16 equalized nonhomestead rate for the tax year.

17 (2) Notwithstanding any other provision of law, if a municipality has
18 entered into an agreement that reduces the municipality's education property
19 tax liability under this chapter and the municipality establishes a tax increment
20 financing district under 24 V.S.A. chapter 53, subchapter 5, the municipality's
21 municipal and education tax increment shall be calculated based on the

1 assessed value of the properties in the municipality’s grand list and not on the
2 stabilized value.

3 * * *

4 (f) A municipality that establishes a tax increment financing district under
5 24 V.S.A. chapter 53, subchapter 5 shall collect all property taxes on properties
6 contained within the district and apply not more than 70 percent of the State
7 education property tax increment, and not less than 85 percent of the municipal
8 property tax increment, to repayment of financing of the improvements and
9 related costs for up to 20 years pursuant to 24 V.S.A. § 1894, if approved by
10 the Vermont Economic Progress Council pursuant to this section, subject to the
11 following:

12 (1) In a municipality with one or more approved districts, the Council
13 shall not approve an additional district until the municipality retires the debt
14 incurred for all of the districts in the municipality.

15 (2) The Council shall not approve ~~more than six districts in the State,~~
16 ~~and not a district if it will result in the total number of active districts, as~~
17 defined in 24 V.S.A. § 1891(9), exceeding the limit set forth in 24 V.S.A.
18 § 1892(d) and shall not approve more than two per county, provided:

19 (A) ~~The districts listed in 24 V.S.A. § 1892(d) shall not be counted~~
20 ~~against the limits imposed in this subdivision (2).~~

1 ~~(B)~~ The Council shall consider complete applications in the order
2 they are submitted, except that if during any calendar month the Council
3 receives applications for more districts than are actually available in a county,
4 the Council shall evaluate each application and shall approve the application
5 that, in the Council’s discretion, best meets the economic development needs
6 of the county.

7 ~~(C)~~(B) If, while the General Assembly is not in session, the Council
8 receives applications for districts that would otherwise qualify for approval
9 but, if approved, would exceed the ~~six-district~~ 14 active-district limit in the
10 State, the Council shall make one or more presentations to the Emergency
11 Board concerning the applications, and the Emergency Board may, in its
12 discretion, increase the ~~six-district~~ 14 active-district limit.
