

SHERIFFS

The Sheriffs' positions were created by the Vermont Constitution and are elected by the county voters to a 4-year term. The statute also confirms the establishment of sheriff departments, 24 VSA § 290:

"A sheriff's department is established in each county consist(ing) of the elected sheriff in each county, and such deputy sheriffs and supporting staff as may be appointed by the sheriff".

The State General Fund pays the salary and benefits for the 14 Sheriffs, 25 State Transport Deputies and 1 Executive Staff Assistant. Sheriffs provide professional law enforcement services, including transport of prisoners, mentally ill persons, and juveniles who are in the custody of the State of Vermont. Transport work is conducted primarily through State-employee Deputy Sheriffs, (and supplemented through non-State employee per diem deputies). Sheriffs are responsible for the service of all criminal process documents and provide security services, including during high-risk hearings or trials. The Department of State's Attorneys and Sheriffs, under 24 V.S.A. § 367, provides the administrative and budgetary oversight and structure for the Sheriffs for the transportation and extradition work. Sheriffs may not bill the Department for work performed on private contracts.

Key Budget Issues

1. The Sheriffs reductions will be absorbed in the per diem and mileage expenses. These lines have been reduced over the past few years, and may create some challenges during the FY22 year.

2. If body cameras are required, we do not have funding for the equipment or storage.

Goals and Objectives:

Increase coordination between the Courts, Sheriffs and DOC to facilitate the transports, eliminate duplicative efforts in transports, to ensure individuals being transported arrive at court in the most timely and efficient manner.

Help implement strategies to reduce the total number of inmate transports to create efficiencies, reduce costs, and have a positive impact both on those in the custody and the staff who conduct transports.

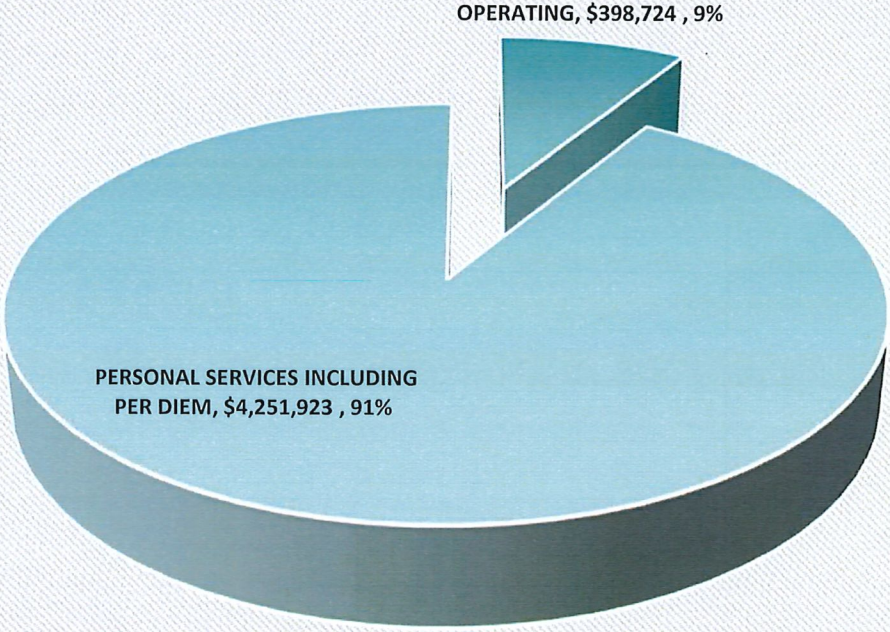

Ensure that transport staff are properly trained and prepared for risks in their transport work.

Increase use of technology to reduce transport needs.

The Sheriffs and the Courts should each identify and assign a Scheduling Liaison to avoid scrambling to find available staffing for transports.

Collaborate with the Courts to determine whether transported inmates should be scheduled first in court proceedings in order to reduce transportation costs.
