

Green Mountain Care Board FY2023 Budget

Kevin Mullin, Board Chair
Susan Barrett, Executive Director
Jean Stetter, Financial Director

February 4, 2022

What makes GMCB unique?

- **Transparent**

- Regulatory decisions are made in public, with data, evidence, and staff recommendations presented at fully noticed public meetings open to all.
- Meetings are videotaped by ORCA Media, recordings available online.
- Engages stakeholders, including the Office of the Health Care Advocate, other State agencies, regulated entities, & the public to inform our work.

- **Independent**

- Members are appointed to six-year terms, which may span more than one Governor's administrations.

- **System-wide view**

- Unique role in Vermont's health care system, regulating key industry players, driving reform efforts, and evaluating our health care system.
- Integrated regulatory approach enables GMCB to understand how regulatory decisions impact one another & to account for this cross-system impact.

	5.3%	6.7%	6.1%	

Regulatory System

- Work

- [Opportunities for Evolution of Vermont's Healthcare Regulatory System](#) by Legislative Consultant Donna Kinzer, DK Healthcare Consulting
- [Hospital Sustainability Report per 2020 Act 159, Sec. 4](#)

- Fiscal Impact

- Senate Approps \$500k FY22 BAA
- Global Payments and Delivery System Transformation \$2-5M FY23
 - Design and implement Hospital Global Payments that are predictable, flexible, and sufficient to equitably deliver high-quality, affordable care to Vermonters as recommended by legislative consultant Donna Kinzer
 - Support facilitation by health systems optimization experts in a community-engaged redesign of our health care system to reduce inefficiencies, lower costs and improve health outcomes
 - Provide the resources necessary for hospitals and communities to transform Vermont's delivery system

GMCB Priorities

- Health Care Workforce and Access to Care
- Hospital Sustainability
- Negotiations with Federal Government with Administration for next Health Care Reform Agreement
- Regulatory Integration
- Data Integration, Transparency, and Quality

The Role of GMCB

The **Green Mountain Care Board** is charged with reducing the rate of health care cost growth in Vermont while ensuring that the State of Vermont maintains a high quality, accessible, affordable, and sustainable health care system.

- Health insurer rate review (including the Exchange)
 - Hospital Budgets
 - ACO Budgets
 - VITL Budget
- Major capital expenditures (Certificate of Need)
- Health Resource Allocation Plan (HRAP)
- Hospital Sustainability Planning
- Implementation of APM
- ACO Oversight, Certification, Rule 5.0 (Act 113)
- Review/modify/approve plan designs for VT Health Connect
- Data and Analytics (VHCURES, VUHDDS and APM Analytics)
- Rural Health Services Task Force (Act 26)
- Rx & Primary Care Advisory Groups
 - General Advisory Group
 - Data Governance Council
 - Annual Expenditure Analysis
 - Annual Cost Shift Report
- Approve State HIT and Health Care Workforce Plans
- Prescription Drug Transparency
