

STATE OF VERMONT

MEMORANDUM

To: Members of the Joint Fiscal Committee
From: Joyce Manchester
Date: December 2, 2020
Subject: Further Information on Business Types Included in NAICS Code 72 for Economic Recovery Grants

This memo replaces the memo of November 15 that incorrectly identified some business types under NAICS code 72.

On November 14, the Joint Fiscal Committee approved an additional \$75 million in Coronavirus Relief Funds (CRF) for Economic Recovery Grants “to enable the food and accommodations sector (as identified in NAICS) a grant award equaling 100% of their unmet need up to a maximum award of \$300,000 as calculated and verified in the current grants system of ACCD and the Department of Taxes. All other applicants will receive a percentage of their unmet need based on the remaining available money in the program.” The Administration stated that the way this would be achieved would be to provide 100% of the capped net unmet need to businesses that classified themselves as an Accommodation and Food Services business using the North American Industry Classification System (NAICS) Code 72. Other entities are to receive a portion of their unmet need using available funds.

The Agency of Commerce and Community Development (ACCD) uses the U.S. Census Bureau definition of NAICS Code 72, the Accommodation and Food Services sector. It covers a wide variety of lodging establishments, caterers, bars, and restaurants. The revised Table on the following page shows the categories of businesses covered by NAICS Code 72 as used by ACCD.
