

1 TO THE HOUSE OF REPRESENTATIVES:

2 The Committee on Education to which was referred Senate Bill No. 13  
3 entitled “An act relating to the implementation of the Pupil Weighting Factors  
4 Report” respectfully reports that it has considered the same and recommends  
5 that the House propose to the Senate that the bill be amended by striking out all  
6 after the enacting clause and inserting in lieu thereof the following:

7 Sec. 1. FINDINGS

8 (a) 2018 Acts and Resolves No. 173, Sec. 11 directed the Agency of  
9 Education to undertake a study examining and evaluating the current formula  
10 used to weigh economically disadvantaged students, English language learners,  
11 and secondary-level students in Vermont for purposes of calculating equalized  
12 pupils. The study was also to consider whether new cost factors and weights  
13 should be included in the equalized pupil calculation.

14 (b) The findings from the Pupil Weighting Factors Report dated  
15 December 24, 2019 (Report), produced by a University of Vermont-led team  
16 of researchers, including national experts on student weighting, were stark,  
17 stating that “[n]either the factors considered by the [current] formula nor the  
18 value of the weights reflect contemporary educational circumstances and  
19 costs.” The Report also found that the current “values for the existing weights  
20 have weak ties, if any, with evidence describing the difference in the costs of

1 educating students with disparate needs or operating schools in different  
2 contexts.”

3 (c) The major recommendations of the Report are straightforward,  
4 specifically that the General Assembly increase certain of the existing weights  
5 and that it add population density (rurality) as a new weighting factor, given  
6 the Report’s finding that rural districts pay more to educate a student.  
7 However, given the statewide and unique nature of Vermont’s education  
8 funding system and the reality that any change in the weighting formula is  
9 complex due to its relationship to other educational policies and will produce  
10 fluctuations in tax rates across the State, the General Assembly has chosen to  
11 develop a phased approach to revising the weighting formula.

12 Sec. 2. TASK FORCE ON THE IMPLEMENTATION OF THE PUPIL  
13 WEIGHTING FACTORS REPORT

14 (a) Creation. There is created the Task Force on the Implementation of the  
15 Pupil Weighting Factors Report. The Task Force shall recommend to the  
16 General Assembly an action plan and proposed legislation to ensure that all  
17 public school students have equitable access to educational opportunities,  
18 taking into account the Pupil Weighting Factors Report dated December 24,  
19 2019 (Report), produced by a University of Vermont-led team of researchers.

20 (b) Membership. The Task Force shall be a legislative task force and shall  
21 be composed of the following six members:

- 1           (1) the Chair of the Senate Committee on Finance or designee;
- 2           (2) the Chair of the Senate Committee on Education or designee;
- 3           (3) the Chair of the House Committee on Ways and Means or designee;
- 4           (4) the Chair of the House Committee on Education or designee;
- 5           (5) the Secretary of Education or designee; and
- 6           (6) the Chair of the State Board of Education or designee.

7           (c) Powers and duties. The Task Force shall recommend to the General  
8           Assembly an action plan and proposed legislation to ensure that all public  
9           school students have equitable access to educational opportunities, taking into  
10          account the Report, and shall:

11           (1) consider how to integrate the weighting calculations from the Report  
12          with Vermont’s equalized pupil calculations, excess spending threshold, and  
13          yield calculations;

14           (2) consider how categorical aid can address cost differentials across  
15          school districts;

16           (3) for the purpose of calculating equalized pupils, recommend how to  
17          define a “person from an economically deprived background” taking into  
18          account the current definition in 16 V.S.A. § 4001(8) and similar definitions in  
19          Part A, Title I, of the Elementary and Secondary Education Act, as amended  
20          by the Every Student Succeeds Act, and eligibility for free and reduced-priced  
21          lunch under the National School Lunch Act;

1           (4) in recognition that the current formula used to calculate equalized  
2           pupils uses more than one mathematical method, consider changes to the  
3           formula to simplify it and make its calculation more transparent;

4           (5) recommend statutory changes in the Agency of Education’s powers  
5           and duties to ensure that all school districts are meeting education quality  
6           standards and improving student outcomes and opportunities;

7           (6) recommend how to transition to the recommended weights and  
8           categorical aid to promote equity and ease the financial impact on school  
9           districts during the transition, including the availability and use of federal  
10          funding;

11          (7) consider the relationship between the recommended weights and  
12          categorical aid and the changes to special education funding under 2018 Acts  
13          and Resolves No. 173, including the impact on federally required maintenance  
14          of effort and maintenance of financial support; and

15          (8) consider the impact of the recommended weights and categorical aid  
16          on the goals and outcomes of 1997 Acts and Resolves No. 60 and 2015 Acts  
17          and Resolves No. 46, each as amended.

18          (d) Consultant. The Task Force may retain a consultant or consultants to

8       share information and receive input from the public concerning its work, which  
9       may be part of or separate from its regular meetings.

10       (g) Report. On or before January 15, 2022, the Task Force shall submit a  
11       written report to the House and Senate Committees on Education, the House  
12       Committee on Ways and Means, and the Senate Committee on Finance with its  
13       action plan and proposed legislation.

14       (h) Meetings.

15               (1) The Secretary of Education shall call the first meeting of the Task  
16       Force to occur on or before August 1, 2021.
