

Title funds are federal monies that are meant to supplement, not replace, existing state funding for education.

**Title I, Part A - Improving the Academic Achievement of the Disadvantaged**

Title I, Part A provides all children significant opportunity to receive a fair, equitable, and high-quality education, and to close educational achievement gaps. It provides financial assistance to local educational agencies for children from low-income families to help ensure that all children meet challenging state academic standards. The goal of Title 1 is to ensure a high-quality education for every child, by providing extra help to students who need it most.

**Title II, Part A – Supporting Effective Instruction**

Title IIA provides grants to:

- a. increase student achievement consistent with the challenging state academic standards,
- b. improve the quality and effectiveness of teachers, principals and other school leaders,
- c. increase the number of teachers, principals, and other school leaders who are effective in improving student academic achievement, and
- d. provide low-income and minority students greater access to effective teachers, principals and other school leaders.

**Title IV, Part A - Student Support and Academic Enrichment**

Titled IV provides funds to improve students' academic achievement by increasing the capacity of States and local educational agencies, schools to:

- a. provide all students with access to a well-rounded education,
- b. improve school conditions for student learning, and
- c. improve the use of technology to improve the academic achievement and digital literacy of all students.
