

1 TO THE HOUSE OF REPRESENTATIVES:

2 The Committee on Government Operations to which was referred House  
3 Bill No. 293 entitled “An act relating to creating the State Youth Council”  
4 respectfully reports that it has considered the same and recommends that the  
5 bill be amended by striking out all after the enacting clause and inserting in  
6 lieu thereof the following:

7 Sec. 1. FINDINGS, PURPOSE, AND INTENT

8 (a) Findings. The General Assembly finds the following:

9 (1) Young Vermonters are one of our State’s most important resources.  
10 Youths under 21 years of age represent approximately 24 percent of the  
11 Vermont population and reflect Vermont’s diversity. They are a group of  
12 dynamic, vibrant, and innovative individuals who are finding new ways to  
13 have their voices heard and effect the change they wish to see in the world.

14 (2) Multiple perspectives strengthen decision making and policy  
15 development by encouraging innovation, creativity, and change. Including the  
16 unique perspectives of young persons improves State policies and programs,  
17 including youth-specific services.

18 (3) Vermont’s economy depends on the participation of young persons,  
19 and empowering them to provide policy advice will help keep young  
20 Vermonters in the State. It will also diversify our economy, making it more  
21 competitive and sustainable.

1           (4) Young persons have the right to be heard and respected. Almost all  
2           government policies and decisions have an impact on young persons' lives and  
3           youths have the right to influence those decisions, both individually and  
4           collectively. Furthermore, involving young persons in political processes helps  
5           build trust in democratic institutions, which in turn protects Vermont's  
6           democracy.

7           (b) Purpose. The purpose of this act is to create the State Youth Council,  
8           composed of young Vermonters who will have an official means of providing  
9           advice on policies that impact young persons in Vermont.

10          (c) Intent.

11           (1) The intent of creating the State Youth Council set forth in this act is  
12           to enhance the State's progress in reaching the population-level outcomes set  
13           forth in 3 V.S.A. § 2311(b)(6) (Vermont's children and young people achieve  
14           their potential) and (9) (Vermont has open, effective, and inclusive  
15           government).

16           (2) The General Assembly further intends to consider the  
17           recommendations of the initial State Youth Council created in this act and to  
18           subsequently amend the Council's appointing authority, powers, and duties  
19           accordingly.

1       Sec. 2. 3 V.S.A. chapter 53, subchapter 4 is amended to read:

2                     Subchapter 4. Departments, Divisions, Councils and Boards

4           Council for three-year staggered terms and shall strive to appoint Council  
5           members who represent a variety of youths in the State. The Youth Services  
6           Advisory Council shall consult with members of youth advocacy groups  
7           concerning initial appointments to establish the Council and then shall consult  
8           with the Council regarding appointments for all subsequent terms.

9           (3) The Council shall elect a chair from among its members.

10          (4) The Council shall establish an Executive Committee, ad hoc  
11          committees as needed, and the following standing committees:

1           (C) gather input from Vermont youths through surveys or polls; and

2           (D) evaluate the State’s progress in reaching the population-level

3 outcomes set forth in section 2311 of this title and recommend to the Joint

4 Committee on Government Accountability any revisions to the population-

5 level indicators for those outcomes the Council finds necessary to better reflect

6 data that impacts Vermont youths.

7           (2) The Council shall provide advice to the Governor and the General

10 (b) Training. From funds appropriated to the Department of Health, to  
11 assist with State Youth Council-directed activities and in consultation with the  
12 Youth Services Advisory Council, the Department shall provide to the State  
13 Youth Council training on general State policies, how to formulate policy  
14 proposals, government operations, public speaking, meeting etiquette, and  
15 leadership.

16 (c) Duties. In addition to the State Youth Council’s duties set forth in  
17 Sec. 2 of this act, on or before January 15, 2023 the Council shall recommend  
18 to the House and Senate Committees on Government Operations the manner in  
19 which its members should be appointed or elected and any other amendments  
20 to its enabling law.
