Hi Jessi,

Thank you for the email. So our BCA responded back in November with the attached response. Going into the Feb 3<sup>rd</sup>, committee meetings the districts reflected Shelburne BCA recommendation to leave the district line as it has been for at least the last 10 years per the attached response.

The links updated today, look to me like they reflect the Committee's original proposed redistricting.

Who do we talk to at this point in time?

Thank you so much for your help.

Best regards,

*Diana*

Dear Ms. Tracy,

I need to make sure that Shelburne is all set with our redistricting. Back in November 2021, The Shelburne BCA requested that our districting line remain the same for 5-1 and 5-2. I believe our request was accepted. In the links provided, it appears the map shows 5-1 and 5-2 as the current district line the BCA recommended keeping. And not the changes proposed by the Committee.

Is there anything else we need to do? Thank you for your help in this matter.

Best regards,

*Diana*
