The Winooski Board of Civil Authority voted at its last meeting to recommend and support a two- member district consisting of all of the City of Winooski with no other census blocks added. We decided after careful consideration that a single, two-member district, was in the best interest of our community. Winooski being such a small community in geographic size, we did not see any reason to move to two single-member districts. We trust that the legislature will agree with our decision.

We wish you the best as you grapple with redistricting.
