Dear Jessi Tracy,

As a member of the Thetford Selectboard I wish to express my support for H.589. I do not believe that the legislative districts require changing.

Be well,

Dear BCA Officials,

Hello. We are writing to give you the update that the House of the General Assembly has passed [H.589](#), an act relating to reapportioning the initial districts of the House of Representatives. The bill will now go to the Senate and then, if passed by the Senate, to the Governor for signature. The Governor may sign the bill into law, allow the bill to be enacted into law without his signature, or veto the bill.

As you will see in Sec. 3 of the bill, **BCAs should respond to the House Committee on Government Operations with feedback on the reapportionment of their districts by February 15, 2022.** Please see the attached letter for instructions and information on submitting feedback to the Committee, as well as dates for the Committee's reapportionment hearings **beginning January 27th.** The link posted below will take you to the State's Reapportionment (Redistricting) webpage.

If you are no longer a BCA official or if you have received this email in error, please notify us at this email address as soon as possible.

Sincerely,

Vermont General Assembly - 2022 Reapportionment Support Team
