To whom it may concern,

I am responding to the letter we received for the 2022 Reapportionment (Redistricting) I am not in favor of it especially cutting down on representation. Since our district has been Derby, Holland, Morgan, Charleston, and Brownington for several years, I think our representative have done really well in representing their needs as well as ours. It's a big area to cover for two to represent and way to too big for just one to do!

If you have any other questions for our Town please email me back. I hope you will consider our feedback and leave it the way it is.

Sincerely,

Faye Morin
