We held another meeting on 2/2/2022 in regards to reapportionment. Our Board of Civil Authority is requesting Northfield & Berlin stays intact as one district and two-seats.

The current census that was done includes Norwich University students; they are not Northfield residents. This is skewing the accurate population.

In the event our recommendation isn't kept as staying as one voting district we have created/updated where we would like the line drawn between Northfield and Berlin. The divide makes more practical sense then the version that was created by LAB. House Representative Anne Donahue has the map to submit. ADonahue@leg.state.vt.us if you could kindly contact her for this map. She couldn't print it out for me to be able to email it.
