February 14, 2022

The Waterbury Board of Civil Authority is in agreement with the recommended map as proposed in H.589, also known as the LAB Alternate Map.

The map in H. 589 makes no changes to the existing Washington-Chittenden District, a two-member district that serves the entirety of the towns of Waterbury, Bolton, Buel's Gore and Huntington. On November 4, 2021, the Waterbury Board of Civil Authority unanimously voted to reject the districts proposed in the LAB Adopted Map.

The Waterbury Board of Civil Authority has no desire to subdivide this proposed two-member district into two single-member districts. The district as proposed in H.589 was unanimously approved by the Waterbury Board of Civil Authority on February 10, 2022.

We appreciate the work of the House Government Operations Committee and are happy to provide additional detail, if needed, on why we support this outcome.

Sincerely,

Liz Schlegel Stevens
Chair, Waterbury Board of Civil Authority
