[External]

As a resident of Londonderry Vt & having looked at the proposed redistricting map I hereby submit my disapproval of said map. Instead think a better, more efficient & thus effective solution would be to include Londonderry with Peru, Landgrove, Weston and Winhall as one option or Londonderry with Peru, Landgrove, Weston, Winhall and Stratton as another option. These options would be more compact & contiguous for various reasons including road access, school district ties, school choice, shared resources including fire dept., rescue services & trash disposal along with socio, economic & political ties. Overall it just makes better sense & is supported by the State Standard. Wouldn't you agree?
