Good afternoon,

Our Board of Civil Authority met on February 7, 2022 to discuss the LAB Adopted Map. In general, we support being put in a district with Londonderry, Weston, & Jamaica, although one member expressed concern about the physical distance from Andover to Jamaica. Her feeling was if someone from Jamaica were to be elected, it might be a challenge for them to have any sort of presence here or knowledge of our Town.

When we met last November to discuss the proposal, we had been grouped with Londonderry & Ludlow, but we noticed the map adopted on November 23, 2021 grouped us with Plymouth, Ludlow, & Weston. We had hoped to remain in a district with Chester as we have many community ties with them, but the newest proposal leaves us optimistic for better representation of Andover's needs in Montpelier.

I have attached the minutes from our meeting.

Best,

Jeanette
