

1 Introduced by Committee on Government Operations

2 Date:

3 Subject: Elections; House of Representatives; Senate; reapportionment;  
4 redistricting

5 Statement of purpose of bill as introduced: This bill proposes to reapportion  
6 the members of the House of Representatives

7 An act relating to final reapportionment of the House of Representatives

8 It is hereby enacted by the General Assembly of the State of Vermont:

9 Sec. 1. REPEALS

10 (a) 17 V.S.A. § 1893 (initial division) is repealed.

11 (b) 17 V.S.A. § 1893a (subdivision of initial districts) is repealed.

12 (c) 2022 Acts and Resolves No. 80 (an act relating to reapportioning the  
13 initial districts of the House of Representatives) is repealed.

14 Sec. 2. 17 V.S.A. § 1893b is added to read:

15 § 1893b. HOUSE OF REPRESENTATIVES DISTRICTS

16 Notwithstanding the processes outlined in 17 V.S.A. chapter 34A regarding  
17 the enactment of initial districts and the subdivision of initial districts, for the  
18 2022 reapportionment of the House of Representatives, the State is divided  
19 into the following districts for the House of Representatives, each of which  
20 shall be entitled to the indicated number of Representatives:

1	<u>District</u>	<u>Towns and Cities</u>	<u>Representatives</u>
2		* * * ADDISON COUNTY * * *	
3	<u>ADDISON-1</u>	<u>That portion of the town of</u>	
4		<u>Middlebury encompassed within a</u>	
5		<u>boundary beginning at the point</u>	
6		<u>where the northern boundary line of</u>	
7		<u>Middlebury intersects with U.S.</u>	
8		<u>Route 7; then southerly along the</u>	
9		<u>eastern side of the centerline of U.S.</u>	
10		<u>Route 7 to the intersection of Main</u>	
11		<u>Street; then southwesterly along the</u>	
12		<u>southeastern side of the centerline of</u>	
13		<u>Main Street to the traffic circle; then</u>	
14		<u>along the southeastern side of the</u>	
15		<u>centerline of the northwestern</u>	
16		<u>section of the traffic circle to the</u>	
17		<u>beginning of College Street; then</u>	
18		<u>westerly along the southern side of</u>	
19		<u>the centerline of College Street to the</u>	
20		<u>intersection of Weybridge Street;</u>	
21		<u>then northwesterly along the</u>	

1        ADDISON-3            Addison, Ferrisburgh, Panton,  
2                                    Vergennes, Waltham  
3                                    and that portion of the town of New  
4                                    Haven encompassed within a  
5                                    boundary beginning at the point  
6                                    where the northeastern boundary line  
7                                    of New Haven intersects with the  
8                                    Mud Creek tributary running parallel  
9                                    to Lime Kiln Road; then southerly  
10                                   along the western side of the Mud  
11                                   Creek tributary running parallel to  
12                                   Lime Kiln Road to where the river  
13                                   intersects with U.S. Route 7; then  
14                                   southerly along the western side of  
15                                   the centerline of U.S. Route 7 to  
16                                   where it intersects with the Otter  
17                                   Creek; then westerly along the  
18                                   northern side of the Otter Creek to  
19                                   where it intersects with Morgan  
20                                   Horse Farm Road and the boundary  
21                                   of the town of Weybridge; then

1                            westerly along the town line of  
2                            Weybridge to the boundary of  
3                            Waltham; then easterly then  
4                            northerly along the town line of  
5                            Waltham to the border of  
6                            Ferrisburgh; then easterly along the  
7                            town line of Ferrisburgh to the point  
8                            of beginning                            2  
9            ADDISON-4            Bristol, Lincoln, Monkton, and  
10                           Starksboro                            2  
11            ADDISON-5            Bridport, Weybridge, that portion of  
12                           the town of Middlebury not included  
13                           in ADDISON-1, and that portion of  
14                           the town of New Haven not included  
15                           in ADDISON-3                            1  
16            ADDISON-  
17                           RUTLAND            Hubbardton, Orwell, Shoreham,  
18                           Sudbury, and Whiting                            1  
19                           \* \* \* BENNINGTON COUNTY \* \* \*  
20            BENNINGTON-1            Readsboro, Searsburg, Stamford,  
21                           Woodford, and that portion of the

1 town of Pownal encompassed within  
2 **[TOWN CLERK REVIEW**  
3 **PENDING]** a boundary beginning at  
4 the point where the northern  
5 boundary line of the town of Pownal  
6 intersects with VT Route 7; then  
7 southerly along the western side of  
8 the centerline of VT Route 7 to the  
9 intersection of Barber Pond Road;  
10 then easterly along the southern side  
11 of the centerline of Barber Pond  
12 Road to the intersection of South  
13 Stream Road; then easterly along the  
14 south side of the centerline of South  
15 Stream Road to where it intersects  
16 with the power lines after 620 South  
17 Stream Road and before 802 South  
18 Stream Road; then easterly along the  
19 southern side of the power lines to  
20 where the power lines intersect with  
21 the boundary of the town of

1 Stamford approximately one mile  
2 north of County Road; then southerly  
3 along the town line of Stamford to  
4 the state border of Massachusetts;  
5 then easterly along the state border  
6 of Massachusetts to the state border  
7 of New York; then northerly along  
8 the state border of New York to the  
9 boundary of the town of Bennington;  
10 then easterly along the town line of  
11 Bennington to the point of beginning 1

12 BENNINGTON-2 That portion of the town of  
13 Bennington encompassed within a  
14 boundary beginning at the point  
15 where the eastern boundary line of  
16 the town of Bennington intersects  
17 with VT Route 9; then westerly  
18 along the northern side of the  
19 centerline of VT Route 9 to where it  
20 intersects with Roaring Branch; then  
21 easterly along the northern side of

1                   Roaring Branch to where it intersects  
2                   with Park Street; then southerly  
3                   along the western side of the  
4                   centerline of Park Street to the  
5                   intersection of Gage Street; then  
6                   westerly along the northern side of  
7                   the centerline of Gage Street to the  
8                   intersection of North Street; then  
9                   southerly along the western side of  
10                  the centerline of North Street to the  
11                  intersection of Main Street; then  
12                  northwesterly along the northern side  
13                  of the centerline of Main Street to  
14                  the intersection of Dewey Street;  
15                  then southerly along the western side  
16                  of the centerline of Dewey Street to  
17                  the intersection of Monument  
18                  Avenue Extension; then southerly  
19                  along the western side of Monument  
20                  Avenue Extension to the intersection  
21                  of Carpenter Hill Road; then briefly

1 easterly along the southern side of  
2 the centerline of Carpenter Hill Road  
3 to the intersection of U.S. Route 7;  
4 then southerly along the western side  
5 of the centerline of U.S. Route 7 to  
6 the boundary of the town of Pownal;  
7 then westerly along the town line of  
8 Pownal to the state border of New  
9 York; then northerly along the state  
10 border of New York to the boundary  
11 of the town of Shaftsbury; then  
12 easterly along the town line of  
13 Shaftsbury to the boundary of  
14 Woodford; then southerly along the  
15 town line of Woodford to the point  
16 of beginning

2

17 BENNINGTON-3 Glastenbury, Shaftsbury, and that  
18 portion of the town of Sunderland  
19 [TOWN CLERK REVIEW  
20 PENDING] encompassed within a  
21 boundary beginning at the point

1 where the northern boundary line of  
2 the town of Sunderland intersects  
3 with the Batten Kill River; then  
4 southwesterly along the eastern side  
5 of the Batten Kill River to where it  
6 intersects with Sunderland Hill  
7 Road; then westerly along the  
8 southern side of the centerline of  
9 Sunderland Hill Road to the  
10 intersection of Borough Road; then  
11 southerly along the eastern side of  
12 the centerline of Borough Road to  
13 the intersection of North Road; then  
14 southerly along the eastern side of  
15 the centerline of North Road to the  
16 intersection of Shady Pines; then  
17 southwesterly along the eastern side  
18 of the centerline of Shady Pines to  
19 the intersection of Kesick Swamp  
20 Road; then easterly along the  
21 northern side of the centerline of

1 Kesick Swamp Road to the  
2 intersection of North Road; then  
3 briefly southerly along the eastern  
4 side of the centerline of North Road  
5 to the intersection of U.S. Route 7;  
6 then southerly along the eastern side  
7 of the centerline of U.S. Route 7 to  
8 the intersection of Kansas Road; then  
9 westerly along the southern side of  
10 the centerline of Kansas Road to the  
11 boundary of the town of Arlington;  
12 then southerly along the town line of  
13 Arlington to the boundary of the  
14 town of Glastenbury; then easterly  
15 along the town line of Glastenbury to  
16 the boundary of the town of  
17 Somerset; then northerly along the  
18 town line of Somerset to the  
19 boundary of the town of Stratton;  
20 then northerly along the town line of  
21 Stratton to the boundary of the town

1		<u>of Winhall; then westerly along the</u>

1 then northerly along the eastern side  
2 of the centerline of VT Route 2A to  
3 where it intersects with the  
4 southbound lane of Interstate 89;  
5 then westerly along the northern side  
6 of the southbound lane of Interstate  
7 89 to the boundary of the city of  
8 South Burlington; then northerly  
9 along the city line of South  
10 Burlington to the boundary of the  
11 town of Essex; then easterly along  
12 the town line of Essex to the  
13 boundary of the town of Jericho;  
14 then southerly along the town line of  
15 Jericho to the boundary of  
16 Richmond; then southwesterly along  
17 the town line of Jericho to the  
18 boundary of the town of Hinesburg;  
19 then westerly along the town line of  
20 Hinesburg to the boundary of the  
21 town of St. George; then briefly

1 the boundary of the town of  
2 Charlotte; then northerly along the  
3 town line of Charlotte to the point of  
4 beginning 1  
5 CHITTENDEN-6 That portion of the town of  
6 Shelburne not included in  
7 CHITTENDEN-7 1  
8 CHITTENDEN-7 St. George and that portion of the  
9 town of Shelburne encompassed  
10 within a boundary beginning at the  
11 point where the southern boundary  
12 line of the town of Shelburne  
13 intersects with Spear Street; then  
14 northerly along the eastern side of  
15 the centerline of Spear Street to  
16 where it intersects with Munroe  
17 Brook; then northerly along the  
18 eastern side of Munroe Brook to  
19 where it intersects with Shelburne  
20 Bay; then northerly along the eastern  
21 side of Shelburne Bay to the

1 boundary of the city of South  
2 Burlington; then easterly along the  
3 city line of South Burlington to the  
4 boundary of the town of Williston;  
5 then easterly along the town line of  
6 Williston to the boundary of the  
7 town of St. George; then southerly  
8 along the town line of St. George to  
9 the boundary of the town of  
10 Hinesburg; then westerly along the  
11 town line of Hinesburg to the  
12 boundary of the town of Charlotte;  
13 then westerly along the town line of  
14 Charlotte to the point of beginning 1  
15 CHITTENDEN-8 That portion of the town of Williston  
16 not included in CHITTENDEN-2  
17 and that portion of the city of South  
18 Burlington not included in  
19 CHITTENDEN-9, CHITTENDEN-  
20 10, CHITTENDEN-11, or  
21 CHITTENDEN-12 1

1        CHITTENDEN-9        That portion of the city of South  
2                                    Burlington encompassed within a  
3                                    boundary beginning at the point  
4                                    where the eastern boundary line of  
5                                    the city of South Burlington  
6                                    intersects with U.S. Route 2; then  
7                                    westerly along the southern side of  
8                                    the centerline of U.S. Route 2 to the  
9                                    intersection of Hinseburg Road; then  
10                                   southerly along the eastern side of  
11                                   the centerline of Hinesburg Road to  
12                                   the intersection of Kennedy Drive;  
13                                   then westerly along the southern side  
14                                   of the centerline of Kennedy Drive to  
15                                   the intersection of Dorset Street; then  
16                                   southerly along the eastern side of  
17                                   the centerline of Dorset Street to the  
18                                   intersection of Park Road; then  
19                                   easterly along the northern side of  
20                                   the centerline of Park Road to where  
21                                   it intersects with Tributary 7 of the

1                   Potash Brook before Golf Course  
2                   Road; then northeasterly along the  
3                   northwestern side of Tributary 7 of  
4                   the Potash Brook to where it  
5                   connects to a second branch of  
6                   Tributary 7 of the Potash Brook east  
7                   of the Wheeler Park Trail Head at  
8                   the southeast corner of Brand Farm  
9                   Drive; then southeasterly along the  
10                  northwestern side of the second  
11                  branch of Tributary 7 of the Potash  
12                  Brook to where it intersects with  
13                  Moss Glen Lane; then briefly eastly  
14                  along the northern side of the  
15                  centerline of Moss Glen Lane to the  
16                  intersection of Mill Pond Lane; the  
17                  northeasterly along the northwestern  
18                  side of the centerline of Mill Pond  
19                  Lane to the intersection of Oak  
20                  Creek Drive; then northerly along  
21                  the western side of the centerline of

1                   Oak Creek Drive to the intersection  
2                   of Fox Run Lane; then easterly along  
3                   the northern side of the centerline of  
4                   Fox Run Lane to the intersection of  
5                   Hinesburg Road; then southerly  
6                   along the eastern side of the  
7                   centerline of Hinesburg Road to the  
8                   intersection of Butler Drive; then  
9                   easterly along the northern side of  
10                  the property line between the  
11                  commercial properties of  
12                  Meadowland Business Park and  
13                  Goodrich Properties to the boundary  
14                  of the town of Williston; then  
15                  northerly along the town line of  
16                  Williston to the point of beginning                   1  
17        CHITTENDEN-10   That portion of the city of South  
18                  Burlington encompassed within a  
19                  boundary beginning at the point  
20                  where the eastern boundary line of  
21                  the city of South Burlington

1 intersects with Williston Road; then  
2 westerly along the northern side of  
3 the centerline of Williston Road to  
4 the intersection of Hinesburg Road;  
5 then southerly along the western side  
6 of the centerline of Hinesburg Road  
7 to the intersection of Kennedy Drive;  
8 then westerly along the northern side  
9 of the centerline of Kennedy Drive to  
10 the intersection of Dorset Street; then  
11 northerly along the eastern side of  
12 the centerline of Dorset Street to the  
13 intersection of Williston Road; then  
14 westerly along the northern side of  
15 the centerline of Williston Road to  
16 the boundary of the city of  
17 Burlington; then northeasterly along  
18 the city line of Burlington to the  
19 boundary of the city of Winooski;  
20 then northeasterly along the city line  
21 of Winooski to the boundary of the

1                   the centerline of Swift Street to the  
2                   boundary of the city of Burlington at  
3                   U.S. Route 7; then northerly along  
4                   the city line of Burlington and then  
5                   follow the city line of Burlington to  
6                   the point of beginning

1

7           CHITTENDEN-12   That portion of the city of South  
8                   Burlington encompassed within a  
9                   boundary beginning at the point  
10                  where the western boundary line of  
11                  the city of South Burlington  
12                  intersects with Swift Street; then  
13                  easterly along the southern side of  
14                  the centerline of Swift Street to the  
15                  intersection of Dorset Street; then  
16                  southerly along the western side of  
17                  the centerline of Dorset Street to the  
18                  intersection of Nowland Farm Road;  
19                  then westerly along the northern side  
20                  of the centerline of Nowland Farm  
21                  Road to where it intersects with the

1 Muddy Brook after Old School  
2 House Road; then northwesterly  
3 along the northern side of the Muddy  
4 Brook to where it reconnects with  
5 Nowland Farm Road after Shea  
6 Drive; then westerly along the  
7 northern side of the centerline of  
8 Nowland Farm Road to the  
9 intersection of Spear Street; then  
10 southerly along the western side of  
11 the centerline of Spear Street to the  
12 intersection of Allen Road; then  
13 westerly along the northern side of  
14 Allen Road to the intersection of  
15 U.S. Route 7; then briefly southerly  
16 along the western side of the  
17 centerline of U.S. Route 7 to the  
18 boundary of the town of Shelburne;  
19 then westerly along the town line of  
20 Shelburne to where it intersects with  
21 Shelburne Bay; then northerly along

1 the eastern side of the town line of  
2 Shelburne as it runs along Shelburne  
3 Bay; then westerly along the town  
4 line of Shelburne across Lake  
5 Champlain to the state border of  
6 New York; then northerly along the  
7 state border of New York to the  
8 boundary of the town of Colchester;  
9 then easterly along the town line of  
10 Colchester to the boundary of the  
11 city of Burlington; then southerly  
12 along the city line of Burlington and  
13 then follow the city line of  
14 Burlington to the point of beginning  
15 CHITTENDEN-13 That portion of the city of Burlington  
16 encompassed within a boundary  
17 [TOWN CLERK REVIEW  
18 PENDING] beginning at the point  
19 where the eastern boundary line of  
20 the city of Burlington intersects with  
21 South Burlington Recreation Path;

1

1 then westerly along the southern side  
2 of the South Burlington Recreation  
3 Path to where it intersects with  
4 [geographic marker needed – is this  
5 running along the north side of the  
6 golf course?]; then northeasterly  
7 along the western side of the  
8 centerline of [street name needed – is  
9 this cutting between the Redstone  
10 Apartments/Housing?] to the  
11 intersection of Davis Road; then  
12 westerly along the southern side of  
13 the centerline of Davis Road to the  
14 intersection of South Prospect Street;  
15 then northerly along the western side  
16 of the centerline of South Prospect  
17 Street to the intersection of Cliff  
18 Street; then westerly along the  
19 southern side of the centerline of  
20 Cliff Street to the intersection of U.S.  
21 Route 7; then briefly northerly along

1 the western side of the centerline of  
2 U.S. Route 7 to the intersection of  
3 Spruce Street; then westerly along  
4 the southern side of the centerline of  
5 Spruce Street to the intersection of  
6 South Union Street; then northerly  
7 along the western side of the  
8 centerline of South Union Street to  
9 the intersection of Adams Street;  
10 then westerly along the southern side  
11 of the centerline of Adams Street to  
12 the intersection of South Winooski

8                   turning west-northwesterly along the  
9                   western side of the back property  
10                  lines of the properties fronting the  
11                  west side of Forest Road to the  
12                  intersection of the back property  
13                  lines of the properties fronting the  
14                  west side of Sidney Drive; then  
15                  northwesterly along the western side  
16                  of the back property lines of the  
17                  properties fronting the west side of  
18                  Sidney Drive to the intersection of  
19                  the back property lines of the  
20                  properties fronting the east and north  
21                  sides of Chestnut Lane; then turning

1                   northwesterly along the southwestern  
2                   side of the back property lines of the  
3                   properties fronting the east and north  
4                   sides of Chestnut Lane, the north  
5                   side of Beech Street, then the north  
6                   and west sides of Spruce Lane to the  
7                   intersection of the southern property  
8                   boundary line of 39 Essex Way; then  
9                   northwesterly along the southern side  
10                  of the property line of 39 Essex Way  
11                  to where it intersects with the Indian  
12                  Brook; then southerly along the  
13                  eastern side of the Indian Brook to  
14                  where it intersects with Hubbells  
15                  Falls Drive; then northwesterly along  
16                  the southwestern side of the  
17                  centerline of Hubbells Falls Drive to  
18                  the intersection of Juniper Ridge  
19                  Road; then southwesterly along the  
20                  southeastern side of the centerline of  
21                  Juniper Ridge Road to the

1 intersection of Fairview Drive; then  
2 southerly following along the  
3 southeastern and then southwestern  
4 side of the centerline of Fairview  
5 Drive to the intersection of  
6 Hawthorne Circle; then westerly and  
7 northerly along the western and  
8 northern side of the centerline of  
9 Hawthorne Circle to the intersection  
10 of Fairview Drive; then  
11 northwesterly along the southwestern  
12 side of the centerline of Fairview  
13 Drive to the intersection of Main  
14 Street; then southwesterly along the  
15 southeastern side of the centerline of  
16 Main Street to the intersection of  
17 Crestview Road; then northwesterly  
18 along the southwestern side of the  
19 centerline of Crestview Road to the  
20 intersection of Drury Drive; then  
21 northeasterly along the southwestern

1 side of the centerline of Drury Drive  
2 to the intersection of Meadow  
3 Terrace; then northwesterly along the  
4 southwestern side of the centerline of  
5 Meadow Terrace to the intersection  
6 of Upland Road; then southwesterly  
7 along the southeastern side of the  
8 centerline of Upland Road to the  
9 intersection of Drury Drive; then  
10 southwesterly along the  
11 southeasterly side of the centerline of  
12 Drury Drive to the intersection of  
13 Educational Drive; then  
14 northwesterly along the southwestern  
15 side of the centerline of Educational  
16 Drive to the intersection of Old  
17 Colchester Road and Grove Street;  
18 then southerly along the eastern side  
19 of Grove Street to the intersection of  
20 North Street; then briefly westerly  
21 along the southern side of the

1                   centerline of North Street to the  
2                   intersection of Lincoln Street; then  
3                   northerly along the western side of  
4                   the centerline of Lincoln Street and  
5                   continuing on the western side of  
6                   Lincoln Street when it turns into  
7                   Colchester Road to where Colchester  
8                   Road intersects with the property  
9                   boundary line between 78 Lincoln  
10                  Street and 98 Colchester Road; then  
11                  southwesterly along the  
12                  southeasterly side of the property  
13                  boundary line between 78 Lincoln  
14                  Street and 98 Colchester Road to  
15                  where it intersects with the Indian  
16                  Brook; then westerly along the  
17                  southern side of those back property  
18                  lines of those properties fronting the  
19                  south side of Pinecrest Drive to the  
20                  intersection of the back property  
21                  lines of the properties fronting the

1                   end of Hampshire Court and fronting  
2                   the east side of Dartmoor Court; then  
3                   southwesterly along the south eastern  
4                   side of the back property lines of the  
5                   properties fronting the end of  
6                   Hampshire Court and fronting the  
7                   east side of Dartmoor Court; then  
8                   turning northwesterly along the  
9                   southern side of the back property  
10                  lines of property fronting the  
11                  northeast side of Edgewood Drive to  
12                  the intersection of the back property  
13                  lines of the properties fronting the  
14                  west side of Warner Avenue; then  
15                  turning southwesterly along the  
16                  southeastern side of the back  
17                  property lines of the properties  
18                  fronting the west side of Warner  
19                  Avenue to the end of Sunderland  
20                  Brook; then turning southeasterly  
21                  along the northeastern side of the

1                   property boundary between 2 Warner  
2                   Avenue and 4 Warner Avenue to the  
3                   intersection of Warner Avenue; then  
4                   southwesterly along the southeastern  
5                   side of the centerline of Warner  
6                   Avenue to the intersection of Pearl  
7                   Street; then northwesterly along the  
8                   southern side of the centerline of  
9                   Pearl Street to where it intersects  
10                  with the powerlines running  
11                  perpendicular to Pearl Street between  
12                  235 Pearl Street and 241 Pearl Street;  
13                  then southerly along the eastern side  
14                  of the powerlines to where they  
15                  intersect with the boundary of the  
16                  city of South Burlington; then  
17                  southeasterly along the city line of  
18                  South Burlington to the boundary of  
19                  the town of Williston; then easterly  
20                  along the town line of Williston to  
21                  the point of beginning

1                   Main Street; then northeasterly along  
2                   the northwesterly side of the  
3                   centerline of Upper Main Street to  
4                   the intersection of Center Road; then  
5                   easterly along the northern side of  
6                   the centerline of Center Road to the  
7                   intersection of Jericho Road; then  
8                   southeasterly along the northeastern  
9                   side of the centerline of Jericho Road  
10                  to the intersection of Allen Martin  
11                  Drive; then southwesterly along the  
12                  southeasterly side of the centerline of  
13                  Allen Martin Road to the intersection  
14                  of Sandhill Road; then southerly  
15                  along the eastern side of Sandhill  
16                  Road to the intersection of River  
17                  Road; then westerly along the  
18                  northern side of the centerline of  
19                  River Road to where it intersects  
20                  with Alder Brook; then southerly  
21                  along the eastern side of Alder Brook

1                   to the boundary of the town of  
2                   Williston; then easterly along the  
3                   town line of Williston to the  
4                   boundary of the town of Jericho;  
5                   then northeasterly along the town  
6                   line of Jericho to the boundary of the
