Subject: Proposal 2 Public Comment

As a citizen of Vermont, I say we must pass PR 2 as an amendment to Vermont's constitution in order to prohibit slavery and indentured servitude in all forms in our brave little state. That this still remains a possibility because it remains part of the constitution is just plain wrong. Any future possibility of slavery or indentured servitude should not be allowed by constitutional law. Please make PR 2 happen- finally abolish slavery and indentured servitude for all time.

Thank-you.
