

ARPA Stabilization Information for Legislature
January 9, 2022

Program Information

Month	Total Amount Obligated	Monthly Amount Liquidated
Nov 2021	\$19,773,276.00 (826 applications: 69%)	\$1,647,773.10 (confirmed by business office on 12.16.21)
Dec 2021	\$21,429,976.00 (922 applications: 77%)	\$1,881,369.50 (confirmed by business office on 12.29.21)
Total ARPA Stabilization infused into system Nov/Dec 2021		\$3,529,142.60

- The total ARPA Stabilization award to VT is \$29,332,561.00
- Currently we have 925 applications
- The ARPA Stabilization program distributes monthly awards to eligible programs from November 2021 – October 2022.
- Eligible programs include regulated:
 - Center based child care and preschool programs
 - Family child care homes
 - After school programs
 - Approved relative care providers
- We process monthly awards on the 2nd Friday of each month. Any new applications are added to at this time.
- When we hit our award cap (award minus admin) we will have to close the program to new applicants in order to honor the amount obligated to current applicants.

ARPA Stabilization Information for Legislature
January 9, 2022

Family home child care (388)	388	62	64	370	41	314	55
Total	925	95	161	515	74	808	509

Note: applicants certified that they were going to offer these benefit/program expansions with ARPA funds. But we won't know how they *actually used the funds*, and in what amounts, until they complete the final report which is due when a program closes or when they submit their final report in December 2022 or January 2023.
