

## ADAP Name Change

The following stakeholders were involved in the process to change the name:

- Substance Misuse Oversight and Advisory Council
- Intervention Treatment and Recovery Committee
- Family Action Committee
- All of our treatment providers
- All of our prevention coalitions
- All of our recovery centers (consumers)
- VDH staff

This list represents a broad range of stakeholders from across the state with varied interests, investments and connections to the substance use system of care.

Best,  
David
