

Our journey with Amyotrophic Lateral Sclerosis (ALS)  
began in August 2009.

Frank was diagnosed with ALS on March 31, 2010.

Embrace your lust for life.

His health deteriorated quickly.

He couldn't walk, talk or even eat.

We raised money for the ALS Association of Northern New England.

On August 22, 2013. Frank died.

We still don't know how he got ALS.

Please vote for S.90.
