Speaker of the House Jill Krowinski
Office of the Speaker
115 State Street
Montpelier, VT 05633

Dear Senate President Balint and Speaker of the House Krowinski:

As required by Section 4 of Act 149 (2018), I am writing to confirm that Vermont has submitted to the U.S. Environmental Protection Agency an application for authorization of its Lead Based Paint Renovation Program. The application included a certification, signed by the Governor, that Vermont's program meets the criteria established for program authorization. The U.S. Environmental Protection Agency has confirmed that Vermont's program was deemed authorized on October 1, 2022.

Sincerely,

Mark A. Levine, MD
Commissioner
