Hi Amber,

Thank you for the opportunity to review this. I have no objections to the proposed changes to the municipal expungement section. I would recommend one slight amendment for clarification. On page 25, I would recommend altering lines 8-9 as follows (new language in bold):

The data transfer to the municipality shall include the name, date of birth, ticket number, and offense. Violations of **municipal ordinances promulgated under 24 V.S.A. chapter 117** shall not be eligible for expungement under this section.

Thank you for all your work. If you need anything further from me, let me know.

Best,

Dan
